*MRM User Feedback* Mandar Rane, Mumbai Rail Map is designed as a 'you are here map as well as a portable print map. Maps are excellent in clarifying the mental model\* of a novice commuter who is anxious about his travel. Once the mental model is clarified the use of a map reduces unless a new information need arises\*\*. Therefore maps are products of infrequent use. Whenever a query arises, the map should provide the answer. If the map is not usable then people might prefer to ask someone. So the design of the map must be user-friendly and self-evident. Unless everybody (especially children) is taught to read maps at a national level, the anxiety towards map-reading and accessing information will persist. Our study found that with a little training (about search based on alphabetical order and grid), people's ability to comprehend and use the MRM improved drastically.

The Salaryman's Wife Sujata Massey, 2013-10-01 Winner of the Agatha Award. Sujata Massey blasts her way into fiction with *The Salaryman's Wife*, a cross-cultural mystery of manners with a

decidedly sexy edge.-- Janet Evanovich Japanese-American Rei Shimura is a 27-year-old English teacher living in one of Tokyo's seediest neighborhoods. She doesn't make much money, but she wouldn't go back home to California even if she had a free ticket (which, thanks to her parents, she does.) She's determined to make it on her own. Her independence is threatened however, when a getaway to an ancient castle town is marred by murder. Rei is the first to find the beautiful wife of a high-powered businessman, dead in the snow. Taking charge, as usual, Rei searches for clues by crashing a funeral, posing as a bar-girl, and somehow ending up pursued by police and paparazzi alike. In the meantime, she attempts to piece together a strange, ever-changing puzzle—one that is built on lies and held together by years of sex and deception. The first installment in the Rei Shimura series, *The Salaryman's Wife* is a riveting tale of death, love, and sex, told in a unique cross-cultural voice.

All information presented made it there under one simple criterion: if it makes you fall in love with the city, it is included in this book; otherwise it's out. Each book is divided into various sections such as: Musts; Delicious; Fabulous; Gorgeous; Adventurous; Wildly Adventurous; Essential; and Share With Love. Completely hand-

made, each guide is lovingly bound using old Indian paper making techniques and covered with khadi, the fabric of India's independence. Truly unique in its presentation and style, these are beautifully presented guides for the independent-minded traveller with time to spare and money to spend.
