A Love That Defies Death Kat Barrett,2015-08-01 Aria Bastion is aging without the power of Keir's love. Jace has become her keeper, but he can do nothing to offset the foreseeable death in her future. When nineteen-year-old sorcerer Lanier Storm walks into their lives, he may be the key to give Aria and Jace a new future. Lanier's young body holds a secret that Aria and Jace are the last to discover. Can he overcome his own insecurity to find a place in the lives of the two highest powers Jasta has ever known? When the power again calls strife into their lives, can Jace and Lanier work together to save Aria's body and mind, or will the dark claws of death sink their talons into her after all?

Learning to Live with the Bomb Naeem Salik,2017 This book is a history of the evolution of Pakistan's nuclear weapons management system, including its nuclear doctrine and the measures in place to secure and safeguard them. This work highlights the elements that went into the formulation of Pakistan's nuclear policy. The book's great significance lies in the fact that it tackles the little known subject of nuclear learning most comprehensively in all its dimensions. With great clarity and balance, the author clearly highlights the discernible aspects of Pakistan's learning experience and establishes beyond doubt that Pakistan has learnt from crises events and has evolved into a responsible nuclear weapons state with effective command, control, and custodial arrangements in place.
