**Motorhome Europe** Jason Buckley, 2023-10-19 Experience the Thrill of Touring Europe by Motorhome Motorhome Europe is the latest practical guide from Jason and Julie Buckley, authors of the ourtour.co.uk motorhome travel blog and the best-selling Motorhome Touring Handbook. Over the years we've travelled tens of thousands of miles across Europe, visiting more than 30 countries and sleeping in over 1,000 places in our campervan and motorhomes. We've had experiences beyond our dreams, which we'd love you to enjoy too. Motorhome Europe distils our experiences into a 330 page, full colour guide. It's packed with inspiration, tips and practical guidance to help you embark on a new adventure abroad, or to expand your horizons to more distant countries across the continent. Which Countries are Covered? Focusing entirely on motorhome travel outside Britain, Motorhome Europe profiles the following countries in the EU and beyond. Those closer to Britain are covered in the most detail. Andorra, Austria, Belgium, Bosnia & Herzegovina, Bulgaria, Croatia, Czechia, Denmark, Estonia, Finland, France, Germany, Gibraltar, Greece, Hungary, Ireland, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Netherlands, Norway, Poland, Portugal, Romania, San Marino, Slovakia, Slovenia, Spain, Sweden and Switzerland. Who is Motorhome Europe For? Motorhome Europe is for anyone with the urge to travel in their own motorhome or campervan, outside Britain in mainland Europe and Ireland. If you're heading abroad for the first-time, the book will ensure you're fully prepared. Run through the checklists and descriptions included and you'll be confident you're ready for the coming adventure. If this isn't your first trip abroad, the book offers reminders of what to pack, plus ideas and suggestions for new places to tour. We take you from Norway's North Cape all

the way south to Andalusia in Spain, Algarve in Portugal, Sicily and the Peloponnese in Greece. What's Inside Motorhome Europe? The book is arranged into four parts: Part 1 paints a picture of Europe from a motorhome travel perspective. The types of places there are to stay (campsites, aires, wild camping, restaurants, vineyards, farms & home camping) and ideas for filling your days on the road. Part 2 offers guidance on itinerary planning, where to go and when. Whether you've a few days, weeks, months or even years to dedicate to travel. We take you right across the continent, profiling countries from a motorhome travel perspective, how to get there, access toll roads and low emission zones and find places to stay. Colour photos are included to bring the highlights of Europe to life. Part 3 digs down into the detail, providing checklists and practical advice on how to prepare yourselves, your van and your pets for travelling to the continent. Part 4 takes you out onto the road, discussing the practicalities of day-to-day life abroad, from using cross-Channel ferries and the Eurotunnel to driving on the right, buying diesel and using motorhome service points. In the unlikely event something goes awry, we've provided advice for handling problems such as breakdowns and accidents. Thanks for reading folks and happy travels!

Control, Influence, Accept (For Now) Dan Moore, 2023-10-31 Prepare for the future from the inside out. How keen is your self-knowledge? Who influences your understanding of others? When was the last time you really concentrated on your purpose, your resilience, your perspective? And what in the world is polvo? In Control, Influence, Accept (FN), author Dan Moore guides you on an antic journey of self-reflection with a very serious goal: to help you cultivate your inner-self who will be ready for whatever the universe throws

at you—the obvious and the odious. From his days selling books door-to-door in the Arizona desert to trying Portuguese delicacies under the watchful eyes of his would-be in-laws, Moore has lived a life just on the edge of the ordinary . . . and he has extracted extraordinary insights from every colorful experience. In hilarious, everyman language, Moore describes his own inflection points and shows you how personal growth will help you get through when getting out simply isn't an option. In a world where the only constant is change, Dan Moore thinks you owe it to yourself to set positive patterns for the one and only asset you can actually control—you. No one knows what the future holds. Your best preparation is in the self you bring along.

**Mindfulness in the Workplace** Margaret A. Chapman-Clarke, 2016-05-03

Mindfulness-based interventions in organizations offer the potential to build individual and organizational resilience, engage employees and address workplace stress. Mindfulness in the Workplace is a practical guide written for practitioners who want to learn how mindfulness can be used as a change management and organizational development strategy. Drawing from the latest research evidence from neuro- and behavioural science, Mindfulness in the Workplace offers a framework and guidance on how to start evolution- not revolution- in the organization. It ensures the greatest chance of success, showing how to identify the key stakeholders and work with them on understanding the power of a mindfulness initiative, how to identify a mindfulness champion, adapt the language of mindfulness to the context of the

organization, establish metrics, and measure return on investment. Mindfulness in the Workplace proposes that HR and OD professionals are best placed to understand the complexity of implementing change in organizational systems and, therefore, the practice of mindfulness need to be brought in-house, even if they bring in external mindfulness coaches to train their leaders. Case studies including Capital One Finance and the NHS Mental Health Trust cover the reasoning behind these initiatives, how they were planned, the barriers they faced, the lessons learned, and their results. This book offers a forum for HR and OD practitioners to hear from other practitioners who have implemented organizational mindfulness-based interventions using change management principles so that they can understand how they might be applied to their own practice and their own organizations.
