Digital Transformation in The Recording Industry Anna Anetta Janowska, 2023-12-13 The recording industry has famously been transformed by technology throughout its entire history. The book presents an analysis of these changes using Porter's five forces model. The author highlights the evolution of buyers' and suppliers' power, the emergence of new competitors, product innovation and rivalry between companies in the industry driven by economic, political, social and legal factors. As an early mover in the social diffusion of copyright-sensitive content, the recording industry reflected in this book serves as an important reference for the analysis of other cultural and creative sectors.

Introduction to YouTube Premium Gilad James, PhD, YouTube Premium is a paid subscription service offered by YouTube. The service offers several features, including ad-free viewing, background play, and the ability to download videos for offline viewing. You Have Not Yet Heard Your Favourite Song Glenn McDonald, 2024-06-20 From former Spotify's 'Data Alchemist' comes a comprehensive guide to music's digital revolution. Starting with the 1990s days of vinyl and CDs and moving quickly to the explosion of new technology in the 2000s, and then onto the rapidly changing soundscape of the 2020s, YOU HAVE NOT YET HEARD YOUR FAVOURITE SONG is a fast-paced, factual look at: * How streaming has changed the musical landscape for all global music genres, from rap to punk to jazz * How people worldwide listen differently and what type of songs and artists are popular in each country * How music gets onto the streaming platforms, and what platforms like Spotify know about you as a listener * How Spotify and rivals reward artists and the record companies and the lengths some musicians go to to game the algorithm * How to exploit the fact that pretty much every song ever recorded is available now, at the touch of the button - and discover new music. (Statistically, you have not yet heard your favourite song...). With 10 free exploratory playlists downloadable by QR code

iPads® in the Library Joel A. Nichols, 2013-06-13 Looking for a programming guide for computer tablet use in the library setting? This book provides detailed plans and instructions with specific literacy goals for child, teen, and adult audiences—exactly what librarians seeking to integrate iPad and other tablet use into their programs need. Tablet computers are fast becoming a ubiquitous technology. These devices also represent a unique opportunity for librarians and teachers because they are relatively affordable, easy to configure and maintain, and highly adaptable. Written by a practicing digital literacy instruction librarian who is also a trained children's librarian, this book offers 50 practical programming scenarios that librarians can use to integrate iPads or other tablet devices into their programming, offering different plans for toddlers and pre-K child, school-aged patrons, teenagers, adults, and even seniors. The plans provide easy-to-follow, step-by-step instructions and are designed to be easily adaptable to serve specific audiences. The book serves as a unique resource that helps librarians address digital literacy and bridge the digital divide by focusing on—and catering to—the needs of many age groups. Author Joel A. Nichols also provides annotated lists of apps that present librarians new to tablet computing simple and effective ways of integrating an iPad into their programs.

Txt Me B. Bonin Bough, 2016-08-16 What's bigger than the internet? Putting it in every pocket, and in every purse. This changes everything, in ways we are only beginning to understand. Mobile devices have become staples of daily life, and our nonstop use of them has changed society . . . forever. In *Txt Me*, B. Bonin Bough, one of the world's leaders in digital marketing, explores the exciting impact and future implications of mobile devices and digital communication on individuals, companies, and society. Including insights from the minds behind Coca-Cola, Conde Nast, NASCAR, and Twitter, Bough breaks down the often counterintuitive ways mobile devices and digital data are reshaping the way we experience, consume, and think, including: Why consumers now have more control of their shopping and spending How mobile phones have actually rescued language Why parents—not kids—should put down their phones How our relationship with politicians has evolved—and improved Why cell phones have improved our interaction with our surroundings—not hindered it How mobile devices are enabling us to better monitor, and enhance, our personal health *Txt Me* is a fascinating, funny, entertaining exploration of how our mobile society is changing the way we are behaving, reacting, thinking, learning, parenting, dating, having sex, eating, worshiping, exercising, and buying. It will challenge, surprise, provoke, and inspire you. Yes, the number on the cover is real. Text B. Bonin Bough at (646-759-1837) with your answers to any of the questions called out throughout the book. He will text back with his thoughts. Just remember to include the hashtag of the question you're answering in each text! Participating in the *Txt Me* experience may unlock exclusive deals and special offers. As your contribution is most important, please keep in mind that standard carrier rates regarding SMS or data may apply, and you can opt out whenever you wish by texting Stop.
