*True Love* Thich Nhat Hanh, 2023-09-19 In this little treasure, Thich Nhat Hanh offers a Buddhist view of love along with techniques for manifesting it in our daily lives. In his characteristically direct, simple, and compassionate style, he explores the four key aspects of love as described in the Buddhist tradition: lovingkindness, compassion, joy, and freedom. In order to love in a real way, Thich Nhat Hanh explains, we need to learn how to be fully present in our lives. In *True Love* he offers readers the technique of conscious breathing as a method for synchronizing the mind and body to establish the conditions of love. He goes on to offer a mantra practice for generating love that consists of expressing four key statements or intentions in our relationships. These include: Dear one, I am really there for you; Dear one, I know that you are there, and I am really happy about it; Dear one, I know that you are suffering, and that is why I am here for you; and Dear one, I am suffering, please help me. In the concluding section of the book, Thich Nhat Hanh explains how love can help us to heal our own pain, fear, and negativity. He explains that we must not regard negative emotions as bad and repress them. We must recognize them as part of us and allow them into our consciousness, where they can be cared for by the loving mother of mindfulness.

*All About Love* bell hooks, 2018-01-30 A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' *Love Song to the Nation* trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new

path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the “100 Visionaries Who Can Change Your Life.” All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

**The Sound of Salvation** I. A. Dice, 2020-01-21 It's easier to control tears than fear. It's easier to suffer in silence than ask for help. It's easier to be loved than to love. Nadia has a past. A messy past full of grief, suffering, and regret. Broken and fragile, she's scared to share her secrets and struggles to move on. Until he comes along. A handsome face; an athletic build; the strength he emanates. He's everything she needs to regain control of her emotions. He's the flicker of light at the end of a dark tunnel. But she refuses to take advantage of what he offers, too scared it'll backfire. Thomas carries a burden. A heavy burden that left him numb. He hides behind the mask of a playboy, refusing to feel, convinced that fate made a mistake and his job is to fix it. In his orderly world, there's no place for joy and happiness. Until she comes along. A beautiful face; a petite body; a sea of sadness in her eyes. She flips his world upside down with one look, and maybe - just maybe, there is a reason why he's still breathing.

Except she's his best friend's off-limits little sister and if he touches her, she might just be the reason he stops breathing. This book is an emotional roller coaster let me put that out there first, but in the best way. I was hooked from the first few pages and couldn't put this book down. -S.
