Niggers Sing Redemption Songs: Reggae, the Heart-Beat of a People VK Ogilvie,2022-09-18 "Of all the various acts of inequity throughout time, none was more severe than the submission forced upon the indigenous peoples of the earth by their earthly

demi-god counterparts. Robbing these peoples of their God given cultural and traditional knowledge of survival, void of cultural references and alienated from their traditional survival techniques and skills, the indigenous peoples had no other choice than to accept the ways of the earthly demi-gods, which was modernity and that came with many social disadvantages, worst of all, they would become second and third class citizens in a racially divided and dystopic world. The standard procedure was the implementation of acts that were intended to impart the greatest degree of fear, the fear of death and the fear of dying; whatever methods the noble savages thought would break the barbarian savages into submission. All manner of unthinkable acts of atrocity were employed against the indigenous peoples, because the objectives of the earthly demi-gods had to be met, which was to expropriate the lands and natural resources from these savages, these 'uncivilized' people." The work of Niggers Sing Redemption Songs: Reggae, The heart-beat of a people takes aim at reaffirming the psyche and glory of the Black self as of utter importance in our efforts to make our world a better place. The unconscionable disregard for the glory of the Black self and by refusing to use it, has successfully stripped away Black humanity from the Black indigenous peoples' collective consciousness; overall leading to a 'niggerization' process done for the benefits of the barbaric and ignobly self-acclaimed earthly demi-gods. The Black peoples of the world must bring back the 'Black' love of self and all things Black, that is your redemption and then, real life will be given to you. Additionally, what was most evidently conspicuous and surprising was a revelation that had emerged from the research of this study. The study has discovered evidences, which would indicate that because of social biases, for example, racial prejudices, and out-right arrogance, coupled with miss-education and deprecated mindsets, the attitudes of many Jamaican historians, the down trodden sectors of the Jamaican society were undermined and were not given

meaningful historical documentations. The academics did not document, accurately, the accounts of Afro-Jamaican culture, for instance, the Rastafarians input into the cultural history of Jamaica. Although many academics of the time were themselves Afro-Jamaican, non-sympathizers to the Rasta movement, and, in most cases, just a generation or two removed from slavery, they were non-commiserated towards their people's history and struggles. So much so, that they did not consider the documentation of their Afro-Jamaican culture as a priority, and as such, a deficit in proper documentation of historical material exists today. This becomes quite evident in the footnotes, where due to the lack of material, there is a redundancy in reference materials. Therefore, in order to add further depth to the stock of the genre of Black Liberation Literature, this work advances a redemptive process which is aimed, primarily, at every individual that has been niggerized by White supremacy and their racist systems. Therein, that each nigger would cultivate an awareness that would be congruent with his/her Black redemption, as is outlined in this literary work. Thus, that he/her would be empowered sufficiently, to rise above the White supremacist world that had ungratefully grafted him/ her and had restrained him/her to oppressive states of meaningless existences. Black people must rise above their common bound, the social degradation of niggerization, a social construct of the White racist demi-gods and to accept the fundamental merits and opportunities that a Black redemption would have provided, which is, the reconstructed Black self, with all its social advantages, because White America will not change and they will not change for the sake of niggers or will they accept niggers as Whites. Sorry, but no skin bleaching formula will change Blacks into White. The Black experience is not the undoing of the White racist demi-gods; instead, it is the doings of the reconstructed niggers towards the redemption, freedom, of Black individuals.

*Light Is the New Black* Rebecca Campbell,2015-07-06 An encouraging guidebook to awaken to your potential, connect with the callings of your soul, and light up the world with your presence. This international bestselling book has helped hundreds of thousands of people all over the world to create a life that is in deep alignment with their soul. Light Is The New Black is an inspiring book with a message that is so needed right now. Rebecca courageously guides us to turn our lights on and follow the daily calls of our soul so we can all light up the world with our authentic spirit.” - Sonia Choquette, bestselling author of *The Answer is Simple* ANSWER THE CALL OF YOUR SOUL AND WORK YOUR LIGHT Your inner light is your soul and it is guiding you every moment of every day. Light Is the New Black is for those who agreed to be here at this time in history to answer the call of their soul and work their light. Rebecca Campbell had her first awakening when she was a teenager, but without anyone to guide her, she ignored her soul's callings and dimmed her light in order to fit in. Then, just before her 30th birthday, the life she had so consciously created began to crumble around her. It was as if the Universe had turned off all the lights, so she had no choice but to rediscover her own. In this inspirational book, Rebecca shares her own healing journey, alongside practical tools to help you reconnect with the core of your being, and channelled messages from the Universe. Once you rediscover what you already know at soul level, you can create a life that is in divine alignment, discover your soul gifts, and offer the world something that only you can give. “When I first woke up to the callings of my

soul, I lacked the courage, confidence, inner support, and practical tools not just to hear the callings of my soul, but to let them truly lead my life. There were pieces missing, a journey needed to be taken. I called upon the Universe and spiritual teachers to support me. This book is the result of that journey. You can read it in one sitting, one chapter a day, or pick a page at random for an instant hit of guidance. Throughout you will find 'Work Your Light' exercises, mantras, and affirmations. I created these with the intention of guiding you not only to hear the callings of your soul, but to act on them too... I pray that you discover the authentic gift to the world that you already are and choose to serve the world by being You. Follow what lights you up and you will light up the world. So much love, Rebecca x

Over only a few decades, digital gaming has become a major global leisure activity that now rivals the movie and music sectors. Due to this increasingly widespread popularity, gaming has in recent years become the focus of increased academic interest and activity, but still little is known about those who play digital games. *Online Gaming in Context* is the first book to explicitly and comprehensively address how digital games are experienced and engaged with in the everyday lives, social networks, and consumer patterns of those who play them. In doing so, the book provides a key introduction to the study of gamers and the games they play, whilst also reflecting on the current debates and literatures surrounding the virtual world--

Every Summer After Carley Fortune, 2022-05-10 A radiant debut.—Emily Henry, #1 New York Times bestselling author of Book Lovers THE NEW YORK TIMES BESTSELLER! Named One of the Hottest Reads of Summer 2022 by Today • Parade • PopSugar • USA Today • SheReads • BuzzFeed • BookBub • Bustle • and more! Six summers to fall in love. One moment to fall apart. A weekend to get it right. They say you can never go home again, and for Persephone Fraser, ever since she made the biggest mistake of her life a decade ago, that has felt too true. Instead of glittering summers on the lakeshore of her childhood, she spends them in a stylish apartment in the city, going out with friends, and keeping everyone a safe distance from her heart. Until she receives the call that sends her racing back to Barry's Bay and into the orbit of Sam Florek—the man she never thought she'd have to live without. For six summers, through hazy afternoons on the water and warm summer nights working in his family's restaurant and curling up together with books—medical textbooks for him and work-in-progress horror short stories for her—Percy and Sam had been inseparable. Eventually that friendship turned into something breathtakingly more, before it fell spectacularly apart. When Percy returns to the lake for Sam's

mother's funeral, their connection is as undeniable as it had always been. But until Percy can confront the decisions she made and the years she's spent punishing herself for them, they'll never know whether their love might be bigger than the biggest mistakes of their past. Told over the course of six years and one weekend, *Every Summer After* is a big, sweeping nostalgic story of love and the people and choices that mark us forever.
