Quotable Quotes Of Mwalimu Julius K Nyerere Christopher C. Liundi, 2012

President Julius Kambarage Nyerere was the first President of the United Republic of Tanzania and Founder of the Nation. He came into power through the ballot - a democratic process held in 1961, and remained in power for more than two decades. Mwalimu Nyerere was a gifted and morally upright man. He was a true son of Africa - a Pan-Africanist, a nationalist, charismatic orator, steadfast thinker, diplomat and above all a teacher. He chose to be called simply 'Mwalimu - 'Teacher'. Throughout his term of office he gave hundreds of speeches; some were prepared in advance others given extemporaneously. The Mwalimu Nyerere Foundation (founded by Mwalimu Nyerere himself in 1996) has assembled and put his speeches and writings into books. The Quotations in this book are only those picked from the books in Freedom Series and his University Lectures. They are presented and arranged under the following themes: Philosophy of life, Equality of Man, Colonialism, Tanzania's Revolution, Democracy, Self-reliance, Rural Development, Non-alignment, African Unity, the United Nations, Leadership and Education.

No Fears Expressed Millard Arnold, 2017-09-01 First published in 1987, *No Fears Expressed* is a compilation of quotes taken from the words of the activist and Black Consciousness leader, Steve Biko. Sourced from the iconic *I Write What I Like*, including the collection of Biko's columns published in the journal of the South Africa Student Organisation under the pseudonym of 'Frank Talk', as well as from *The Testimony of Steve Biko* (edited by Millard W. Arnold), this book contains many inspirational quotes and thoughts that are still relevant in South African society today. Biko's words fall under a wide range of topics including racism, black-white relations, remedies for apartheid, colonialism, black rage and township life. All are topics that reflect the ever-present divide that exists

between black and white South Africans. Steve Biko would have been 70 years old in 2017. His place in history is firmly cemented and the struggle that he gave his life for continues. He left a legacy of thoughts and words, and these words pay tribute to the courage and power of the young leader who was to become one of Africa's heroes.

A Case of Love and Hate Chenjerai Mhondera, 2018-03-20 Quotes are a great source of knowledge, wisdom and insight. They help us to learn through forerunners and pathfinders who pioneered certain paths in life that we are yet to travel. They are great tools to reinforce and reaffirm what we already know but do not understand, or what we do and react to in our daily basis but do not make a philosophy out of it. It is such ignored realities or less attended to histories and discoveries which when they become words uttered by famous or successful people they become quotes, references and philosophy enough to help us accept it, or an idea, we apply it and see transformations in our lives. Quotes discover a philosophy, strengthen a belief or ideology, create a driving force in people to pursue their dreams. They are an effective weapon to uphold or dismiss certain philosophies in our midst. They are a sophisticated way or simple art of using few words to mean a lot. *A Case of Love and Hate* is a book to give you insights, uphold and dismiss certain philosophies or notions in our midst, be it politically, socially and economically. To achieve this complex task, difficult and great piece of art, the author Cecil Jones Myondela (Chenjerai Mhondera) committed himself to intense focus, long term diligence, and effort. Success in every field requires a definite goal, burning desire to go after it and determination to do whatever it takes in order to succeed. The book of Quotes themed *A Case of Love and Hate, Volume 1* is a product of such a bitter struggle, endurance and

resilience by the author- on ground and in world of literature. To understand Mugabe, this is the book! To understand Zimbabwe, this is the book! To understand Africa, this is the book! Do not resist your chance to understand and keep in line with a Revolution in Africa!

Nelson Mandela - Quotes Collection - 100+ Selected Quotes Quotes

Metaverse,2024-02-17 NELSON MANDELA: BOOK OF QUOTES 100+ SELECTED QUOTES ABOUT NELSON MANDELA Nelson Rolihlahla Mandela; 18 July 1918 - 5 December 2013) was a South African anti-apartheid revolutionary, statesman and philanthropist who served as President of South Africa from 1994 to 1999. He was the country's first black head of state and the first elected in a fully representative democratic election. His government focused on dismantling the legacy of apartheid by tackling institutionalised racism and fostering racial reconciliation. Ideologically an African nationalist and socialist, he served as the

president of the African National Congress (ANC) party from 1991 to 1997. QUOTES SAMPLES: There can be no greater gift than that of giving one's time and energy to help others without expecting anything in return. I learned that courage was not the absence of fear, but the triumph over it. The brave man is not he who does not feel afraid, but he who conquers that fear. Do not judge me by my success, judge me by how many times I fell down and got back up again. It only seems impossible until it's done. Fools multiply when wise men are silent. Education is the most powerful weapon which you can use to change the world. If you want the cooperation of humans around you, you must make them feel they are important - and you do that by being genuine and humble.
