New York Magazine ,1983-03-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Annual Report of the Commissioner of Patents United States. Patent Office,1925 Prior to 1862, when the Department of Agriculture was established, the report on agriculture was prepared and published by the Commissioner of Patents, and forms volume or part of volume, of his annual reports, the first being that of 1840. Cf. Checklist of public documents ... Washington, 1895, p. 148.

The Papers of Jefferson Davis Jefferson Davis,1995-01-01 Volume 8 of The Papers of Jefferson Davis brings the Confederate president to the second year of the War Between the States and shows that during 1862 Davis was almost completely overwhelmed by military matters. Indeed, early that year, in an address to the Confederate Congress, he admitted that in trying to defend every part of its far-flung territory, the “Government had attempted more than it had power successfully to achieve.” During 1862, Judah P. Benjamin was replaced as secretary of war by George W. Randolph, who was then succeeded by James A. Seddon. As the year advanced, Davis’ relationships with certain key generals continued to sour. Chief among them were P.G.T. Beauregard, who was finally removed from his last significant command, and Joseph E. Johnston, whose fall from grace precipitated Robert E. Lee’s rise to influence as commander of the Army of Northern Virginia. Lee proved to be as adept in communicating and coordinating plans with the president as Johnston had been inept. At the inconclusive Battle of Shiloh, Davis lost Albert Sidney Johnston, a trusted friend and the general he had most admired. Like Shiloh, many other campaigns of 1862 ended in stalemate and withdrawal, including Henry H. Sibley’s New Mexico campaign, Braxton Bragg’s Kentucky campaign, Earl Van Dorn’s battle at Elkhorn Tavern, and the Confederacy’s greatest gamble—Lee’s Invasion of Maryland. Correspondence with Davis’ brother, Joseph E. Davis, reveals the ever-worsening situation in Mississippi. The Federal occupation of New Orleans, the fall of new Madrid and Island No. 10, and Grants repeated attempts to capture Vicksburg heightened anxiety about the area and persuaded the president to tour the western theater in December. Because the Union’s springtime invasion of Richmond prompted Davis to send his wife and children away, Volume 8 contains an unusually rich collection of letters exchanged during their separation. This correspondence offers a rare glimpse into the minds and hearts of Davis and his wife. Altogether, more than 2,000 documents, many never before published, are included in Volume 8; 133 are printed in full. Culled from fifty-nine repositories, twenty-one private collections, and numerous printed sources, they reveal that despite the many setbacks he suffered in 1862, Davis maintained a deep devotion to duty and an unbending will to win.

My Mar 24 Book Review: Unveiling the Power of Words

In a global driven by information and connectivity, the power of words has become more evident than ever. They have the capacity to inspire, provoke, and ignite change.
