Vidal Vidal Sassoon,2010-09-03 Vidal Sassoon's extraordinary life has taken him from an impoverished East End childhood to global fame. The father of modern hairdressing, his slick sharp cutting took the fashion world by storm and reinvented the hairdressers' art. Before Vidal Sassoon, a

trip to the hairdressers meant a shampoo and set or a stiffly lacquered up-do that would last a week - or more. After Vidal Sassoon, hair was sleek, smooth and very, very stylish. Along with his lifelong friend and partner in style, Mary Quant, who he first met in 1957 and who to this day sports a Sassoon-style geometric bob, he styled the 1960s. As memorable as the mini - be it car or skirt - he is one of the few people who can genuinely be described as iconic. His memoirs are as rich in anecdote as one might hope and full of surprising and often moving stories of his early life - his time at the Spanish & Portuguese Jewish Orphanage in Maida Vale, fighting Fascists in London's East End and fighting in the army of the fledgling state of Israel in the late Forties. And then there's the extraordinary career, during which he cut the hair of everyone who was anyone, launched salons all over the world, founded the hairdressing school that still bears his name and became a global brand, with Vidal Sassoon products on all our bathroom shelves.

Bunny Mona Awad, 2019-06-11 NATIONAL BESTSELLER Soon to be a major motion picture Jon Swift + Witches of Eastwick + Kelly 'Get In Trouble' Link + Mean Girls + Creative Writing Degree Hell! No punches pulled, no hilarities dodged, no meme unmangled! O Bunny you are sooo genius! —Margaret Atwood, via Twitter A wild, audacious and ultimately unforgettable novel. —Michael Schaub, Los Angeles Times Awad is a stone-cold genius. —Ann Bauer, The Washington Post The Vegetarian meets Heathers in this darkly funny, seductively strange novel from the acclaimed author of 13 Ways of Looking at a Fat Girl and Rouge We were just these innocent girls in the night trying to make something beautiful. We nearly died. We very nearly did, didn't we? Samantha Heather Mackey couldn't be more of an outsider in her small, highly selective MFA program at New England's Warren University. A scholarship student who prefers the company of her dark imagination to that of most people, she is utterly repelled by the rest of her fiction writing cohort--a clique of unbearably twee rich

girls who call each other Bunny, and seem to move and speak as one. But everything changes when Samantha receives an invitation to the Bunnies' fabled Smut Salon, and finds herself inexplicably drawn to their front door--ditching her only friend, Ava, in the process. As Samantha plunges deeper and deeper into the Bunnies' sinister yet saccharine world, beginning to take part in the ritualistic off-campus Workshop where they conjure their monstrous creations, the edges of reality begin to blur. Soon, her friendships with Ava and the Bunnies will be brought into deadly collision. The spellbinding new novel from one of our most fearless chroniclers of the female experience, Bunny is a down-the-rabbit-hole tale of loneliness and belonging, friendship and desire, and the fantastic and terrible power of the imagination. Named a Best Book of 2019 by TIME, Vogue, Electric Literature, and The New York Public Library

Dragons and All Blacks Huw Richards, 2012-04-20 'The Bounce of the Century' they called it. A ball kicked across Cardiff Arms Park in the dying minutes of a match between two of international rugby's fiercest rivals. The world's two greatest wingers waited as it bounced towards them, knowing that whoever caught the ball would score and win the match for his country. *Dragons and All Blacks* tells what happened when Wales played New Zealand in 1953. The story is written from contemporary accounts and the memories of the men who played that day, including Bob Stuart and Bleddyn Williams, for many of whom the match was the highlight of a career. The book retells the stories of the two teams and the men who played for them, and charts the events of their lives: how they got to that meeting point in Cardiff in December 1953 and what has happened to them in the half-century since. *Dragons and All Blacks* examines the remarkable relationship between two countries on opposite sides of the world, brought together by a mutual passion for rugby with few parallels elsewhere. It shows how their rivalry has developed over a century - from perhaps the

greatest of all rugby matches in 1905 to the single-point thriller of 2004 - and looks to its future in the aftermath of the 2005 Welsh Grand Slam and Lions tour of New Zealand.

The Wisdom of Crowds Joe Abercrombie, 2021-09-14 The New York Times bestselling finale to the Age of Madness trilogy finds the world in an unstoppable revolution where heroes have nothing left to lose as darkness and destruction overtake everything. Chaos. Fury. Destruction. The Great Change is upon us . . . Some say that to change the world you must first burn it down. Now that belief will be tested in the crucible of revolution: the Breakers and Burners have seized the levers of power, the smoke of riots has replaced the smog of industry, and all must submit to the wisdom of crowds. With nothing left to lose, Citizen Brock is determined to become a new hero for the new age, while Citizeness Savine must turn her talents from profit to survival before she can claw her way to redemption. Orso will find that when the world is turned upside down, no one is lower than a monarch. And in the bloody North, Rikke and her fragile Protectorate are running out of allies . . . while Black Calder gathers his forces and plots his vengeance. The banks have fallen, the sun of the Union has been torn down, and in the darkness behind the scenes, the threads of the Weaver's ruthless plan are slowly being drawn together . . . No one writes with the seismic scope or primal intensity of Joe Abercrombie. —Pierce Brown For more from Joe Abercrombie, check out: The Age of Madness A Little Hatred The Trouble With Peace The Wisdom of Crowds The First Law Trilogy The Blade Itself Before They Are Hanged Last Argument of Kings Best Served Cold The Heroes Red Country The Shattered Sea Trilogy Half a King Half a World Half a War
