Stuff You Should Know Josh Clark, Chuck Bryant, 2020-11-24 From the duo behind the massively successful and award-winning podcast Stuff You Should Know comes an unexpected look at things you thought you knew. Josh Clark and Chuck Bryant started the podcast Stuff You Should Know back in 2008 because they were curious—curious about the world around them, curious about what they might have missed in their formal educations, and curious to dig deeper on stuff they thought they understood. As it turns out, they aren't the only curious ones. They've since amassed a rabid fan base, making Stuff You Should Know one of the most popular podcasts in the world. Armed with their inquisitive natures and a passion for sharing, they uncover the weird, fascinating, delightful, or unexpected elements of a wide variety of topics. The pair have now taken their near-boundless whys and hows from your earbuds to the pages of a book for the first time—featuring a completely new array of subjects that they've long wondered about and wanted to explore. Each chapter is further embellished with snappy visual material to allow for rabbit-hole tangents and digressions—including charts, illustrations, sidebars, and footnotes. Follow along as the two dig into the underlying stories of everything from the origin of Murphy beds, to the history of facial hair, to the psychology of being lost. Have you ever wondered about the world around you, and wished to see the magic in everyday things? Come get curious with Stuff You Should Know. With Josh and Chuck as your guide, there's something interesting about everything (...except maybe jackhammers).

Woman Evolve Sarah Jakes Roberts, 2021-04-06 A New York Times bestseller! With life lessons she's learned and new insights from the story of Eve, Sarah Jakes Roberts shows you how past disappointments, struggles, and even mistakes can be used today to help you become the woman God intended. Who would imagine being friends with Eve—the woman who's been held responsible for the fall of humanity (and cramps) for thousands of years? Certainly not Sarah Jakes Roberts. That is, not until Sarah discovered she is more like Eve than she cares to admit. Everyone faces trials, and everyone will mess up. But failure should not be the focus. Your focus should not be on who you were but rather the pursuit of who you can become. In Woman Evolve, Sarah helps you understand that your purpose in life does not change; it evolves. Making her mistake in the Garden of Eden, Eve became the first woman to deal with rebuilding her life in the aftermath of her past. Eve knew better, but she didn't do better. With scriptural lessons, Eve as the framework, and Sarah as your guide you will discover and work through: Past issues and insecurities that haunt you Seeing yourself as God sees you and trusting Him with who you really are How to come out of darkness and pursue a real relationship with God Why

it’s important to truly care for yourself Setting in motion the beautiful seed that God planted in you Your fears and insecurities may have changed how you viewed God, others, and yourself, but in Woman Evolve, you can break through and use past mistakes to revolutionize your life. Like Eve, you don’t have to live your future defined by your past.

Life Will Be the Death of Me Chelsea Handler,2020-06-23 #1 NEW YORK TIMES BESTSELLER • “This will be one of your favorite books of all time. Through her intensely vulnerable, honest, and hilarious reflections, Chelsea shows us more than just her insides. She shows us ourselves.”—Amy Schumer Don’t miss Chelsea Handler’s new Netflix stand-up special, Revolution, now streaming! In the wake of President Donald Trump’s election, feeling that her country—her life—has become unrecognizable, Chelsea Handler has an awakening. Fed up with the privileged bubble she’s lived in, she decides it’s time to make some changes. She embarks on a year of self-sufficiency and goes into therapy, prepared to do the heavy lifting required to make sense of a childhood that ended abruptly with the death of her brother. She meets her match in an earnest, nerdy shrink who dissects her anger and gets her to confront her fear of intimacy. Out in the world, she channels her outrage into social action and finds her voice as an advocate for change. With the love and support of an eccentric cast of friends, assistants, family members (alive and dead), and a pair of emotionally withholding rescue dogs, Chelsea digs deep into the trauma that shaped her inimitable worldview and unearths some glittering truths that light up the road ahead. Thrillingly honest and insightful, Chelsea Handler’s darkly comic memoir is also a clever and sly work of inspiration that gets us to ask ourselves what really matters in our own lives.
