Gilli Moon

Earth's Wild Music Kathleen Dean

Moore, 2022-02-22 At once joyous and somber, this thoughtful gathering of new and selected essays spans Kathleen Dean Moore's distinguished career as a tireless advocate for environmental activism in the face of climate change. In this meditation on the music of the natural world, Moore celebrates the call of loons, howl of wolves, bellow of whales, laughter of children, and shriek of frogs, even as she warns of the threats against them. Each group of essays moves, as Moore herself has been moved, from celebration to lamentation to bewilderment and finally to the determination to act in defense of wild songs and the creatures who sing them. Music is the shivering urgency and exuberance of life ongoing. In a time of terrible silencing, Moore asks, who will forgive us if we do not save nature's songs?

Introduction to YouTube Music Gilad James, PhD, YouTube Music is an on-demand, streaming music service launched by Google in 2015. Available across multiple devices including desktop, mobile and smart speakers, YouTube Music has become a popular platform for discovering new songs, creating playlists and accessing music from around the world. With an extensive catalogue of songs and curated playlists, YouTube Music is a versatile platform that allows users to stream music, watch music videos and even download tracks for offline listening. Designed to be user-friendly and accessible, YouTube Music uses artificial intelligence to learn what music people like and recommend similar tracks based on their

listening history. Subscribers can access official music videos, live performances, remixes, and cover songs, making it a one-stop-shop for music enthusiasts. The platform also offers personalized playlists based on the time of day and mood, such as “Wake up Happy” or “Chill Out.” To enhance the listening experience, YouTube Music also has a feature called “Smart Downloads,” which automatically downloads recommended songs and videos when the device is connected to Wi-Fi. Overall, YouTube Music is an excellent platform for discovering new music, staying up-to-date with the latest releases and creating personalized playlists for all occasions.

The Last Lecture Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation

of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

The Musician's Business and Legal Guide, Fifth Edition Mark Halloran, 2017-03-16 The Musician's Business and Legal Guide provides vital information to help demystify the music business and the complex body of law that shapes it. This book answers such questions as how to protect name and copyright; what is and is not legal about sampling; what are the legal issues surrounding digital downloads and streaming; what are the jobs of managers, talent agents and publishers; what are common contractual relationship between independent and major labels. The new edition includes chapters not covered in depth by other books: social media law, TV talent shows, YouTube, and international copyright. As in previous editions, the book features clause-by-clause contract analyses for 360 record deals, music publishing, management, and producer agreements.

I Live in Music Ntozake Shange, Romare Bearden, 1994 Shange's lyrical poem is a tribute to the language of music and the magical, often mystical, rhythms that connect people. Music defines who we are as individuals, the places where we live, and how we exist within our communities. Music is life. Written in a syncopated style that has its own melody, the poem is perfectly married to twenty-one extraordinary and diverse works from Romare Bearden who once said, I paint in the tradition of the blues. Here is a unique and visionary book that speaks, indeed sings, to both children and adults and is, at once, compelling, profound, and entertaining.

EB00K: Marketing: The Core KERIN, 2017-01-26
EB00K: Marketing: The Core

Managing Your Band - Sixth Edition Stephen Marcone, David Philp, 2017-06-01 (Book). Making it in music has never been easy, but today it's harder than ever before. The digital age has dawned and, with it, the music biz has wholly merged with the entertainment industry. Up-and-comers are immediately faced with a dire choice: alter your art to appease the powers that be or learn to navigate the notoriously grimy underside

of the most glamorous profession in the world. Whether you're a self-reliant DIY musician or an aspiring personal manager, Stephen Marcone and David Philp's *Managing Your Band Artist Management: The Ultimate Responsibility* can help you keep your shirt and maybe just maybe make a buck, all for less than the price of a decent dinner. Now in its sixth edition, *Managing Your Band* has long since been the standard bearer for aspirants and hardened vets alike. From dive bars to festivals, from branding and merchandising to marketing and publicity, from publishing and licensing to rights and contracts, Marcone and Philp leave no stone unturned in this comprehensive guide to artist management. A lofty claim, eh? No need to take our word for it: luminaries in every corner of the industry are willing to testify. To put it mildly, the book has a reputation with record labels. John Butler, Vice President of Promotion at Curb, believes that Marcone and Philp take on our ever-changing business with a fresh and complete approach. The breadth of information here is as important to veterans as it is to the new entrepreneurs that will power the current and next versions of the music industry. Paul Sinclair, the EVP of Digital Strategy & Innovation at Atlantic, attests that the 6th edition of *Managing Your Band* provides an excellent blueprint to follow paths of flexibility and specificity toward a successful career in music. In this book, you find the framework. Implement it well and you have a better shot of finding success with your musical art. Joe Riccitelli, the EVP/GM of RCA, considers the book

a must for new and established managers who may need a brush-up on topics they have forgotten, as Stephen's & David's vast experience pays off in the 6th edition. Hell, this is the only book music mogul Harvey Leeds took to Israel to teach the Israelis about the international music and entertainment business! In the end, we think Doc McGhee, the man who whisked Bon Jovi and Motley Crue to superstardom, says it best: I wish I had something like this when I was starting out! What more can we say? Pick up the latest edition of *Managing Your Band* and chase that wild dream!

The 360 Degree Songwriter Gilli Moon, 2015-10-30
There is a song; and there is a Hit Song. Which one do you want to write? Are you a Hit Song Maker? This book analyzes what is a "Hit Song", covering my Hit Song Recipe - a collection of special ingredients that makes up the "Hit Song" sauce. This analysis will help you as a songwriter gain a clearer path on how to write a "Hit" song and why you should at least write one for your catalog. Who knows, once you get hooked, you may realize that all your songs can be Hits! But songs aren't Hits just in the writing. This book focuses not just on songs, but you as the songwriter. This is where my coined phrase, "the 360° (Degree) Songwriter" comes into play. You'll discover the mindset you need in order to write the Hit songs, deliver them to the ears and minds, and jettison them, and you, towards success. You'll also receive tips on marketing, branding and networking in the music business, including an in-depth chapter on licensing and publishing your songs. By the end of this book, you'll have your Writing

Recipe book, and you'll be able to determine whether you're up to playing the music business game to succeed as a professional, consummate, 360^o Songwriter. Through my carefully crafted strategies, you'll give your SONG the BEST SHOT. Actually, a SLAM DUNK.

The Alliance Reid Hoffman, Ben Casnocha, Chris Yeh, 2014-07-08 The New York Times Bestselling guide for managers and executives. Introducing the new, realistic loyalty pact between employer and employee. The employer-employee relationship is

broken, and managers face a seemingly impossible dilemma: the old model of guaranteed long-term employment no longer works in a business environment defined by continuous change, but neither does a system in which every employee acts like a free agent. The solution? Stop thinking of employees as either family or as free agents. Think of them instead as allies. As a manager you want your employees to help transform the company for the future. And your employees want the company to help transform their careers for the long term. But this win-win scenario will happen only if both sides trust each other enough to commit to mutual investment and mutual benefit. Sadly, trust in the business world is hovering at an all-time low. We can rebuild that lost trust with straight talk that recognizes the realities of the modern economy. So, paradoxically, the alliance begins with managers acknowledging that great employees might leave the company, and with employees being honest about their own career aspirations. By putting this new alliance at the heart of your talent management strategy, you'll not only bring back trust, you'll be able to recruit and retain the entrepreneurial individuals you need to adapt to a fast-changing world. These individuals, flexible, creative, and with a bias toward action, thrive when they're on a specific "tour of duty"—when they have a mission that's mutually beneficial to employee and company that can be completed in a realistic period of time. Coauthored by the founder of LinkedIn, this bold but practical guide for managers and executives will give you the tools you need to recruit,

manage, and retain the kind of employees who will make your company thrive in today's world of constant innovation and fast-paced change.
