Bill Payment Tracker Dee Phillips, 2019-10-08 Money is not really something that everyone has grown up knowing about. Personal finances, even within families, were usually kept - well - personal. Now that you have grown up and are handling your own finances, you may not find it easy to make ends meet. Perhaps you are struggling with too much debt. Maybe your credit card spending is out of hand. You might struggle with day-to-day or month-to-month balancing your money to cover all your expenses. Maybe you are struggling to get enough money together to purchase your first home. Getting a handle on your finances is extremely important for your financial future - and getting organized with your money is the first step towards achieving your financial goals, whatever they may be. Tracking your bills - whether it is your phone bill, your car payments or hydro bill - finding out how is crucial to your financial future. This handy budget planner can help you track you bills and keep up with all your expenses. This book is a great sized workbook to track your finances. It is 8 x 10 which allows you enough space to work with it, while still being small enough to toss into your bag, briefcase or backpack so you can have it handy when you need it. Now is the time to start getting on top of your spending and start saving. It's time for you to get your finances in order - and this bill payment tracker is a great tool to get you started.
