My First Mr Men Lift-The-Flap Egmont Publishing Egmont Publishing UK,2017-06-01 Mr Nosey just can't help poking his nose into everyone's business. If you're a little bit noseey too come and be noseey with Mr Nosey.

Open the flaps to find out who lives in two very strange houses, peep into trees, spy behind doors and even find out what your favourite Mr Men have for lunch! The Mr Men and Little Miss have been delighting children for generations with their charming and funny antics. Bold illustrations and funny stories make Mr Men and Little Miss the perfect story time experience for children aged two up. Have you met them all? It all started with a tickle. Roger Hargreaves' son Adam asked him what a tickle looked like. In response, Roger drew a small orange man with extraordinarily long arms that could reach anywhere and tickle anyone. Mr Tickle, the first of the Mr Men, was born. Mr Tickle was soon joined by Mr. Greedy, Mr. Happy, Mr. Nosey, Mr Sneeze and Mr Bump. When the first Mr Men books were published they became an instant hit. Roger went on to create many more Mr Men and Little Miss characters. What Roger really wanted was to make children laugh, which is probably why his own favourite character is Mr Silly.

The Last Chairlift John Irving,2022-10-18 John Irving’s fifteenth novel is “powerfully cinematic” (The Washington Post) and “eminently readable” (The Boston Globe). The Last Chairlift is part ghost story, part love story, spanning eight decades of sexual politics. In Aspen, Colorado, in 1941, Rachel Brewster is a slalom skier at the National Downhill and Slalom Championships. Little Ray, as she is called, finishes nowhere near the podium, but she manages to get pregnant. Back home, in New England, Little Ray becomes a ski instructor. Her son, Adam, grows up in a family that defies conventions and evades questions concerning the eventful past. Years later, looking for answers, he will go to Aspen. In the Hotel Jerome, where he was conceived, Adam will meet some ghosts; in The Last Chairlift, they aren’t the first or last ghosts he sees. John Irving has written some of the most acclaimed books of our time—among them, The World According to Garp and The Cider House Rules. A visionary voice on the subject of sexual tolerance, Irving is a bard of alternative families. In the “generously intertextual” (The New York Times) The Last Chairlift, readers will once more be in his thrall.

Lift for Principals Walter Peddy,2022-05-17 “A common-sense approach to combining the right amount of love and accountability to lift people and organizations to new heights.” —Jon Gordon, eleven-time bestselling author of The Power of Positive Leadership and The Energy Bus What does it take to impact change? What tools and techniques can principals employ to maximize student achievement? Walter Peddy’s Lift for Principals is a guide that supports educational leaders in the mission to impact the world student by student, teacher by teacher. Through its parable story of Colby, principal of a struggling school, whose personal origins were supported through his grandfather who raised him, Lift offers insight and inspiration to those in the educational field. Colby’s lessons teach him how to care, coach others, and have courage through difficult moments. Applying the parable of Colby to leadership principles, Peddy offers an in-depth guide to leadership methods, and equips readers with the tools, techniques, and decision-making strategies needed to lift their organization and personal leadership skills from good to great. “When Dr. Peddy talks about ‘lifting’ he is talking about caring, coaching, and having the courage necessary to help people be the best they can be. Anybody that has a team needs to read this book and learn how to ‘lift’ using the 3Cs!” —Damon West, keynote speaker and bestselling author of The Coffee Bean
