If I Ran the Zoo Dr. Seuss,2013-10-22 Animals abound in Dr. Seuss's Caldecott Honor-winning picture book *If I Ran the Zoo*. Gerald McGrew imagines the myriad of animals he'd have in his very own zoo, and the adventures he'll have to go on in order to gather them all. Featuring everything from a lion with ten feet to a Fizza-ma-Wizza-ma-Dill, this is a classic Seussian crowd-pleaser. In fact, one of Gerald's creatures has even become a part of the language: the Nerd!

Cassell's Dictionary of Slang Jonathon Green,2005 With its unparalleled coverage of English slang of all types (from 18th-century cant to contemporary gay slang), and its

uncluttered editorial apparatus, Cassell's Dictionary of Slang was warmly received when its first edition appeared in 1998. 'Brilliant.' said Mark Lawson on BBC2's The Late Review; 'This is a terrific piece of work - learned, entertaining, funny, stimulating' said Jonathan Meades in The Evening Standard. But now the world's best single-volume dictionary of English slang is about to get even better. Jonathon Green has spent the last seven years on a vast project: to research in depth the English slang vocabulary and to hunt down and record written instances of the use of as many slang words as possible. This has entailed trawling through more than 4000 books - plus song lyrics, TV and movie scripts, and many newspapers and magazines - for relevant material. The research has thrown up some fascinating results

PRAISE FOR ERIC JAMES STONE: The author creates a clever plot and characters worth rooting for, all leading to an exciting climax. - Brit Marschalk, Tangent Online Stone explores many themes: the nature of life, magic versus technology, magic as technology, moral dilemmas, and self-sacrifice being only a few. - Scott M. Sandridge, The Fix This wonderfully written science fiction story deftly pulls off laugh after laugh while also illuminating critical issues surrounding science, religion, culture, and, most importantly, what exactly is that thing we call truth. - Jason Sanford, storySouth Eric James Stone manages to combine religion and science in an entertaining, well-plotted tale that doesn't come off as overly preachy. - Rena Hawkins, Tangent Online This collection was originally published by Paper Golem. The New Partridge Dictionary of Slang and Unconventional English Tom Dalzell, Terry Victor, 2015-06-26
Booklist Top of the List Reference Source The heir and successor to Eric Partridge's brilliant magnum opus, *The Dictionary of Slang and Unconventional English*, this two-volume *New Partridge Dictionary of Slang and Unconventional English* is the definitive record of post WWII slang. Containing over 60,000 entries, this new edition of the authoritative work on slang details the slang and unconventional English of the English-speaking world since 1945, and through the first decade of the new millennium, with the same thorough, intense, and lively scholarship that characterized Partridge's own work. Unique, exciting and, at times, hilariously shocking, key features include: unprecedented coverage of World English, with equal prominence given to American and British English slang, and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland, and the Caribbean emphasis on post-World War II slang and unconventional English published sources given for each entry, often including an early or significant example of the term's use in print. hundreds of thousands of citations from popular literature, newspapers, magazines, movies, and songs illustrating usage of the headwords dating information for each headword in the tradition of Partridge, commentary on the term's origins and meaning New to this edition: A new preface noting slang trends of the last five years Over 1,000 new entries from the US, UK and Australia New terms from the language of social networking Many entries now revised to include new dating, new citations from written sources and new glosses *The New Partridge Dictionary of Slang and Unconventional English* is a spectacular resource infused with humour and learning – it's rude, it's delightful, and it's

a prize for anyone with a love of language.

Brucelli and the Old Professor Dave Defehr,2021-05-03 Brucelli and the Old Professor: Anatomy

of a Miracle is a story of a dedicated couple, a classic blunder, and redemption set in a world of less than honorable legal professionals who become enwrapped in a baseball controversy. With a flick of the tongue, friction occurs, and the verbal spark leaps from alarm to tinder. The seemingly insignificant extinguishable verbal gaffe starts to grow. Fueled by mean-spirited antagonists and pervasive hot air, the unwise avowal escalates into a fully-fledged fire. Eventually, it consumes the initiator of the spark. On October 28, 2004, at 9:46 a.m., eastern daylight time, a living legal allstar comes close to committing occupational suicide. This novel is a combination of courage and integrity, overcoming the intimidation of an icon and his brainless followers. Although a baseball issue promulgates the plot, Brucelli and the Old Professor: Anatomy of a Miracle is not a sports novel per se.
