

My Kiosk

Daniel Lubetzky

Aberto [Open]: Culture Kiosk Fabiana de Barros,2017-03-28 Created by artist Fabiana de Barros in 1998, when she took part in an artistic exchange between Switzerland, Brazil, and France, in João Pessoa (state of Paraíba), the Fiteiro Cultural [Culture Kiosk] had the intention of being an ideal space, capable of transforming into an atelier, a stage, an exhibition venue, or a place suited for resting, reading, and thinking.This second edition of Aberto [Open]: Culture Kiosk reinterprets and updates the work whose name it bears. The book was strengthened in its function of recording, analyzing, and displaying the visual memory of the structure and the impact of the Fiteiro Cultural in the cities it has visited and on the people that dedicated their reflection to it.

.... **My Thanks To You !** Jack Coppard,2015-04-02 When starting this story, some three years ago, I was never sure whether I had the ability or the stomach to awaken ‘all’ of my past memories, but I’m glad that I did. I am also conscious of the fact that the written word is a very powerful tool, and with this in mind I have stuck to the truth, however painful at times, but equally uplifting and amusing. I have tried not to become judge and jury, and have been mindful of the fact that most of the people I have written about are dead, and therefore unable to defend themselves, or give themselves a pat on the back. These memories have been written as seen through my eyes only, and are as correct as my memory recalls, luckily I’ve been blessed with a very good memory. For those who have followed my story from its start, you will recall that my Mother died during the early years of World War Two, and that I had always felt that the full details of her passing contained a degree of mystery. The family always seemed to keep me in the dark, and when the cause of death was revealed to me I understood why.

Do the KIND Thing Daniel Lubetzky,2015-03-31 For the socially conscious, the intellectually curious, or the creative soul comes an inspiring, New York Times bestselling handbook for success in business, life, and the all-important task of building a more compassionate world–by the visionary founder and CEO of KIND Healthy Snacks. When Daniel Lubetzky started KIND Healthy Snacks in 2004, he aimed to defy the conventional wisdom that snack bars could never be both tasty and healthy, convenient and wholesome. A decade later, the transformative power of the company’s “AND” philosophy has resulted in an astonishing record of achievement. KIND has become the fastest-growing purveyor of healthy snacks in the country. Meanwhile, the KIND Movement–the company’s social mission to make the world a little kinder–has sparked more than a million good deeds worldwide. In *Do the KIND Thing*, Lubetzky shares the revolutionary principles that have shaped KIND’s business model and led to its success, while offering an unfiltered and intensely personal look into the mind of a pioneering social entrepreneur. Inspired by his father, who survived the Holocaust thanks to the courageous kindness of strangers, Lubetzky began his career handselling a sun-dried tomato spread made collaboratively by Arabs and Jews in the war-torn Middle East. Despite early setbacks, he never lost his faith in his vision of a “not-only-for-profit” business–one that sold great products and helped to make the world a better place. While other companies let circumstances force them into choosing between two seemingly incompatible options, people at KIND say “AND.” At its core, this idea is about challenging assumptions and false compromises. It is about not settling for less and being willing to take greater risks, often financial. It is about learning to think boundlessly and critically, and choosing what at first may be the tougher path for later, greater rewards. By using illuminating anecdotes from his own career, and celebrating some past failures through the lessons learned from them, Lubetzky outlines his core tenets for building a successful business and a thriving social enterprise. He explores the value of staying true to your brand, highlights the importance of transparency and communication in the workplace, and explains why good intentions alone won’t sell products. Engaging and inspirational, *Do the KIND Thing* shows how the power of AND worked wonders for one company–and could empower the next generation of social entrepreneurs to improve their bottom line and change the world. Advance praise for *Do the KIND Thing* “An enjoyable read . . . wise advice about matters from product development to people management.”–Financial Times “By sharing the ten tenets that helped KIND grow, Daniel Lubetzky has given entrepreneurs a road map to success that includes both passion and purpose.”–Arianna Huffington, president and editor in chief, Huffington Post Media Group “Lubetzky uses the power of kindness to build purpose into his business and his community. He’s a role model for future leaders.”–Mehmet Oz, M.D., professor of surgery, Columbia University “I’ve always been a fan of the KIND brand. This engaging and inspirational book shows how coupling a social mission with creativity can spark change and empower a generation.”–Bobbi Brown, founder and CCO, Bobbi Brown Cosmetics

The Russian Mafia Federico Varese,2001-08-02 What is the Russian Mafia? This unique book thoroughly researches this question and challenges widely-held views. The author charts the emergence of the Russian Mafia in the context of the transition to the market, the privatization of protection and pervasive corruption. The ability of the Russian State to define property rights and protect contracts is compared to the services offered by fragments of the state apparatus, private security firms, ethnic crime groups, the Cossacks and the Mafia. Past criminal traditions, rituals and norms have been resuscitated by the Mafia of today to forge a powerful new identity and compete in a crowded market for protection. The book draws on and reports of undercover police operations, in-depth interviews conducted over several years with the victims of the Mafia, criminals and officials, and documents from the Gulag archives. It also provides a comparative study, making references to other Mafia (the Japanese Yakuza, the Sicilian Cosa Nostra, American-Italian Mafia and the Hong Kong Triads).

Eggshells Caitriona Lally,2017-03-14 – Irish Book of the Year Finalist! – An Amazon Best Books of the Year So Far pick! A whimsical, touching debut about loneliness, friendship and hope... Vivian doesn't feel like she fits in – and never has. As a child, she was so whimsical that her parents told her she was left by fairies. Now, living alone in Dublin, the neighbors treat her like she's crazy, her older sister condescends to her, social workers seem to have registered her as troubled, and she hasn't a friend in the world. So, she decides it's time to change her life: She begins by advertising for a friend. Not just any friend. She wants one named Penelope. Meanwhile, she roams the city, mapping out a new neighborhood every day, seeking her escape route to a better world, the other world her parents told her she came from. And then one day someone named Penelope answers her ad for a friend. And from that moment on, Vivian's life begins to change. Debut author Caitriona Lally offers readers an exhilaratingly fresh take on the Irish love for lyricism, humor, and inventive wordplay in a book that is, in itself, deeply charming, and deeply moving.

My Beloved/my Little One, Let Me Love Your Soul Mekhitar Garabedian,Kiosk (Ghent),2010

Absolute Reconciliation Joseph Wainaina Karanja,2015-12-11 Can you change your destiny by embracing reconciliation and forgiveness, even after surviving a harsh life? That is the dilemma facing young Alex Ngure. Absolute Reconciliation explores the themes of male chauvinism in the African context, issues of guilt, family breakdowns, and difficulties of forgiveness. The ultimate theme of the book is the desire to be reconciled with self, others, and God. The story is set in 1985 to 1995 in Nairobi, Kenya, where Alex is born of an incestuous rape relationship. He faces the wrath of his stepfather, Macharia, who was not privy of his wife’s rape. Acting out of ignorance, Macharia accuses his wife, Rachel, of adultery. His stepfather treats Alex as a scapegoat, accusing him of all manner of vices as a way of hitting back at his “unfaithful” wife. Unable to cope with the physical, emotional, and mental abuse coming from Macharia, Alex runs away and ends up on the streets of Nairobi, where he is initiated into a gang. Even as Absolute Reconciliation shows the problems arising out of broken homes, crime, and guilt, it still ends on a hopeful note.

Five Characteristics of a Successful Entrepreneur Ryan Westwood,Travis Johnson,2016-03-09 Researchers and psychologists have spent decades working to dissect and analyze the personality characteristics intrinsic to successful entrepreneurs. While a number of theories have been advanced about what it takes to achieve entrepreneurial success, none have tapped directly into the collective wisdom of the entrepreneurs themselves. In *The Five Characteristics of a Successful Entrepreneur*, serial entrepreneurs Ryan Westwood and Travis Johnson recount their two year mission to survey 100,000 highly successful U.S. business CEOs and founders whose organizations have grossed at least \$1 million in annual revenue. Armed with survey results from more than 2,600 respondents from across the nation, Mr. Westwood and Mr. Johnson take an in-depth look at the five personality traits most commonly identified as essential to entrepreneurial success. Filled with real-life examples, insightful analysis, and action plans at the end of each chapter, *The Five Characteristics of a Successful Entrepreneur* is an unprecedented journey into the rich, nuanced fabric that has made American entrepreneurs the most savvy and innovative on earth. It is a must-read for any aspiring entrepreneur seeking to follow a clear path to success—and for any accomplished entrepreneur seeking to impart the most salient, relevant advice to the next generation.

Forged in the Fallout Ben Green,2021-07-27 Clayson Spangler navigates the wreckage of a strange underground world threatened by nuclear magic and his family's secrets. I turned fourteen a couple of days ago—maybe. Dad keeps the exact date under a mountain of secrets. On a tranquil evening in the Appalachians, my solitary life crashes into Dad's impossible past: a kingdom under the Rocky Mountains; his wife enchanted to forget her own son; strange metal objects filled with magic; and Dad's most dangerous secret—mithrium—a metal strong enough to level cities. Now, Dad is on the run, Mom is on trial for treason, and I'm ordered to hide in the last remaining safehold—Tungsten City. To stay out of danger, I'll need help from my new mentor, Rugnus, a master of the elements, and Andalynn, the sister Dad kept hidden from me. After years of secrets, I won't stand by as a world of enemies—both known and unknown—threatens to eradicate my family and ignite a war between the last two cities deep under the Rockies in the Kingdom of Rimduum. Don't let this shimmering world of neon stay only in your dreams. Order now to enter this immersive world!

The Under Dog Francis Hopkinson Smith,1903 1912. Illustrated. Smith had several careers: engineer, artist, illustrator and short story writer. His success in engineering included planning the foundations for the Statue of Liberty. He traveled frequently to Europe and became known for his portraits and illustration. Smith was an entertaining after-dinner storyteller and in his fifties he decided to commit his stories to paper and is remembered for his Colonel Carter novels. In the volume of stories, Smith explains to the readers that: In the strife of life some men lose place through physical weakness or lost opportunities or impaired abilities; struggle on as they may, they must always be the Under Dog in the fight...These Under Dogs—grave and gay—have always appealed to me. Their stories are printed here in the hope that they may also appeal to you. See other titles by this author available from Kessinger Publishing.

African Women and ICTs Ineke Buskens,Anne Webb,2009-04 Based on the outcome of an extensive research project, this book features chapters based on original primary field research undertaken by academics & activists who have investigated situations within their own communities & countries.

Self's Punishment Bernhard Schlink,Walter Popp,2005-04-12 As a young man, Gerhard Self served as a Nazi prosecutor. After the war he was barred from the judicial system and so became a private investigator. He has never, however, forgotten his complicity in evil. Hired by a childhood friend, the aging Self searches for a prankish hacker who's invaded the computer system of a Rhineland chemical plant. But his investigation leads to murder, and from there to the charnel house of Germany's past, where the secrets of powerful corporations lie among the bones of numberless dead. What ensues is a taut, psychologically complex, and densely atmospheric moral thriller featuring a shrewd, self-mocking protagonist.
