**Guidelines for Practice Success: Managing Professional Risks** American Dental

Association,2019-04-01 Managing risks in a dental practice is something that practitioners do every day, whether they are aware of it or not.

Developed by leaders in the field of dental practice management, these guidelines are based on time-tested best practices of risk management to help dentists protect themselves and their practices. Covers: managing professional risks from a clinical standpoint; dealing with patient records; charting and documentation in a secure way; how to find a legal advisor; discussing the dental team's role in risk management; transitions and other changes.

Campbell,2022-02-10T00:00:00+01:00 Is Dental Insurance a Source of Problems, Frustration or Stress for Your Dental Practice? This is the most comprehensive guide ever written on the topic of dental insurance. It can serve as a training tool for those new to dental insurance, an in-depth reference for those more experienced, as well as a quick “look-up” for anyone with a question about today’s insurance landscape. Are you receiving

reimbursement for 99% of your services including crowns and SRPs? Do you understand how to be highly profitable in today's world of insurance? Is your team fully confident in the treatment plan estimates they provide patients? Do you know how to make dental insurance work for you instead of against you? If you answered no to any of these questions, you need this resource. Packed with information, illustrations, examples, tips, and case studies, this guide covers every aspect of dental insurance from claims for simple fillings to complex hybrid denture and implant cases in real life situations. It is a must-have reference for every dental office!

**Dental Radiography - E-Book** Joen Iannucci,Laura Jansen Howerton,2011-03-14 Providing essential coverage of dental radiography principles and complete technical instruction, Dental

Radiography: Principles and Techniques, 4th Edition, is your key to the safe, effective use of radiation in the dental office. The first ever full-color dental radiography resource, this combination of a textbook and a training manual guides you step-by-step through common procedures, with accompanying illustrations, case studies, and interactive exercises to help you apply what you've learned to practice. A concise, straightforward writing style makes complex concepts more accessible and helps you easily identify the most important information. Step-by-step procedures combine clear instructions with anatomical drawings, positioning photos, and corresponding radiographs to help you confidently and accurately perform specific techniques, thus minimizing radiation exposure to the patient. Helpful Hints detail common problems you may encounter in practice and provide a checklist to guide you through the do's and don'ts of imaging procedures. Quiz Questions at the end of each chapter assess your understanding of important content. Key terms, learning objectives, and chapter summaries highlight essential information to help you study more efficiently. Interactive exercises, terminology games, and case studies modeled on the National Board Dental Hygiene Examination (NBDHE) on Evolve reinforce your understanding and help you prepare for examinations. New chapter on cone beam computed tomography (CBCT) familiarizes you with emerging practices in dental radiography. Updated chapter discussions and new radiographs keep you up to date on the latest information in digital imaging.

UNIQUE! Full-color design and new illustrations and photographs clarify difficult concepts and help you master proper positioning techniques. UNIQUE! A comprehensive appendix provides quick, easy access to all mathematical formulas used in dental radiography.

*A Dentist's Guide to the Law* American Dental Association, 2015-09-23 Provides legal guidance for dental practice formation, marketing, employment, privacy and data security, disability access, contracts, antitrust, insurance, collections, reimbursement, patient treatment, and more. Covers the Physician Payment Sunshine Act, website accessibility, online ratings sites, Children's Online Privacy Protection Act (COPPA). Includes sample agreements for associateships.
