

My Diary

Sir William Howard Russell

My Diary Gilles Tibo,2011 This is the diary of a young girl who writes about who she likes, what makes her sad, what gives her joy, and what gives her courage.

My Diary Jennifer Jarman-Walker,1990 Reproduction of the hand-written and illustrated diary of Penny Markham, who is not your average kid. She is a television actor and she confides in her diary all the details and thoughts of her action-packed week. Author was a teacher before becoming an actor and writer. Part of the THBJ Spectrum Blue Classroom Library' set.

My Diary from the Edge of the World Jodi Lynn Anderson,2015-11-03 Told in diary form by an irresistible heroine, this “heartfelt, bittersweet, and ever-so-clever coming-of-age fantasy” (School Library Journal, starred review) named one of Publishers Weekly’s Best Books of the Year from the New York Times bestselling author of the May Bird trilogy sparkles with science, myth, magic, and the strange beauty of the everyday marvels we sometimes forget to notice. Spirited, restless Gracie Lockwood has lived in Cliffden, Maine, her whole life. She’s a typical girl in an atypical world: one where sasquatches helped to win the Civil War, where dragons glide over Route 1 on their way south for the winter (sometimes burning down a T.J. Maxx or an Applebee’s along the way), where giants hide in caves near LA and mermaids hunt along the beaches, and where Dark Clouds come for people when they die. To Gracie it’s all pretty ho-hum...until a Cloud comes looking for her little brother Sam, turning her small-town life upside down. Determined to protect Sam against all odds, her parents pack the family into a used Winnebago and set out on an epic search for a safe place that most people say doesn’t exist: The Extraordinary World. It’s rumored to lie at the ends of the earth, and no one has ever made it there and lived to tell the tale. To reach it, the Lockwoods will have to learn to believe in each other—and to trust that the world holds more possibilities than they’ve ever imagined.

Diary of Saint Maria Faustina Kowalska Saint Maria Faustina Kowalska, Published and distributed by Marian Press, this bestselling Diary sparked the Divine Mercy Movement and chronicles the message that Jesus, the Divine Mercy, gave to the world through a humble nun. It reminds us to trust in His forgiveness - and as Christ is merciful, so, too, are we instructed to be merciful to others. The trade edition of this title is now in its 30th printing, with more than one million copies distributed worldwide since its release in 1981 in the original Polish edition.

My Diary Monika Gupta,2017-05-15 The book My Diary is in the form of free verse and talks about what a woman going through bad and lonely times feels like. A journey of about twenty years where she went through

a lot of feud, drama and trauma that left her not only shattered but brought her so close to life and death – that for her Life and Death seem to be the same with a very thin line between the two. With no one to share her loneliness she sometimes forgets how to speak even if she finds someone to speak her mind and heart to. But the flood of thoughts inside her that are not able to be vent through her mouth get expressed through her diary, which she always keeps in her purse. And just once she thought the diary was filled completely she was advised by someone to send her work out to be published. Hence, leading to this serendipitous moment where you’re holding this book in your hand.

Fragments from My Diary Maksim Gorky,1924

My Diary, Our Lives Lisa Cocking,2007 Migrating to another country, living in the sunshine, changing our lifestyles, most of us have thought about it sometime or another, when our lives appear mundane, when the sky is always grey. Living the dream This is a personal journey of our lives, from leaving our Yorkshire home and families to living in Queensland, Australia. Leaving our families was a tough decision, but we had to do it, we wanted something more for ourselves. Was that so wrong? This story tells of the highs and lows of everyday life, of changes, of growing and developing, it tells of how hard it is when the family unit becomes divided. It is a true heartfelt account of how hard it was psychologically and emotionally, of dreams that become harsh reality. How reality becomes a nightmare. This is my diary, our lives.

Anne Frank Anne Frank,1993-06-01 The classic text of the diary Anne Frank kept during the two years she and her family hid from the Nazis in an Amsterdam attic is a powerful reminder of the horrors of war and an eloquent testament to the human spirit.

My Diary, North and South William Howard Russell,1863

My Diary in India, in the Year 1858-9 Sir William Howard Russell,1860

My Diary in India, in the Year 1858-59 Sir William Howard Russell,1860

My Opposition Friedrich Kellner,2018-01-25 This is a truly unique account of Nazi Germany at war and of one man's struggle against totalitarianism. A mid-level official in a provincial town, Friedrich Kellner kept a secret diary from 1939 to 1945, risking his life to record Germany's path to dictatorship and genocide and to protest his countrymen's complicity in the regime's brutalities. Just one month into the war he is aware that Jews are marked for extermination and later records how soldiers on leave spoke openly about the mass murder of Jews and the murder of POWs; he also documents the Gestapo's merciless rule at home from euthanasia campaigns against the handicapped and mentally ill to the execution of anyone found listening to foreign broadcasts. This essential testimony of everyday life under the Third Reich is accompanied by a foreword by Alan Steinweis and the remarkable story of how the diary was brought to light by Robert Scott Kellner, Friedrich's grandson.

My Bunny Diary Tracy Dockray,2001-12 In her diary, Dora the rabbit writes that she and her best friend Ally always play adventurous games together, until a day arrives when Ally starts to play with dolls.
