Huge Directors, These Films Have Been Doctored, and I Wanna Be a Cowboy are just some of the fun topics. Find out what the folks in Tinseltown say about each other in Hollywood on Hollywood. Honor Dirty Harry with a “Go Ahead and Make My Day!” puzzle. Figure out what’s Filmed on Location. The clues cover all genres, from film noir to musicals, a glittering array of stars, and more than a few auteurs. So if you know the five-letter word that comes before “Kings” in the title of an Antonio Banderas flick, these crosswords are for you.

**Costume Design in the Movies** Elizabeth Leese,2012-12-19 Comprehensive, lavishly illustrated reference work provides biographical/career data for major designers (Adrian, Jean Louis, Edith Head, more). Updated to 1988, with over 400 new film credits. 177 illustrations. Index of 6,000 films.

**Costume Design in TV and Film** Nancy Capaccio,2018-12-15 Costume designers don't just design costumes, they design the characters in movies and television shows. In this book, readers will enjoy learning the behind-the-scenes stories about how costumes turn ordinary-looking actors into everything from superheroes to villains, peasants to kings. They'll discover how they can channel their passion for fashion and history into work in the real world. Seeing how the craft of costuming requires not only research but also teamwork, budgeting, and attention to detail will reinforce good practices that transcend careers.

**Dressed** Deborah Nadoolman Landis,2007-11-27 From the lavish productions of Hollywood's Golden Age through the high-tech blockbusters of today, the most memorable movies all have one thing in common: they rely on the magical transformations rendered by the costume designer. Whether spectacular or subtle, elaborate or barely there, a movie costume must be more than merely a perfect fit. Each costume speaks a language all its own, communicating mood, personality, and setting, and propelling the action of the movie as much as a scripted line or synthetic clap of thunder. More than a few acting careers have been launched on the basis of an unforgettable costume, and many an era defined by the intuition of a costume designer—think curvy Mae West in *I'm No Angel* (Travis Banton, costume designer), Judy Garland in *A Star is Born* (Jean Louis and Irene Sharaff, costume designers), Diane Keaton in *Annie Hall* (Ruth Morley, costume designer), or Harrison Ford as Indiana Jones in *Raiders of the Lost Ark* (Deborah Nadoolman Landis, costume designer). In *Dressed: A Century of Hollywood Costume Design*, Academy Award-nominated costume designer Deborah Nadoolman Landis showcases one hundred years of Hollywood's most tantalizing costumes and the characters they helped bring to life. Drawing on years of extraordinary research, Landis has uncovered both a treasure trove of costume sketches and photographs—many of them previously unpublished—and a dazzling array of first-person anecdotes that inform and enhance the images. Along the way she also provides an eye-opening, behind-the-scenes look at the evolution of the costume designer's art, from its emergence as a key element of cinematic collaboration to its limitless future in the era of CGI. A lavish tribute that mingles words and images of equal luster, *Dressed* is one book no film and fashion lover should be without.

**Main Street Movies** Martin L. Johnson,2018-01-23 See yourself in the movies! Prior to the advent of the home movie camera and the ubiquitousness of the camera phone, there was the local film. This cultural phenomenon, produced across the country from the 1890s to the 1950s, gave ordinary people a chance to be on the silver screen without leaving their hometowns. Through these movies, residents could see themselves in the same theaters where they saw major Hollywood motion pictures. Traveling filmmakers plied their trade in small towns and cities, where these films were received by locals as being part of the larger cinema experience. With access to the rare film clips under discussion, *Main Street Movies* documents the diversity and longevity of local film production and examines how itinerant filmmakers responded to industry changes to keep sponsors and audiences satisfied. From town pride films in the 1910s to Hollywood knockoffs in the 1930s, local films captured not just images of local people and places but also ideas about the function and meaning of cinema that continue to resonate today.

**Creating the Character Costume** Cheralyn Lambeth,2016-11-25 Many beginning and hobbyist costumers believe that professional costume/prop builders have unlimited and specialized resources with which to ply their craft. Actually, the pros create things in much the same way that hobbyists do, working as resourcefully and creatively as possible with a limited budget. *Creating the Character Costume* dives into these methods to showcase how to achieve expert looks with limited means and lots of creativity. Part One explores tools, materials, and construction methods.

**Movie Workers** Melanie Bell,2021-07-06 Winner of the Theatre Library Association's Richard Wall Memorial Award Special Jury Prize for an exemplary work in the field of recorded performance After the advent of sound, women in the British film industry formed an essential corps of below-the-line workers, laboring in positions from animation artist to negative cutter to costume designer. Melanie Bell maps the work of these women decade-by-decade, examining their far-ranging economic and creative contributions against the backdrop of the discrimination that constrained their careers. Her use of oral histories and trade union records presents a vivid counter-narrative to film history, one that focuses not only on women in a male-dominated business, but on the innumerable types of physical and emotional labor required to make a motion picture. Bell's feminist analysis looks at women's jobs in film at important historical junctures while situating the work in the context of changing expectations around women and gender roles. Illuminating and astute, *Movie Workers* is a first-of-its-kind examination of the unsung women whose invisible work brought British filmmaking to the screen.

**Costume Design in the Movies** Elizabeth Leese,1991-03-01 Comprehensive, lavishly illustrated reference work provides biographical/career data for major designers (Adrian, Jean Louis, Edith Head, more). Updated to 1988, with over 400 new film credits. 177 illustrations. Index of 6,000 films.

**On The Set** Paul Salamoff,2010-04-28 When it comes to Hollywood etiquette on the movie set, nobody gave better advice than Spencer Tracy. Asked by a young actor what

advice the master could offer him, Tracy replied, Know your lines and don't bump into the furniture. Strangely enough, no one has collected Hollywood's movie set rules of behavior until now. Backed by the industry and film unions, there is no other resource book like *Movie Sets 101: the Definitive Survivor's Guide* by Paul J. Salamoff, an eighteen-year veteran of the movie industry with credits spanning over fifty films, ten television series and numerous commercials. Whether you are new to the industry, a seasoned pro or just interested in what the credits mean at the end of your favorite movie, this book is for you. Salamoff has worked in the industry as a Special F/X Make-Up Artist, Producer, Writer, Director and Executive and has compiled what he has learned throughout the years on movie sets to help others. Not only will you learn about the different jobs on the movie set but, for the first time, you'll discover the hidden rules of movie set etiquette they don't teach you in film schools, explains Salamoff. Each chapter covers a different movie set department (i.e. talent, grip, costume, electric, etc.). Offering practical advice from over 70 top industry professionals this vitally useful information is presented with wit and humor and packed with anecdotal advice that will not only help those wanting to break into film but actually help them succeed while trying.

**Hollywood Heroines** Laura L. S. Bauer, 2018-12-07 This is a topical resource that provides a comprehensive look at the most influential women in Hollywood cinema across a wide-range of occupations rarely found together in a single volume. Unlike other anthologies, *Hollywood Heroines: The Most Influential Women in Film History* is a hybrid of film history and industry information with an exclusive focus on prominent women. This reference work includes more commonly discussed categories of important women in Hollywood film history, such as directors and actresses, and reaches beyond them to encompass women working as cinematographers, casting directors, studio heads, musical composers, and visual and special effects supervisors. The wide range of filmmaking crafts covered in the book provides an acute view of the industry and increases the visibility of and quality of representation for women working in Hollywood. By bringing the experience of these influential women to light, *Hollywood Heroines* joins a growing movement that endeavors to dismantle harmful, long-standing industry myths that perpetuate the systemic underrepresentation of women and the devaluation of women's stories in the Hollywood film industry.

**Costume and Cinema** Sarah Street, 2001 *Costume and Cinema: Dress Codes in Popular Film* presents an overview of the literature on film costume, together with a series of detailed case studies which highlight how costume is a key signifier in film texts. Sarah Street demonstrates how costume relates in fundamental ways to the study of film narrative and mise-en-scene, in some cases constituting a language of its own. In particular the book foregrounds the related issues of adaptation and embodiment in a variety of different genres and investigates this under-explored area through extensive analysis of popular films including *The Talented Mr Ripley*, *Desperately Seeking Susan*, and *The Matrix*.

Hollywood and History: Costume Design in Film, 1987

Hollywood Catwalk Tamar Jeffers McDonald, 2010-06-22 The High School outsider takes off her glasses, puts on a dress, and becomes the Prom Queen; the dowdy woman has her hair done, buys some chic new clothes and starts to attract the men. Cinderella and Pygmalion stories still provide inspiration for the plots of Hollywood romantic comedies, dramas, and even action films. Their perennial use prompts a series of questions: is, for example, male agency necessary to effect the transformation, or can the woman change herself? Can she ever change him? Most pressingly, what do these images of change and transformation, of improvement and transcendence tell us, the viewers, about what we should be doing? Investigating these questions, this book examines a key but frequently overlooked aspect of film style: the costume. Across all the films discussed, costume and the body it covers becomes the crucial element in the transformation scene, exemplifying the 'before' and 'after' of the successful change. Exploring the fantasies of transcendence and transformation sold through these films and exemplified in the costumes, this book examines Calamity Jane, *Midnight Cowboy*, *Clueless*, *The Long Kiss Goodnight*, *The Devil Wears Prada*, and many other examples from both classic and contemporary Hollywood.

**Movie Makeup, Costumes, and Sets** Geoffrey M. Horn, 2006-12-15 Describes how movie directors use makeup, sets, and costumes to create the desired look for a film.

*New Mexico Magazine*, 1994

*Film Costume, an Annotated Bibliography* Susan Perez Prichard, 1981

*Hollywood Before Glamour* M. Tolini Finamore, 2013-01-28 This exploration of fashion in American silent film offers fresh perspectives on the era preceding the studio system, and the evolution of Hollywood's distinctive brand of glamour. By the 1910s, the moving image was an integral part of everyday life and communicated fascinating, but as yet un-investigated, ideas and ideals about fashionable dress.
