Dialect, Culture, and Society in Eastern Arabia, Volume 1 Glossary Clive Holes,2021-06-09 Dialect, Culture, and Society in Eastern Arabia, Volume I, Glossary is a comprehensive vocabulary of the 'uneducated' Bahraini Arabic dialects, drawn from a data-base of hundreds of hours of natural conversation gathered in the mid-1970s.

Casting Forward Steve Ramirez,2020-11-01 In Casting Forward, naturalist, educator, and writer Steve Ramirez takes the reader on a yearlong journey fly fishing all of the major rivers of the Texas Hill Country. This is a story of the resilience of nature and the best of human nature. It is the story of a living, breathing place where the footprints of dinosaurs, conquistadors, and Comanches have mingled just beneath the clear spring-fed waters. This book is an impassioned plea for the survival of this landscape and its biodiversity, and for a new ethic in how we treat fish, nature, and each other.

C.B.S. The Chucklehead Broadcasting System Louis A. Coppola,2008-01-09 Here's the scoop, pilgrim. Broadcast gossip from the other side of the window. C.B.S is a fictional insider's look at broadcasting through the eyes of a maverick radio technician who has worked with the top media honchos from the '50's to the '90's. An ersatz story from an airhead who developed into an astute observer of people's characteristics and the demise of the Fourth Estate, Louis A. Coppola seasons his journal with humor and street philosophy: News is nothin' but the glorification of insignificance. In this fictional autobiographical journey readers are transported from Hawaii to Hollywood to Disneyland, then on to the Big Apple and Big City broadcast journalism- a symphony of off-key characters full of diminuendos and crescendos. There's Uncle Woolly Crankcase, Sue Clueless, Wally Aces, news editor RoundyTurkel, Chink and Cholly, technicians Jalandzo, the Commander, and the stentorian announcer Devious Septum.

The Doctor's Dog Richard F. Venti,2007-06 Dean Cello is not your typical PI. At 31 he isn't divorced, alcoholic, or even all that cynical. A suburban doctor retains his services to find Sir Cedric of Winchester--a lost champion Airedale--and the case of the missing dog soon turns into a case of murder. Despite warnings from the state police, Dean feels compelled to investigate.

Snakes! Guillotines! Electric Chairs! My Adventures in the Alice Cooper Band Dennis Dunaway,Chris Hodenfield,2015-06-15 When Alice Cooper became the stuff of legend in the early '70s, their shows were monuments of fun and invention. Riding on a string of hits like I'm 18 and School's Out, they became America's highest-grossing act, producing four platinum albums and hitting number one on the U.S. and U.K. charts with Billion Dollar Babies in 1973. As teenagers in Phoenix, Dennis Dunaway and lead singer Vince Furnier, who would later change his name to Alice Cooper, formed a hard-knuckles band that played prisons, cowboy bars and teen clubs. Their journey took them from Hollywood to the ferocious Detroit music scene. From struggling for recognition to topping the charts, the Alice Cooper group was entertaining, outrageous, and one-of-a-kind. Dennis Dunaway, the bassist and co-songwriter for the band, tells a story just as over-the-top crazy as their (in)famous shows. Snakes! Guillotines! Electric Chairs! is the riveting account of the band's creation in the '60s, strange glory in the '70s, and the legendary characters they met along the way.

Poems Are My Love Myles W. Wallace,2014-02 This book is about poetry. Poetry regarding how it affected and continues to affect my life through working, church, family, and living.

Poems of My Life Myles W. Wallace,2013-06 These God-inspired poems were written while Myles traveled locally, nationally, and internationally as a field engineer. Myles learned that education is invaluable for advancing in society. At the age of eight, Myles's third-grade teacher inspired him to read books. By the time he was nine, he had read three hundred books, many of them were poetry books. Through poetry, he is able to express his deep feelings about humankind. Myles enjoys meeting and conversing with people of all ages, genders, and cultures. He continues to seek knowledge. Of the many poems Myles has written, he does not have a favorite. He loves them all. Reading and writing poetry are still two of Myles's favorite activities. Thank you for purchasing this book. Please enjoy it. Sybil C. Wallace

My First Music Book (To Color and Play) Betty Glasscock,Jay Stewart,David Carr Glover, My First Music Book introduces some of the most basic elements of music. This book includes illustrations to color.

Fade to Blue Sean Beaudoin,2009-08-01 Sophie Blue started wearing a black skirt and Midnight Noir lipstick on her last birthday. It was also the day her father disappeared. Or spontaneously combusted. Which is sort of bad timing, since a Popsicle truck with tinted windows has started circling the house. Kenny Fade is a basketball god. His sneakers cost more than his Jeep. He's the guy all the ladies (and their mommas) want. Bad. Sophie Blue and Kenny Fade don't have a thing in common. Aside from being reasonably sure they're losing their minds. Acclaimed author Sean Beaudoin's wildly innovative novel combines uproarious humor with enough plot twists to fill a tube sock. Part thriller, part darkly comic philosophical discussion, and accompanied by a comic book interstitial, Fade to Blue is a whip-smart romp that keeps readers guessing until the last paragraph.

Boom Boom the Bass Drum and the Beatles Michael Welch,2018-04-09 I'm Michael Welch, author-drummer and creator of Boom Boom the Bass Drum. This is book number 7 in the Boom Boom series. I created this for educators/moms and dads as a launching pad for them to introduce learners to the music of The Beatles. I created the story from the February 9th, 1964 appearance of The Beatles on the Ed Sullivan Show. There are (10) Illustrations that accompany the story. Kids love coloring these in my classrooms. They love hearing this music (not included) you can play from your own favorite Beatles tunes. Please check out the other Boom Boom books. Best regards, MW This is my story from the book, enjoy. Boom Boom and The Beatles Once upon a time, way back in 1964, I was the orchestra conductor of a television show. This was the most popular TV show in America on Sunday night. The host name was Ed, Ed Sullivan. He was quite a character. In 1964, American kids and teenagers were listening to this new music from England. Tommy Thomas was the drummer on the gig. He said you could hardly get to the theatre because there were so many kids in the street trying to get tickets to the show. He'd never seen this before. Kids were everywhere. He could hardly get to the stage door. When the curtains opened, I watched and listened from down in the orchestra pit to this 4-piece band from England. They were playing through these monster electric amplifiers. These guys were really funny looking with their mopped top long haircuts. The drummer was on a riser. On his bass drum, it said 'The Beatles. When they played during sound check, they were great. They could really sing and play their guitars and drums. It was louder than anything I'd ever heard, but really fantastic. During our break, before the live TV broadcast, I heard them talking to Ed with this unusual accent. They were very polite and professional. Their names were John, Paul, George and Ringo the drummer. When the show started, the kids couldn't wait to see and hear this band called The Beatles. It was wild and very loud. When he announced The Beatles were going to play for the first time on American TV, the kids started screaming. The Beatles were finally on stage playing their music to America. It was an amazing Sunday night. I remember the date, Sunday, February 9th, 1964. Black Postcards Dean Wareham,2009-05-05 A bewitching memoir about the lures, torments, and rewards of making and performing music in the indie rock world Dean Wareham's seminal bands Galaxie 500 and Luna have long been adored by a devoted cult following and extolled by rock critics. Now he brings us the blunt, heartbreaking, and wickedly charismatic account of his personal journey through the music world-the artistry and the hustle, the effortless success and the high living, as well as the bitter pills and self-inflicted wounds. It captures, unsparingly, what has happened to the entire ecosystem of popular music over a time of radical change, when categories such as indie and alternative meant nothing to those creating the music, but everything to the major labels willing to pay for it. Black Postcards is a must-have for Wareham's many fans, anyone who has ever been in a band, or the listeners who have taken an interest in the indie rock scene over the last twenty years.
