Brian Lee Tucker

You've heard the music now witness it up close. Learn what drove Mozzy to become hell gang Mozzy. Witness the streets of Oak Park that bred a starving pit, who grew up to murder his own kind. By Their Father's Hand Monte Francis, 2009-03-17 Neighbors were unaware of what went on behind the tightly closed doors of a house in Fresno, California—the home of an imposing, 300-pound Marcus Wesson, his wife, children, nieces, and grandchildren. But on March 12, 2004, gunshots were heard inside the Wesson home, and police officers responding to what they believed was a routine domestic disturbance were horrified by the senseless carnage they discovered when they entered. *By Their Father's Hand* is a chilling true story of incest, abuse, madness, and murder, and one family's terrible and ultimately fatal ordeal at the hands of a powerful, manipulative man—a cultist who envisioned vengeful gods and vampires, and totally controlled those closest to him before their world came to a brutal and bloody halt.

Rampage Brian Lee Tucker, 2015-02-06 “I sure never planned it this way. I was a pretty normal kid, I guess. Then again, when you've spent half of your life chasing ghosts, you tend to lose track of time in the sense that most of us experience it {Pause} they say life's a bitch and then you die; there is no God or guardian angels or divine intervention. You were born alone and you die alone. Life was a bitch and then you died. Game over.” so quoted killer Michael Kenneth McClendon. On March 10, 2009, Michael Kenneth McLendon, 28, shot and killed ten people in a shooting spree in three communities in two southern Alabama counties: Kinston in Coffee County, and Samson and Geneva in Geneva

County. Five of the victims were family members and two were children. After engaging in an exchange of fire with police, he committed suicide, bringing the total of dead to eleven. Officials at the time said this was the worst shooting event in Alabama history. The aftermath of his crime left one burning question above all others; WHY? No one knows for sure what sent McClendon into the deadly rampage that killed eleven people, including himself, and wounded others. Those who might have known the reasons, his own relatives, were the apparent targets of his rage. Victims ranged in age from 18 months to 74-years-old. In RAMPAGE: THE GENEVA COUNTY MASSACRE, author Brian Lee Tucker, using eye witness testimony, documented interviews, newspaper coverage, and magazine articles, has created an in depth look into the mind of a seemingly normal young man who, unknown to all around him, harbored inner demons that could not be tamed without the urge to kill.

Spree: Strawberry Fields Massacre Michael Morley, 2014-05-06 Part One of a chilling five-part serial killer thriller for fans of James Patterson, David Baldacci, Jeffrey Deaver, and Harlan Coban. The heat is on Jake Mottram, head of the FBI's new Spree Killer Unit, and psychological profiler Angie Holmes to find the madman responsible. Until now, they've been great together. Both at work and in bed. But a killer is about to come between them, in ways that could cost them far more than their careers. Will they survive the spree about to come? SPREE Life and death in LA - like you've never seen it before.

Keep Music Evil Jesse Valencia,2019-05-28 The Brian Jonestown Massacre are probably best known for their leader Anton Newcombe's incendiary persona, as captured in the controversial 2004 rockumentary Dig! - which won the Grand Jury Prize at Sundance - but what isn't known is the truth behind the making of the film, or the true story of the band since their

formation in early 1990s San Francisco. Until now. Writer, actor, and musician Jesse Valencia spent ten years uncovering the mysteries of the band and the film, during which time he has traveled from San Francisco to Denver, Portland to Tucson, and beyond, gathering pieces of the band's history and putting them together, clue by clue, until he found it. Presented as a personal narrative and compiled from hundreds of sources and interviews with key members of The Brian Jonestown Massacre - including Joel Gion, Rick Maymi, Frankie Emerson, Jeff Davies, Dean Taylor, Miranda Lee Richards, and Peter Hayes - as well as members of The Dandy Warhols, Dig! director Ondi Timoner, and countless other figures from both the film and from the band's greater history, *Keep Music Evil* is the definitive work on the band and their enigmatic leader. *Keep Music Evil* also tells the stories of the creation of every album the band have released during their three-decade career, offering insight in Anton and his collaborators' working methods, and provides an in-depth look at the making of Dig!, giving deeper context to the events as portrayed, correcting misinformation, and deconstructing the film as a whole. It also features rare, candid, and never-before-seen photographs of the band from throughout their career.

The Marion Massacre Mike Lawing, 2004-11 Buried in the collective memory of Marion, North Carolina lives a shadowy story of struggle, of power and of blood in the streets. Mike Lawing exhumes this tale of desperate factory workers - the outcast lintheads - and the small town sheriff whose questionable actions forever silenced the call for organized labor in this mountain mill town. Putting Marion's 1929 strike at Clinchfield Mills and Marion Manufacturing in historical perspective alongside more well known movements like Gastonia and the uprising of '34, Lawing examines the mystery of his hometown's oft-forgotten massacre and tracks the rise of its figures through the state's political ranks. It is a story of good and evil and the line in the mud that blurs them both. It is a story that deserves to be remembered. (Contributed by Ragan

Maryland Massacre 2 Darius GISSANTANER,2021-04-30 Brian Haggins, A psychopathic serial killer leaves Maryland after a series of horrific tragedies.... An unsuspected hitch hiker catches his eye. What starts off as love at first sight suddenly becomes a massacre no one was ready for.

Obeying Evil Ryan Green,2017-07-02 Obeying Evil presents the shocking true story of Ronald Gene Simmons and the most disturbing family killing spree in the United States. Over the course of a week in 1987, he murdered 14 members of his own family, a former co-worker, and a stranger. In 1979, Simmons retired as an Air Force Master Sergeant following 20 years of service. The instability that followed his military days exacerbated his desire for control over his family. Simmons used intimidation, humiliation, and violence to assert dominance over all but one of his family members. He allowed a softer side to surface for his favourite daughter, Shelia, whom he forced into an incestuous relationship and eventually fathered her child. His need for total control led to isolation within his family and an inability to hold down a job. His frustration grew to untold levels when Sheila left the family home and married another man. With his plans in ruin and his grip softening, Simmons surprisingly supported his family's desire for a big Christmas celebration. The stage was set for a heartwarming reunion but he had laid a very different set of plans.Obeying Evil portrays the 'Mockingbird Hill Massacre' from the perspective of Ronald Gene Simmons. It's a shocking true story about dominance, intimidation, and extreme violence.If you are especially sensitive to accounts of the suffering of children, it might be advisable not to read any further.If, however, you seek to understand the darker side of human nature by coming face to face with it, then this book is written for you.
