The Four Pillars of Islam Abul Hasan Ali Nadwi, 2011

Translation of the Holy Quran in English Maulana Muhammad Ali, 2013-12-25 The Quran, literally meaning the recitation, also romanised (Koran) is the central religious text of Islam, which Muslims believe to be a revelation from God (Arabic: Allah). It is widely regarded as the finest piece of literature in the Arabic language. Muslims consider the Quran to be the only book that has been protected by God from distortion or corruption. Quranic chapters are called suras and verses are called ayahs. Muslims believe that the Quran was verbally revealed from God to Muhammad through the angel Gabriel (Jibril), gradually over a period of approximately 23 years, beginning on 22 December 609 CE, when Muhammad (Peace be upon Him) was 40, and concluding in 632 CE, the year of his death. Shortly after Muhammad's death, the Quran was collected by his companions using written Quranic materials and everything that had been memorized of the Quran. Muslims regard the Quran as the most important miracle of Muhammad, the proof of his prophet hood and the culmination of a series of divine messages that started with the messages revealed to Adam and ended with Muhammad. The Quran assumes familiarity with major narratives recounted in the Jewish and Christian scriptures. It summarizes some, dwells at length on others and, in some cases, presents alternative accounts and interpretations of events. The Quran describes itself as a book of guidance. It sometimes offers detailed accounts of specific historical events, and it often emphasizes the moral significance of an event over its narrative sequence. The Quran is used along with the hadith to interpret sharia law. During prayers, the Quran is recited only in Arabic. Someone who has memorized the entire Quran is called a hafiz. Some Muslims read Quranic ayahs (verses) with elocution, which is often called tajweed. During the month of Ramadan, Muslims typically complete the recitation of the whole Quran during tarawih prayers. Inimitability of the Quran (or I'jaz) is the belief that no human speech can match the Quran in its content and form. The Quran is considered an inimitable miracle by Muslims, effective until the Day of Resurrection-and, thereby, the central proof granted to Muhammad in authentication of his prophetic status. The concept of inimitability originates in the Quran where in five different verses challenges opponents to produce something like the Quran: If men and sprites banded together to produce the like of this Quran they would never produce its like not though they backed one another (17:88). So the suggestion is that if there are doubts concerning the divine authorship of the Quran come forward and create something like it. From the ninth century, numerous works appeared which studied the Quran and examined its style and content. Medieval Muslim scholars including al-Jurjani (d. 1078CE) and al-Baqillani (d. 1013CE) have written treatises on the subject, discussed its various aspects, and used linguistic approaches to study the Quran. Others argue that the Quran contains noble ideas, has inner meanings, maintained its freshness through the ages and has caused great transformations in individual level and in the history. Some scholars state that the Quran contains scientific information that agrees with modern science. The doctrine of miraculousness of the Quran is further emphasized by Muhammad's illiteracy since the unlettered prophet could not have been suspected of composing the Quran.

Elements of Islamic Studies Sayyid Saeed Akhtar Rizvi, A greatly beneficial text book for students of all ages who wish to learn or review the basic fundamentals of Islamic studies. This booklet is based mostly on the lessons of Maulana Sayyid Sa'eed Akhtar Rizvi, though at the time of editing he has added some lessons from the 'Book of Salat' (Majlis-ul-Muslimeen, Karachi), and 'Diniyat' (Rah al-Najat Office, Karachi), with necessary adaptations. This edition has been completely revised (according to the Fatwa of Agha Syed Abu'l Qasim al-Khu'i, Dama Dhilluhul-Aali, Najaf, Iraq). Also, many subjects have been added because of the popular demand. For example, details of Ghusls, prayers of Ayaat, Jumu'ah, 'Eidain, Mayyit and Jama'at. Simply a must read for those that are unable to attend Hawza (Islamic University) yet wish to learn at least the basics of religion by means of authentic texts as compiled in this booklet

Health and Well-Being in Islamic Societies Harold G. Koenig, Saad Al Shohaib, 2014-05-17 From the first hospitals to pioneering pharmacy techniques, the early history of medicine reflects the groundbreaking contributions of Islamic physicians and scientists. Less recognized, however, is the impact of Islam on the health and daily health practices of modern day Muslims. Meticulously documented with current research sources and relevant religious texts, Health and Well-Being in Islamic Societies sheds light on the relationships between Muslim beliefs and physical, psychological, and social health. Background chapters trace Muslim thought on health and healing as it has evolved over the centuries to the present. The authors provide even-handed comparisons with Christianity as the two traditions approach medical and ethical questions, and with Christian populations in terms of health outcomes, assuring coverage that is not only objective but also empirically sound and clinically useful. And as the concluding chapters show, understanding of these similarities and differences can lead to better care for clients, cost-effective services for communities, and healthier Muslim populations in general. Included among the book's topics: Muslim beliefs about health, healing, and healthcare Similarities and differences between Muslim and Christian health beliefs Impact of religion on physical, mental, and community health in Muslims Understanding how Islam influences health Applications for clinical practice Implications for public health Cultural awareness is critical to improving both individual client health and public health on a global scale. Health and Well-Being in Islamic Societies is essential reading for clinical and health psychologists, psychiatrists, social workers, and nurses, and will be informative for the general reader as well.

99 Drops from Endless Mercy Oceans Sufi Path of Love, 2018-07-04 This book is a collection of 99 sohbet or speeches delivered by the Sheikh of the Sufi Order Naqshbandi, Mawlana Sheikh Nazim al-Haqqani ar Rabbani . Several themes are discussed, such as Islam, love, truth, spirituality, etc. Only by the light of the Spiritual Path and the mystic way can the Truth be discovered. In order for one to truly witness the Perfection of the Absolute, one must see with one's inner being, which perceives the whole of Reality. This witnessing happens when one becomes perfect, losing one's (partial) existence in the Whole. If the Whole is likened to the Ocean, and the part to a drop, the sufi says that witnessing the Ocean with the eye of a drop is impossible. However, when the drop becomes one with the Ocean, it sees the Ocean with the eye of the Ocean .

Translation of Sahih Muslim Abdul Hameed Siddiqui,2020-07-03 Sahih Muslim (Ṣaḥīḥ Muslim; full title: Al-Musnadu Al-Sahihu bi Naklil Adli) is one of the Kutub al-Sittah (six major hadith collections) in Sunni Islam. Sunni Muslims consider it the second most authentic hadith collection, after Sahih Bukhari. However, it is important to realize that Imam Muslim never claimed to collect all authentic traditions as his goal was to collect only traditions that all Muslims should agree on about accuracy. The Muslim Scholars have agreed that all of the Ahadith in Sahih Muslim are authentic.

Nafasul Mahmoom Relating to the Heart Rending Tragedy of Karbala ‘Abbās ibn Muḥammad Riḍā Qummī,2005

The Seerah of Prophet Muhammad The Way of Islam UK,2017-07-20 Prophet Muhammad (pbuh) was born in Makkah to Amina and Abdullah. Abdullah passed away before Muhammad (pbuh) was born and was brought up by Amina, his mother. When he was six, his mother passed away and then he was looked after by his loving grandfather Abdul Mutallib. Two years later, Abdul Mutallib also passed away and Muhammad (pbuh) was brought up by his uncle Abu Talib. Muhammad (pbuh) lived a simple life, marrying Khadija when he was twenty five years old. At the age of forty, the first verses came from Allah in the month of Ramadan. The Angel Jibrael brought these first five verses to Muhammad (pbuh). These words were written down by the scribes and memorised by the Muslims. This message continued for twenty three years and is known as the Qu'ran - the word of Allah. The Qu'ran is this pure message that was revealed to Muhammad 1400 years ago. These are the words of Allah that were sent to the prophet Muhammad (pbuh). Allah has guarded it and kept it pure from changes and errors. The purpose or mission of the prophet (pbuh) was to deliver this message to Mankind and to follow its teachings. The Prophet Muhammad (pbuh) was kind and honest. He looked after his family and friends. He had good character and respected the elders. He looked after the orphans and the poor. He was concerned for the wellbeing of all people. He never stole or swore at anyone. He was loved and respected by everyone - the Muslims and the non-Muslims. The prophet's character and actions are also recorded in the Hadith books which give us an insight into this great man. Many people try and follow the example of the prophet (pbuh), indeed he is a role model for all Muslims. We should also be kind and good - following the example of the prophet (pbuh) throughout our lives. In this Seerah Book, Children will learn a lot about the prophet (pbuh) and about his life.

Consider yourself warned. HOW WRONG COULD IT GO?CASSIE knew exactly what she was looking for when she trawled the world of mobile dating to find the perfect man for an afternoon of rough, kinky fantasy. She only did this once a year, and this time it was going to be extra special. But, there was just one problem...RICH thinks he's hit the jackpot when he meets a hot older woman on a dating app. She's gorgeous and doesn't want any long term commitments, just an afternoon of no-strings-attached kinky fun - what could be better? But can he be man enough to tie her up and play the role of aggressor in her dark, twisted and violent fantasy?BUT NEITHER of them knew that things would all go so terribly, darkly, disturbingly wrong.DON'T TRUST ANYONE Although this is an extreme horror book with graphic scenes of a sexual nature and violence, it is also at heart a compelling story beyond its bloody thrills. He imprisons her at Deadwater Manor, a psychiatric hospital with an unscrupulous past. Or can she fight against the nightmare that has now become her world? If you like suspenseful shockers, you're sure to love this psychological thriller/horror that will keep you on the edge of your seat and stay with you long afterward. Check out the great reviews on this novel that debuted on the #1 Hot New Releases bestseller list. Note: This book is intended for mature young adult, new adult, and older audiences due to profanity and sensual content. BACKGROUND: The inspiration for the story came from Sandie's beloved father who worked in various psychiatric hospitals during short periods of his career. In the attic of one such hospital, he made a disturbing discovery - one that bothered Sandie so much, she had to create a story around it. Though fiction, many parts of the book intertwine the patient routines, treatments and outbursts that she learned from her father and other research in a way that makes the story vivid through Jeannie's perspective. PRAISE FOR THE CAGING AT DEADWATER MANOR: Great read! Fantastic work on this very addictive book. I couldn't put it down but didn't want it to be over either from page 1 to the end. A true literary masterpiece. Brian Miller, Amazon Customer This is a polished independent novel that skillfully blends coming-of-age, mystery, and suspense genre elements. The pacing is excellent and well-wrought, drawing the reader along to share in Jean's terror, frustration, and helplessness, as well as her hope and resolve to escape. C.
