Betty C. Hankins

A Book about Myself Called Hell Jared Joseph,2022-02-15 In the middle of the journey of our life Dante finds himself lost in a dark wood but then he founds a whole lot of literary movements and arguably modernity itself with his Divine Comedy that, nonetheless, inexplicably, didn't make God laugh. This serious absence caused God's non-divine counterparts, humans, to wonder: Why are we in hell? Why is it so funny? And why can't I laugh?

I IRS (My Hell of Life) James M. Moten,2023-07-05 About the Book I IRS (My Hell of Life) follows the life and experiences of a young black man as he survives the South but continues to face systemic and institutionalized racism throughout his life, in overt as well as subtle ways. The story moves back and forth in time, painting a vivid, often painful, picture of growing up in the South and later working at the IRS and serving in the military. But despite all the racist blows dealt against him, he never doubted that God exists and loves him. About the Author James M. Moten is a retired IRS agent who served in the US Air Force and Marines. He is the owner of Taxonyourside LLC. He works for two CPA firms and has a degree in finance. His special interest is outer space. Moten has eight children.

My Hell J Haney,2020-01-17 One night. One kiss and my world went to shit. Shane Hellion or Hell as I've come to call him has been my best friend for three years. It started off as a working relationship, then evolved into a partnership. Now? Christ, what am I gonna do? I have a little girl to think about. I can't just- do whatever. Between the ex breathing down my back and my house falling apart, how am I supposed to navigate what he wants? What do I want? I want something that can help me escape, my hell.

My Hell Was Here Betty C. Hankins,2010-06-08 This morning I witnessed a scene that very few have seen or recognized. It happened at 5.30 AM here in Phoenix, AZ. The moon was ascending and the horizon was light orange as the sun was coming up. It reminded me that life is like that, always evolving. Yes, my hell was here, but now I have my own heaven right here on earth because, I am an over-comer. All that I've been through, God was on my side. He never left me or forsook me. I praise Him daily for His goodness and mercy. This book is my testimony that all things are possible with God on your side who can be against you.

Hell Tom Maxwell,2014-08-16 The Swing Movement -- all jazz hands and high-waisted pants -- advanced and receded in good order. I wrote this book to tell the other side of the story. I want you to know about the oddball collection of iconoclasts who got together and made the Squirrel Nut Zippers what they were: a combustible, improbable gumbo of joy and menace. Along the way, I write about our many influences: jazz and blues and hot music and calypso and, yes, swing. Come run these fields, like rabbits, while the harvest moon hangs caught in the branches. Come linger over this snapshot.

The Penguin Book of Hell Scott G. Bruce,2018-09-04 From the Bible through Dante and up to Treblinka and Guantánamo Bay, here is a rich source for nightmares. --The New York Times Book Review Three thousand years of visions of Hell, from the ancient Near East to modern America A Penguin Classic From the Hebrew Bible's shadowy realm of Sheol to twenty-first-century visions of Hell on earth, The Penguin Book of Hell takes us through three thousand years of eternal damnation. Along the way, you'll take a ferry ride with Aeneas to Hades, across the river Acheron; meet the Devil as imagined by a twelfth-century Irish monk--a monster with a thousand giant hands; wander the nine circles of Hell in Dante's Inferno, in which gluttons, liars, heretics, murderers, and hypocrites are made to endure crime-appropriate torture; and witness the debates that raged in Victorian England when new scientific advances cast doubt on the idea of an eternal hereafter. Drawing upon religious poetry, epics, theological treatises, stories of miracles, and accounts of saints' lives, this fascinating volume of hellscapes illuminates how Hell has long haunted us, in both life and death. For more than seventy-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 2,000 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

My Decade at Old Sun, My Lifetime of Hell Arthur Bear Chief,2016-12-19 My Decade at Old Sun, My Lifetime of Hell is a simple and outspoken account of the sexual and psychological abuse that Arthur Bear Chief suffered during his time at Old Sun Residential school in Gleichen on the Siksika Nation. In a series of chronological vignettes, Bear Chief depicts the punishment, cruelty, abuse, and injustice that he endured at Old Sun and then later relived in the traumatic process of retelling his story at an examination for discovery in connection with a lawsuit brought against the federal government. He returned to Gleichen late in life—to the home left to him by his mother—and it was there that he began to reconnect with Blackfoot language and culture and to write his story. Although the terrific adversity Bear Chief faced in his childhood made an indelible mark on his life, his unyielding spirit is evident throughout his story.

My Hell Uffe E:son,2018-02-05 Read the compelling story of a tortured man, forced into drug addiction and alcoholism. On a quest to beg forgiveness for his crimes he makes his way downhill a dangerous mountainside, chased by rifle-carrying pursuers, while facing an arduous uphill climb through his own personal purgatory.

A Guided Tour of Hell Samuel Bercholz,2016-12-06 Take a trip through the realms of hell with a man whose temporary visitor’s pass gave him a horrifying—and enlightening—preview of its torments. This true account of Sam Bercholz’s near-death experience has more in common with Dante’s Inferno than it does with any of the popular feel-good stories of what happens when we die. In the aftermath of heart surgery, Sam, a longtime Buddhist practitioner and teacher, is surprised to find himself in the lowest realms of karmic rebirth, where he is sent to gain insight into human suffering. Under the guidance of a luminous being, Sam’s encounters with a series of hell-beings trapped in repetitious rounds of misery and delusion reveal to him how an individual’s own habits of fiery hatred and icy disdain, of grasping desire and nihilistic ennui, are the source of horrific agonies that pound consciousness for seemingly endless cycles of time. Comforted by the compassion of a winged goddess and sustained by the kindness of his Buddhist teachers, Sam eventually emerges from his ordeal with renewed faith that even the worst hell contains the seed of wakefulness. His story is offered, along with the modernist illustrations of a master of Tibetan sacred arts, in order to share what can be learned about awakening from our own self-created hells and helping others to find relief and liberation from theirs.
