My Advent Calendar Christmas Book Antonia Jackson,2013-09-20 An Advent calendar and the story of the Nativity all in one.

Waiting for Christmas Kathleen Long Bostrom,2010-01-05 Little children throughout the world wait impatiently for Christmas to arrive. As parents know, it can seem as if the days just crawl by. Now your family can learn and put to use Advent traditions from the country of Germany during the Christmas season. No doubt mothers have long been inventing ways to keep young children occupied during the Advent season—like Gerhard Lang’s mother, who in the mid-1800s helped her young son count the days on a calendar of cookies. In 1908, the grownup Gerhard, a printer, created the first commercial Advent calendar, twenty-four tiny pictures in the form of a calendar, from his fond memories. *Waiting for Christmas* tells the story of the young Gerhard—a story children everywhere will recognize as their own—and teaches us that we must wait patiently as we prepare to celebrate the birth of Jesus.

For everyday in Advent you get to read a chapter and the tears that came when my daughter knew we had read the last page because we enjoyed this book so much. 1000% can’t recommend it enough and it was lovely snuggling down each night to find out what happens next. We hope you enjoy it as much as we did. Thank you for a wonder book.” (Instagram) “Great story line suitable for all ages. Thoroughly enjoyed reading this also as an adult. Highly recommend. Christmas Countdown - The Advent Calendar Lexy Timms,2022-12-05 It's beginning to cost a lot like Christmas... Why him? Of all the party planners in the city, I managed to hire a company run by my ex-husband James. I haven't seen him in more than ten years. He broke my heart by turning away from me in his time of need. I'll never forgive him for that. But damn, he looks good. And he's saying all the right things. I just have to get through this Christmas season without falling for his charms, and I'll be right back where I started, blissfully single. The only problem? The more time I spend with him, the harder he is to resist. Lexy Timms brings you a Christmas holiday romance! Down Under Advent Calendar of Chrissy Stories Kathy Campbell,2013-08-23 The book is a collection of stories and ideas that have an Australian flavour. It is a teacher’s inspirational idea used to hold the attention of the children in the month up to Christmas. Like the advent calendars filled with lollies, this book has a daily December treat for the child opening each date. It also serves to provide some cultural practices and language that is Aussi in nature. It is also hoped that children will learn more by writing to the author at the little black dog’s e-mail address. I believe that by engaging children more teachers can provide greater opportunity for individual growth. I see our job as catalyst to move children on to independent thinking.
