*The Hating Game* Sally Thorne, 2016-08-09 Now a movie starring Lucy Hale and Austin Stowell, USA Today bestselling author Sally Thorne's hilarious and sexy workplace comedy all about that thin, fine line between hate and love. Nemesis (n.) 1) An opponent or rival whom a person cannot best or overcome. 2) A person's undoing 3) Joshua Templeman Lucy Hutton and Joshua Templeman hate each other. Not dislike. Not begrudgingly tolerate. Hate. And they have no problem displaying their feelings through a series of ritualistic passive aggressive maneuvers as they sit across from each other, executive assistants to co-CEOs of a publishing company. Lucy can't understand Joshua's joyless, uptight, meticulous approach to his job. Joshua is clearly baffled by Lucy's overly bright clothes, quirkiness, and Pollyanna attitude. Now up for the same promotion, their battle of wills has come to a head and Lucy refuses to back down when their latest game could cost her her dream job...But the tension between Lucy and Joshua has also reached its boiling point, and Lucy is discovering that maybe she doesn't hate Joshua. And maybe, he doesn't hate her either. Or maybe this is just another game.

**Second First Impressions** Sally Thorne, 2021-04-13 "Second First Impressions is the warmest, coziest, sweetest book of the year, an absolutely perfect blend of humor and heart. I want to live inside Sally Thorne's brain." —Emily Henry, New York Times bestselling of *Beach Read* From the USA Today bestselling author of *The Hating Game*, soon to be a movie starring Lucy Hale and Austin Stowell, and 99 Percent Mine comes the clever, funny, and unforgettable story of a muscular, tattooed man hired as an assistant to two old women—under the watchful eye of a beautiful retirement home manager. Dazzle (n): Brightness that blinds someone temporarily. Position Vacant: Two ancient old women residing at Providence Retirement Villa seek male assistant for casual exploitation and good-natured humiliation. Duties include boutique shopping, fast-food fetching, and sincerely rendered flattery. Good looks a bonus—but we aren't picky. An advertisement has been placed (again!) by the wealthy and eccentric Parlioni Sisters. The salary is generous and the employers are 90 years old, so how hard could the job be? Well, none have lasted longer than a week. Most boys leave in tears. Ruthie Midona will work in Providence's front office, and be at the Parlioni's beck and call, forever. That's sort of her life plan. If Ruthie can run the place in her almost-retired bosses' absence, with no hijinks/hiccups, she has a shot at becoming the new manager. She might also be able to defend her safe little world from Prescott Development, the new buyer of the prime site. Maybe after all that, she can find a cute guy to date. All she needs to do is stay serious—and that's what she does best. Until, one day, someone dazzling blows into town. Teddy Prescott devotes his life to sleeping, tattooing, and avoiding seriousness. When Teddy needs a place to crash, he makes a deal with his developer dad. Teddy can stay in one of Providence's on-site maintenance cottages—right next door to an unimpressed Ruthie—but only if he works there and starts to grow up. Ruthie knows how this sweetly selfish rich boy can earn his keep—and be out of her hair in under a week. After all, there is a position vacant...

My Heart Chandra Ningsih, 2017-03-15 Falling in love is a magical time in your life. When you have found someone special, you want to express how much that person means to you each and everyday. How you make her or him feel all begins with the right words to say, I love you. MY HEART: Love Quotes To Say I Love You contains a large collection of the most romantic, passionate, and heartfelt expression of love ever written. You will be inspired by unforgettable quotes from literary greats like Shakespeare, E.E. Cummings, Maya Angelou, and many others. Whether you are in love, searching for love, or want to rekindle love in your life, make sure that you say I love You in a way that will capture that person's heart FOREVER.

**Because of You, I Learned to Truly Love** Abdul Haque Essop, 2016-10-05 Love is not just about using the word to silence your partner in questioning any uncertainties or great concerns. But love should be shown in your actions to eliminate every doubt. It is not about giving your partner the most expensive gift that money can buy. But it has to do with the littlest of things thus showing your love for them, which becomes priceless. Ultimately, love has no price tag because money can buy you a good time, but love enriches your body, mind, heart, and soul. For a healthy

relationship, refrain from hurting your partner in a manner whereby lying and cheating can totally destroy your relationship. Always remember not to hurt and break a heart that was meant to only love you. In the end, you can stand to lose that love and the person who stood by you, although they know your flaws and still completely accepted you. It is important to note that you shouldn't fool yourself by thinking that you have fooled a person by deceiving and lying to that person who truly loves you and cares about you. Only with time will it be your own guilt that will make you realize that this person always knew, and yet they have constantly forgiven you. Finally, you will certainly hurt when the day you lose that person forever by knowing that you continuously broke their trust. Take heed. When you love from your soul and someone breaks you down completely then those invisible tears become the most difficult to wipe away. To sum up my message to the world, this is my deepest and sincerest belief: Love is not who loves the other more or less but to whether your love for each other is sincere and true. Love is not who was there only when you always smiled but who was there to make you feel better when you broke down and cried. Love is not about who is right or wrong but how you work on the issues and keep your love growing strong. Love is not how many times you thought to walk away but how long you stayed in love and kept your relationship alive.

**My Dark Vanessa** Kate Elizabeth Russell, 2020-03-10 INSTANT NEW YORK TIMES BESTSELLER “[An] exceedingly complex, inventive, resourceful examination of harm and power.” —The New York Times Book Review, Editors’ Choice “A lightning rod . . . brilliantly crafted.”—The Washington Post A most anticipated book by The New York Times • USA Today • Entertainment Weekly • Marie Claire • Elle • Harper's Bazaar • Bustle • Newsweek • New York Post • Esquire • Real Simple • The Sunday Times • The Guardian Exploring the psychological dynamics of the relationship between a precocious yet naïve teenage girl and her magnetic and manipulative teacher, a brilliant, all-consuming read that marks the explosive debut of an extraordinary new writer. 2000. Bright, ambitious, and yearning for adulthood, fifteen-year-old Vanessa Wye becomes entangled in an affair with Jacob Strane, her magnetic and guileful forty-two-year-old English teacher. 2017. Amid the rising wave of allegations against powerful men, a reckoning is coming due. Strane has been accused of sexual abuse by a former student, who reaches out to Vanessa, and now Vanessa suddenly finds herself facing an impossible choice: remain silent, firm in the belief that her teenage self willingly engaged in this relationship, or redefine herself and the events of her past. But how can Vanessa reject her first love, the man who fundamentally transformed her and has been a persistent presence in her life? Is it possible that the man she loved as a teenager—and who professed to worship only her—may be far different from what she has always believed? Alternating between Vanessa's present and her past, My Dark Vanessa juxtaposes memory and trauma with the breathless excitement of a teenage girl discovering the power her own body can wield. Thought-provoking and impossible to put down, this is a masterful portrayal of troubled adolescence and its repercussions that raises vital questions about agency, consent, complicity, and victimhood. Written with the haunting intimacy of The Girls and the creeping intensity of Room, My Dark Vanessa is an era-defining novel that brilliantly captures and reflects the shifting cultural mores transforming our relationships and society itself.

She thinks he's just a hipster, but is there more to this handsome stranger than meets the eye? Yes. He's a mummy. We're not really making a secret about this. The twist is he's a mummy. It's a book about a girl who falls in love with a mummy. We've read young adult books about teenage girls unknowingly falling in love with vampires, werewolves, angels, demons, fairies, mermen, warlocks, dreamwalkers, and trolls. Seriously, there was one about trolls. It's time for mummies, dammit. It's time for mummies.

Why Be Happy When You Could Be Normal? Jeanette Winterson,2011-10-25 Heartbreaking and funny: the true story behind Jeanette's bestselling and most beloved novel, Oranges Are Not the Only Fruit. In 1985, at twenty-five, Jeanette published Oranges, the story of a girl adopted by Pentecostal parents, supposed to grow up to be a missionary. Instead, she falls in love with a woman. Disaster. Oranges became an international bestseller, inspired an award-winning BBC adaptation, and was semi-autobiographical. Mrs. Winterson, a thwarted giantess, loomed over the novel and the

author's life: when Jeanette left home at sixteen because she was in love with a woman, Mrs. Winterson asked her: Why be happy when you could be normal? This is Jeanette's story--acute, fierce, celebratory--of a life's work to find happiness: a search for belonging, love, identity, a home. About a young girl locked out of her home, sitting on the doorstep all night, and a mother waiting for Armageddon with two sets of false teeth and a revolver in the duster drawer; about growing up in a northern industrial town; about the Universe as a Cosmic Dustbin. She thought she had written over the painful past until it returned to haunt her and sent her on a journey into madness and out again, in search of her biological mother. It is also about other people's stories, showing how fiction and poetry can form a string of guiding lights, a life raft that supports us when we are sinking.
