When the Sleeping Giant Awakens Within Nancy L. Briggs,2013-05-06 This supernatural thriller takes a lighthearted look at the heavy-handed in the spiritual world. It is the true story of one woman's courage and determination to overcome supernatural targeted oppression and suppression against all odds. Seemingly alone and defenseless, divine intervention would reveal itself time and time again to turn the tide in her favor to insure not only her survival, but her thrival. This is a trip to the inner heart and soul, in order to survive the external forces that were determined to force fear, destruction, carnage, and chaos. It is a feminine perspective and survivor's guide when you find yourself confronted with the dark side of the supernatural, intended to lighten the load of a burden she carried for twelve years. The battles were supernatural, the fight with the unseen forces was never fair or provoked, and came out of the blue and at random. The choices of others and the universal laws of attraction had unleashed a war zone in her personal life after the events of 9/11, and she had to discover for herself how to cleanse, clean, and clear it out of her life. This is a journey of discovery of the self. We heal, we reveal, we recover to assist others who struggle with dark days and deeds.

Steeltown U.S.A Sherry Lee Linkon,John Russo,2002 Once the symbol of a robust steel industry and blue-collar economy, Youngstown, Ohio, and its famous Jeannette Blast Furnace have become key icons in the tragic tale of American deindustrialization. Sherry Lee Linkon and John Russo examine the inevitable tension between those

discordant visions, which continue to exert great power over Steeltown's citizens as they struggle to redefine their lives. When the Jenny was shut down in 1978, 50,000 Youngstown workers lost their jobs, cutting the heart out of the local economy. Even as the community organized a nationally recognized effort to save the mills, the city was rocked by economic devastation, runaway crime, and mob scandal, problems that persist twenty-five years later. In the midst of these struggles the Jenny remained standing as a proud symbol of the community's glory days, still a dominant force in the construction of both individual and collective identities in Youngstown. Focusing on stories and images that both reflect and perpetuate how Youngstown understands itself as a community, Sherry Lee Linkon and John Russo have forged a historical and cultural study of the relationship between community, memory, work, and conflict.

Montessori from the Start Paula Polk Lillard,Lynn Lillard Jessen,2008-12-18 Based on Dr. Maria Montessori's philosophies for nurturing babies and toddlers, this practical and useful guide is brimming with instructions, anecdotes, and encouragement for raising calm, competent, and confident children—from designing the baby’s bedroom to encouraging life skills such as dressing themselves and working both independently and collaboratively. What can parents do to help their youngest children in their task of self-formation? How does the Montessori method of hands-on learning and self-discovery relate to newborns, infants, and toddlers? This authoritative and accessible book answers these and many other questions. Its comprehensive exploration of the first three years incorporates the furnishings and tools Dr. Montessori created for the care and comfort of babies. From the design of the baby's bedroom to the child-sized kitchen table, from food preparation to clothing and movement, the authors provide guidance for the establishment of a beautiful and serviceable environment for babies and very young children. They also introduce concepts and tasks, taking into account children’s ''sensitive periods'' for learning such skills as toilet training. Written in a clear, engaging style, Montessori from the Start is a must-have for every new parent.

Come, Look in My Kaleidoscope Joyce Coy,2021-05-05 While Joyce Coy was recreating mosaics of her adventures with words, she pictured her grandchildren from ages 7 to 25 who often asked, “Gramma, tell us a story about you.” Joyce has included naughty moments, the yearning and search to know God, and the tug of war between fears and faith. She has also given peeks into the cultural backdrop of the farming society of her youth in the 60’s and 70’s. Her wobbly times showcase God meeting her in specific ways. She unwraps the reality that Father God made a way through the unknowns of her life. His steady influence increased her trust. Even when her dearest love, her husband, had a sudden departure to heaven, Joyce could say, “It’s well with my soul, it’s okay.” Her objective in unzipping her heart is that each reader, youth or adult, will be supported on their personal footpath in knowing Him. What God has done for a modest grandma, He can also do for you.
