Hollywood Exile, or How I Learned to Love the Blacklist

Bernard Gordon, 2013-04-15 In this memoir, the American screenwriter recounts his time spent on the Hollywood blacklist in the mid-twentieth century. The Hollywood blacklist, which began in the late 1940s and ran well into the 1960s, ended or curtailed the careers of hundreds of people accused of having ties to the Communist Party. Bernard Gordon was one of them. In this highly readable memoir, he tells an engrossing insider's story of what it was like to be blacklisted and how he and others continued to work uncredited behind the scenes, writing and producing many box office hits of the era. Gordon describes how the blacklist cut short his screenwriting career in Hollywood and forced him to work in Europe. Ironically, though, his is a success story that includes the films *El Cid*, *55 Days at Peking*, *The Thin Red Line*, *Krakatoa East of Java*, *Day of the Triffids*, *Earth vs. the Flying Saucers*, *Horror Express*, and many others. He recounts the making of many movies for which he was the writer and/or producer, with wonderful anecdotes about stars such as Charlton Heston, David Niven, Sophia Loren, Ava Gardner, and James Mason; directors Nicholas Ray, Frank Capra, and Anthony Mann; and the producer-studio head team of Philip Yordan and Samuel Bronston. "Gordon's story is one of triumphing over adversity, as he managed to make a decent living and live a rather exotic life peopled with colourful characters, while maintaining his moral integrity. It's an inspiring, fascinating read." —Reel Ink "Gordon never pulls his punches in this anecdotal autobiography, filled with intimate details and vivid novelistic passages. A born storyteller, he writes with warmth and humor, and there's an emotional edge to his razor-sharp recall." —Publishers Weekly

The Hollywood Motion Picture Blacklist Larry

Ceplair, 2022-08-30 Seventy-five years ago, the Hollywood blacklist ruined lives, stifled creativity, and sent waves of proscription and censorship throughout United States culture. When the Hollywood

Ten refused to answer the questions of the House Committee on Un-American Activities about their membership in the Communist Party, they were sentenced to prison, the five who were under contract were fired by their studios, and all were blacklisted from reemployment until they purged themselves of their communist taint. By the 1950s, this blacklist publicly stigmatized nearly three hundred other Americans in the entertainment industry who invoked the First and Fifth Amendments in their refusal to apologize for their Communist ties or provide the names of other members. Dozens of others were graylisted as the result of rumors. The Hollywood Motion Picture Blacklist: Seventy-Five Years Later offers new insights on the origins of the blacklist, the characteristics of those blacklisted, and the probability of future proscriptions of the blacklist type. Author Larry Ceplair draws on previously published work while introducing new material to vigorously recount the events that took place between the US government, Hollywood unions, and motion picture studios. Ceplair thoroughly examines the role of Jewish identity in many anti-communist efforts—a concept that has never been fully examined by scholars—and analyzes the actions of subpoenaed witnesses who were forced to choose between cooperating with the House Committee or joining the blacklist. This fascinating book is an illuminating examination of a dark period in American history and the fragility of our rights to free speech and due process.

Shedding Light on the Hollywood Blacklist: Conversations with Participants Stanley Dyrektor, 2013-06 What Really Happened There were terrible crimes committed against greatly talented American citizens by overzealous and unconscionable government actions. Meet the victims inside this book. See for yourself what happened to the innocent, what they went through, how they coped with their persecution, and how they survived the aftermath with their chins up, in dignity. “Congratulations Stanley Dyrektor...WAVE AWARDS... Video Excellence Award presented for Community Media in Santa Fe, New Mexico on November 9, 2001,

The Stanley Dyrector Show: The Hollywood Blacklist..." "Dyrector has encountered countless people that help Hollywood sparkle but never get a chance to shine...Screenwriters on the Hollywood Blacklist in the 50's denied work due to their politics..." - Debra Beyer, Los Angeles Times, May 9, 2006. ...I'm not afraid to be corrected by a guest, or to tell them I love them!...Dyrector explored the blacklisting period of Hollywood during the McCarthy era..." California Seniors Weekly (2000) About the Author Stanley Dyrector was born in Brooklyn, New York. Beginning his career as an actor, he switched to writing, where he found much success. His TV writing credits include such popular shows as Wagon Train and Slattery's People. He and his wife, Joyce, teamed up and wrote for daytime TV soaps on ABC, as well as hour radio dramas and comedies for Sears Radio Theatre and Mutual Radio Theatre. Dyrector's 2-act Vietnam-era play, A Pelican of the Wilderness, was deemed by LA Times critic John Mahoney as "Outstanding." His award-winning interview show called The Stanley Dyrector Show can be seen in various locales and on the Internet. ...Stanley Dyrector takes readers back to a time when freedom of speech was halted or non-existent. Some might say that when defending those that you felt were not guilty would cast guilt upon yourself. A great book with outstanding interviews, and books that I would love to read - and interviewees if alive I would love to have on my own radio show....This is a must read for everyone....This book gets FIVE GOLD LISTS as does the Foreword by Edward Asner. -- Fran Lewis, Reviewer

Broadway and the Blacklist K. Kevyne Baar, 2019-01-24 During the era often commonly known as McCarthyism, many motion picture and television creators were blacklisted for supposed communist ties. There remained, however, a creative outlet that still welcomed these artists--theatre. This book explores the role theatre played during this turbulent period, covering the formation of the Theatre Guild (which birthed the Group Theatre), the short-lived Federal Theatre Project, and the investigations of the motion

picture and television industries, and Broadway, by the House Un-American Activities Committee (HUAC). Appendices discuss McCarthy's role and present the memos of investigator Dolores Faconti Scotti, along with a list of prominent witnesses in HUAC's Broadway hearings, and reactions by artists' unions in the decades following the blacklist.

Blacklist Jerry Ludwig, 2014-06-10 The last time the United States looked on its own citizens with suspicion, the results were ruined dreams, shattered lives...and murderin Jerry Ludwig's Blacklist Today, people point fingers and shout, terrorist! Not long ago, the accusation was Communist! Many who testified before the House UnAmerican Activities Committee said they did so out of desperation and fear. Those who refused to speak were fired or blacklisted. Others fled rather than betray friends...or their belief in American liberty. David Weber and Jana Vardian were Hollywood's golden children; their fathers, successful screenwriters, mingled with stars and studio moguls. Then HUAC shattered their idyll, sending David and his parents into exile in Europe; Jana's father testified and soon became a famous director. Returning to Los Angeles as an adult to bury his father, David comes to the attention of FBI agent Brian McKenna, who is still eager for a big case. The somewhat jaded McKenna remains eager for a big case. Jana Vardian watched her father torture himself after testifying; David's return painfully reminds her that she once believed in love and loyalty. When people with ties to HUAC and to David's father begin turning up dead, long-buried secrets are dragged into the open. McKenna quickly tags David as the prime suspect, but in a world where special effects can turn a man into a beast, Hollywood's sheen of glamour cannot long mask its dark past. My Blacklist D. D. K., 2017-11-16 If you are from the greater Detroit area and absolutely love rock/metal music like I do; then you need to purchase this book; you'll identify especially if you are

in your 40's. I will openly admit this is my first experience writing a book, so go in low, but hopefully I will surprise you, make you laugh and maybe get you back in the game. In the very least you can make fun and trash it, but if it gets you to discuss rock and metal music again then I guess that's all I expect.

Improvising Out Loud Jeff Corey, 2017-05-16 Jeff Corey (1914-2002) made a name for himself in the 1940s as a character actor in films like *Superman and the Mole Men* (1951), *Joan of Arc* (1948), and *The Killers* (1946). Everything changed in 1951, when he was summoned before the House Un-American Activities Committee. Corey refused to name names and was promptly blacklisted, which forced him to walk away from a vibrant livelihood as an actor and embark on a career as one of the industry's most revered acting instructors. In *Improvising Out Loud: My Life Teaching Hollywood How to Act*, Corey recounts his extraordinary story. Among the actors who would soon fill his classes were James Dean, Kirk Douglas, Jane Fonda, Rob Reiner, Jack Nicholson, and Leonard Nimoy. In 1962, when the blacklist ended, Corey was one of the industry's first trailblazers to seamlessly reboot his acting career and secure roles in some of the classic films of the era, including *Butch Cassidy and the Sundance Kid* (1969), *True Grit* (1969), and *Little Big Man* (1970), in which he starred as the infamous Wild Bill Hickok. Throughout his life, Corey sought to capture the human heart: in conflict, in terror, in love, and in all of its small triumphs. His memoir, which he wrote with his daughter Emily Corey, provides a unique and personal perspective on the man whose teaching inspired some of Hollywood's biggest names to star in the roles that made them famous.

From Red-Baiting to Blacklisting Barry B

Witham,2020-04-27 Author Barry B. Witham reclaims the work of Manny Fried, an essential American playwright so thoroughly blacklisted after he defied the House Committee on Un-American Activities in 1954, and again in 1964, that his work all but completely disappeared from the canon. Witham details Manny Fried's work inside and outside the theatre and examines his three major labor plays and the political climate that both nurtured and disparaged their productions. Drawing on never-before-published interview materials, Witham reveals the details of how the United States government worked to ruin Fried's career. From Red-Baiting to Blacklisting includes the complete text of Fried's major labor plays, all long out of print. In Elegy for Stanley Gorski, Fried depicts one of the many red-baiting campaigns that threatened countless unions in the wake of the Taft-Hartley Act and the collusion of the Catholic Church with these activities. In Drop Hammer, Fried tackles the issues of union dues, misappropriation, and potential criminal activities. In the third play, The Dodo Bird, perhaps his most popular, Fried achieves a remarkable character study of a man outsourced from his job by technology and plant closures. Manny Fried's plays portray the hard edges of capitalism and government power and illuminate present-day struggles with hostility to labor unions and the passage in several states of right-to-work laws. Fried had no illusions about the government's determination to destroy communism and unionism—causes to which he was deeply committed.

teachings from the Bible. Some of the stories are pretty hilarious;
and others are sad and sorrowful. Her life story will have you
laughing, then crying-and then pausing for a moment, to
contemplate what it means to have faith. The amazing story of her
mother's faith to still find her two kidnapped sons is beyond
anybody's compelling imagination. These stories in Tecla's life
makes you re-examine your own beliefs, and then seek a clearer
path in your travels as well as filled with a desire to live by faith.
You will certainly learn how to grow into your own absolute
potential, simply by following God's directions. You will also
discover that life's greatest accomplishment is doing the will of
God, by tapping into your faith. _____ I've
had the distinct pleasure of copy-editing this book and offering
suggestions on its form; I found the task both inspirational and
heart-rending. Tecla's story (like that of her mother, as briefly
summarized in the first chapter, dedicated to that strong and faith-
filled woman) will certainly lift the spirits of any reader currently
walking through the Fires of adversity and life-challenges. It also
motivates us to reflect on the (comparatively mild) obstacles we
may encounter in our daily lives, to find the courage to rise above
them, in partnership with God and our Faith, and to move forward
along our own Highway of Holiness.-Steve Trinward, Editor

Iraq and the Politics of Oil Gary Vogler, 2017-12-01 Was the Iraq war really about oil? As a senior oil advisor for the Office for Reconstruction and Humanitarian Assistance (ORHA) and briefly as minister of oil, Gary Vogler thought he knew. But while doing

research for a book about his experience in Iraq, Vogler discovered that what he knew was not the whole story—or even the true story. The Iraq war did have an oil agenda underlying it, one that Vogler had previously denied. This book is his attempt to set the record straight. *Iraq and the Politics of Oil* is a fascinating behind-the-scenes account of the role of the US government in the Iraqi oil sector since 2003. Vogler describes the prewar oil planning and the important decisions made during hostilities to get Iraqi oil flowing several months ahead of schedule. He reveals how, amid the instability of 2006 (largely fueled by the arrogance of early US decisions), the fixing of the Bayji Refinery contributed significantly to the success of the oil sector in the Sunni part of northern Iraq during and after the surge. Vogler gives us an expert insider's view of the largest oilfield auctions in the history of the international oil industry, and his account shows how US Forces' focus on a single Iraqi point of failure in 2007 was a primary factor in the record productions and exports of 2012 through 2017. But under the successes so deftly chronicled here, a darker political narrative finally emerges, one that reaches back to the decision to go to war with Iraq. Uncovering it, Vogler revises our understanding of what we were doing in Iraq, even as he gives us a critical, close-up view of that fraught enterprise.

Blacklist Geneva Lee, 2020-06-30 Adair MacLaine was sunshine and the storm. Emerald-green eyes and attitude, I fell for her the moment we met and hated her just as quickly. We raged together until her father made her choose between me and the family name. I left. She stayed. I'm no longer the poor kid that lost her. I've made myself into a man that won't be ignored. Now her father is dead, the MacLaine empire is crumbling, and Adair's inheritance depends on the company's largest investor: me. *** My whole life changed the night I met Sterling Ford. Brilliant and intense, he came to Valmont with

nothing but a scholarship and a chip on his shoulder. He was a grenade and I wanted to pull the pin. We were doomed from the first kiss. I've waited for my chance to seize my freedom and now it's finally in reach-until the last person I ever wanted to see again walks into my father's funeral: him. From New York Times bestselling author Geneva Lee comes the first chapter in an emotional, breathtaking love story that will leave you obsessed and begging for more.
