COURTNEY CARVER

📖 **THE CURATED CLOSET** ANUSCHKA REES, 2016-09-20 Is your closet jam-packed and yet you have absolutely nothing to wear? Can you describe your personal style in one sentence? If someone grabbed a random piece from your closet right now, how likely is it that it would be something you love and wear regularly? With so many style and shopping options, it can be difficult to create a streamlined closet of pieces that can be worn easily and confidently. In *The Curated Closet*, style writer Anuschka Rees presents a fascinatingly strategic approach to identifying, refining, and expressing personal style and building the ideal wardrobe to match it, with style and shopping strategies that women can use every day. Using *The Curated Closet* method, you'll learn to: • Shop smarter and more selectively • Make the most of your budget • Master outfit formulas and color palettes • Tweak your wardrobe for work • Assess garment fit and quality like a pro • Curate a closet of fewer, better pieces Including useful infographics, charts, and activities, as well as beautiful fashion photography, *The Curated Closet* is the ultimate practical guide to authentic and unique style.

📖 **PROJECT 333** COURTNEY CARVER, 2020-03-03 Wear just 33 items for 3 months and get back all the joy you were missing while you were worrying what to wear. In *Project 333*, minimalist expert and author of *Soulful Simplicity* Courtney Carver takes a new approach to living simply--starting with your wardrobe. *Project 333* promises that not only can you survive with just 33 items in your closet for 3 months, but you'll thrive just like the thousands of women who have taken on the challenge and never looked back. Let the de-cluttering begin! Ever ask yourself how many of the items in your closet you actually wear? In search of a way to pare down on her expensive shopping habit, consistent lack of satisfaction with her purchases, and ever-growing closet, Carver created *Project 333*. In this book, she guides readers through their closets item-by-item, sifting through all the emotional baggage associated with those oh-so-strappy high-heel sandals that cost a fortune but destroy your feet every time you walk more than a few steps to that extensive collection of never-worn little black dresses, to locate the items that actually look and feel like you. As Carver reveals in this book, once we finally release ourselves from the cyclical nature of consumerism and focus less on our shoes and more on our self-care, we not only look great we feel great-- and we can see a clear path to make other important changes in our lives that reach far beyond our closets. With tips, solutions, and a closet-full of inspiration, this life-changing minimalist manual shows readers that we are so much more than what we wear, and that who we are and what we have is so much more than enough.

📖 **THE CONSCIOUS CLOSET** ELIZABETH L. CLINE, 2019-08-20 From journalist, fashionista, and clothing resale expert Elizabeth L. Cline, "the Michael Pollan of fashion,"* comes the definitive guide to building an ethical, sustainable wardrobe you'll love. Clothing is one of the most personal expressions of who we are. In her landmark investigation *Overdressed: The Shockingly High Cost of Cheap Fashion*, Elizabeth L. Cline first revealed fast fashion's hidden toll on the environment, garment workers, and even our own satisfaction with our clothes. *The Conscious Closet* shows exactly what we can do about it. Whether your goal is to build an effortless capsule wardrobe, keep up with trends without harming the environment, buy better quality, seek out ethical brands, or all of the above, *The Conscious Closet* is packed with the vital tools you need. Elizabeth delves into fresh research on fashion's impacts and shows how we can leverage our everyday fashion choices to change the world through style. Inspired by her own revelatory journey getting off the fast-fashion treadmill, Elizabeth shares exactly how to build a more ethical wardrobe, starting with a mindful closet clean-out and donating, swapping, or selling the clothes you don't love to make way for the closet of your dreams. *The Conscious Closet* is not just a style guide. It is a call to action to transform one of the most polluting industries on earth--fashion--into a force for good. Readers will learn where our clothes are made and how they're made, before connecting to a global and impassioned community of stylish fashion revolutionaries. In *The Conscious Closet*, Elizabeth shows us how we can start to truly love and understand our clothes again--without sacrificing the environment, our morals, or our style in the process. *Michelle Goldberg, *Newsweek/The Daily Beast*
