**Calendar Girl** Tricia Stewart,2003-11-25 The incredible true story of a small English village determined to raise money for cancer research—and the risqué calendar that became a global sensation. It was a crazy idea and good for a laugh when Tricia Stewart proposed a more risqué treatment for her local Women's Institute's annual calendar, which normally featured tranquil scenes from nature. Laughing alongside her was John Baker, the husband of the soon-to-be Miss February, Angela. When John passed away from cancer, the Ladies of Rylstone decided that posing nude for the calendar and donating the proceeds was one way to honor his memory and cope with this devastating loss. No one could have predicted what happened next. The calendar began to sell, and soon the whole world, it seemed, was interested in their story. In *Calendar Girl*, Tricia Stewart reveals the whole charming, heartwarming story as only she could.

his strong arms, Carly knew she'd found the man of her dreams.... Problem was, Hank wasn't quite who she thought he was. Unexpectedly, he'd fallen hard for the pretty, trusting romantic. But once he told her the truth, how could he convince her he was still the cowboy she wanted...forever? Can these opposites attract?
