**SDI and the Alternatives** Simon P. Worden,2008-02 The controversial nat. debate over strategic defense has been overshadowed by other nat. & global issues. Research programs for the Strategic Defense Initiative (SDI) continue, however, & the debate is likely to resume as visible results of that research begin to compete for a share of the nation's budget. This study considers strategic defense in the context of 4 competing strategic theories: deterrence through mutual assured destruction; deterrence through nuclear warfighting; deterrence relying on non-nuclear defense; & disarmament. Non-nuclear, space-based defense is not only feasible, but in some ways preferable to reliance on weapons of mass destruction. To support his case, he outlines a proposed actual system. Illus.
