*A Mother's Comfort* Melissa Heiland,2014-10-07 A weekly devotional for new moms Written for a mother during her baby's first year, A Mother's Comfort will serve as a special reminder of these days as she grows closer to her child and her heavenly Father. Fifty-two devotions speak specifically to a new mother's heart, with Scripture passages that teach and remind her that just as she loves and comforts her child, she has a heavenly Father who loves and comforts her. Each week's devotion also includes a journal prompt and space to reflect and record thoughts, prayers, and dreams. For the courageous women who choose to give life to their children—sometimes despite overwhelming odds—this book is here to remind them that God is their defender and provider. Each week as you watch your baby grow and develop into the person God created and loves, let the Lord encourage you as you read his Word. Melissa Heiland is a wife and mother of six. She has been planting and training pregnancy care centers around the world since 1994.

When you enlist in the United States military, you don't just sign up for duty; you also commit your loved ones to lives of service all their own. No one knows this better than Elaine Brye, an Army brat turned military wife and the mother of four officers-one each in the Army, Navy, Air Force, and Marine Corps. For more than a decade she's endured countless teary goodbyes, empty chairs at Thanksgiving dinners, and sleepless hours waiting for phone calls in the night. **Through the Waters** Elissa Gibbs,2020-11-15 An easy-to-approach resource for new moms who are navigating that challenging postpartum phase. I love love love this book. It's where a devotional meets journal. While it's marketed towards newer moms facing postpartum situations, it really relates to all moms. I'm almost three year's postpartum and while I wish this book was available when I had my child, it's equally relatable now! I love the insight, scripture, writing prompts and being able to interact with the content. - Amazon Customer No one really talks about the scary, difficult, unnerving moments that come in those first few days, weeks, or months after having your baby. Yet, up to 15% of new moms experience postpartum depression. For some women, those baby blues turn into depression and anxiety that can last for months. For others, the pressure of being a new mom is too much to handle and the thought of making it through that difficult time seems impossible. *Through The Waters: Moments of Comfort for the Postpartum Mom* provides time for moms to find peace and comfort in those postpartum days, weeks, and months. A combination of scripture, reflective journaling, and restorative activities, this book will help you to put your thoughts and feelings on paper so that you can better understand what you're going through and seek the help you need and deserve to receive. In this book, you will find: My story - I share my struggle with postpartum depression and anxiety so that other moms know that they're not alone in their experience and that what they're thinking/feeling is more common than we think Thoughtfully curated scripture to inspire peace, calm, and reassurance Reflective journaling to help get thoughts out of your head, down on paper, and available for conversations with those in your circle (spouse, family, friends, therapists, etc.) Restorative activities to help get out of the funk, get your body moving, and your brain working in a positive way (there are free guides for each activity on my website at [www.elissagibbs.com](http://www.elissagibbs.com)) Whether you're struggling with postpartum depression or anxiety, or just struggling to navigate being a mom for the first time, this book is for you. Whether you're a believer, far from God, or a nonbeliever, this book is for you. Scripture has a way of bringing hope, peace, and calm in those very dark moments. If you're the spouse, significant other, family member, or friend, this book is a great gift for that new mom so she can focus on herself, even if for a few minutes a day.

**Too Close for Comfort?** Linda Perlman Gordon,Susan Shaffer,2009-09-01 A fascinating look at how mothers and their adult daughters have formed a greater friendship than generations past?and whether or not their should be boundaries. No relationship is more complicated than the one between mothers and daughters? especially today, when a cultural shift can cause a longer period of time of overlapping interests before the traditional adult markers of marriage and family. As a result, these young women are developing deeper bonds with their own mothers, a relationship that sometimes mimics friendship. But are these close bonds healthy? Is it time to cut the umbilical cord? In this eye-opening book, Linda Perlman Gordon and Susan Morris Shaffer explore the modern mother-daughter relationship in all its glorious complexity. Combining a brilliant sociological analysis with fascinating stories of real- life women, *Too Close for Comfort?* provides a rich, provocative look at the ways mothers and daughters get it right, how they get it wrong?and how they can happily maintain being friends as well as mothers and daughters.
