Saved by a Song Mary Gauthier, 2021-07-06 A handbook for compassion... a Must-Read Music Book.” –Rolling Stone Country Generous and big-hearted, Gauthier has stories to tell and worthwhile advice to share. –Wally Lamb, author of I Know This Much Is True Gauthier has an uncanny ability to combine songwriting craft with a seeker’s vulnerability and a sage’s wisdom.” –Amy Ray, Indigo Girls From the Grammy nominated folk singer and songwriter, an inspiring exploration of creativity and the redemptive power of song Mary Gauthier was twelve years old when she was given her Aunt Jenny’s old guitar and taught herself to play with a Mel Bay basic guitar workbook. Music offered her a window to a world where others felt the way she did. Songs became lifelines to her, and she longed to write her own, one day. Then, for a decade, while struggling with addiction, Gauthier put her dream away and her call to songwriting faded. It wasn’t until she got sober and went to an open mic with a friend did she realize that she not only still wanted to write songs, she needed to. Today, Gauthier is a decorated musical artist, with numerous awards and recognition for her songwriting, including a Grammy nomination. In *Saved by a Song*, Mary Gauthier pulls the curtain back on the artistry of songwriting. Part memoir, part philosophy of art, part nuts and bolts of songwriting, her book celebrates the redemptive power of song to inspire and bring seemingly different kinds of people together.

*Hand to Hold* JJ Heller, 2021-07-20 This heartwarming picture book reassures children that a parent’s love never lets go—based on the poignant lyrics of JJ Heller’s beloved lullaby “Hand to Hold.” “May the living light inside you be the compass as you go / May you always know you have my hand to hold.” With delightful illustrations and an engaging rhyme scheme, this book offers the promise of security and love every child’s heart longs to know. From skipping stones and counting stars to climbing trees and telling stories, every moment is wrapped snugly in the certain warmth of a parent’s presence and God’s blessing. With poignancy and joy, this bedtime read captures the

unconditional love parents want their children to know but so often fail to express amid the chaos of daily life.

**Debates for the Digital Age [2 volumes]** Danielle Sarver Coombs,Simon Collister,2015-11-23 By evaluating the Internet's impact on key cultural issues of the day, this book provides a comprehensive overview of the seismic technological and cultural shifts the Internet has created in contemporary society. Books about Internet culture usually focus on the people, places, sites, and memes that constitute the cutting-edge at the time the book is written. That approach, alas, renders such volumes quickly obsolete. This provocative work, on the other hand, focuses on overarching themes that will remain relevant for the long term. The insights it shares will highlight the tremendous impact of the Internet on modern civilization—and individual lives—well after specific players and sites have fallen out of favor. Content is presented in two volumes. The first emphasizes the positive impact of Internet culture—for example, 24-hour access to information, music, books, merchandise, employment opportunities, and even romance. The second discusses the Internet's darker consequences, such as a demand for instant news that often pushes journalists to prioritize being first over being right, online scams, and invasions of privacy that can affect anyone who banks, shops, pays bills, or posts online. Readers of the set will clearly understand how the Internet has revolutionized communications and redefined human interaction, coming away with a unique

appreciation of the realities of today's digital world—for better and for worse.
