*Original Gangster* Frank Lucas, Aliya S. King, 2010-06-08 A suspenseful memoir from the real life American gangster, Frank Lucas In his own words, Frank Lucas recounts his life as the former heroin dealer and organized crime boss who ran Harlem during the late 1960s and early 1970s. From being taken under the wing of old time gangster Bumpy Johnson, through one of the most successful drug smuggling operations, to being sentenced to seventy years in prison, *Original Gangster* is a chilling look at the rise and fall of a modern legacy. Frank Lucas realized that in order to gain the kind of success he craved he would have to break the monopoly that the Italian mafia held in New York. So Frank cut out middlemen and began smuggling heroin into the United States directly from his source in the Golden Triangle by using coffins. Making a million dollars per day selling Blue Magic—what was known as the purest heroin on the street—Frank Lucas became one of the most powerful crime lords of his time, while rubbing shoulders with the elite in entertainment, politics, and crime. After his arrest, Federal Judge Sterling Johnson, the special narcotics prosecutor in New York at the time of Lucas' crimes, called Lucas and his operation one of the most outrageous international dope-smuggling gangs ever, an innovator who got his own connections outside the U.S. and then sold the narcotics himself in the street. This powerful memoir reveals what really happened to the man whose career was dramatized in the 2007 feature film *American Gangster*, exposing a startling look at the world of organized crime.

**Jailhouse Therapist** Mr. Rubildo, 2016-12-12 Welcome to Rikers Island and Bellevue Hospital Prison ward for the criminally insane where all problems can be solved with a certain degree of violence. As a Jailhouse Therapist for over thirty years, I have seen and experienced firsthand violence that the average civilian cannot even imagine. It is a catastrophic assault on the human psyche which boggles the mind. I am leery of my surroundings when locked down with forty-seven criminally insane individuals, but I am not fearful. Maybe I'm stupid, and I don't know it. I have learned to listen, respect, and look these individuals straight in their eyes with no fear. These individuals cherish respect above anything else. Money, women, and drugs are abstract compared to the concept of respect. Come visit Rikers Island and Bellevue's Forensic Unit and see for yourself with the jailhouse therapist how these psychotic individuals function as they face twenty-five years or a life sentence for murdering their parents, kidnapping, robbing banks, or being stick-up artists and gang bangers. Walk through this New York City county jail in *Jailhouse Therapist*.

**Operation Wide Receiver** Mike Detty, 2015-04-21 The true and shocking story of an undercover smuggling operation. Conducted under the umbrella of Project Gunrunner and intended to stem the flow of firearms to Mexico, the Bureau of Alcohol, Tobacco, Firearms, and Explosives (ATF) ran a series of "gun walking" sting operations, including Operation Wide Receiver and Operation Fast & Furious. The government allowed licensed gun dealers to sell weapons to illegal straw buyers so that they could continue to track the firearms as they were transferred to higher-level traffickers and key figures in Mexican cartels. Motivated by a sense of patriotic duty, Tucson gun dealer and author Mike Detty alerted the local ATF office when he was first approached by suspected cartel associates. Detty made the commitment and assumed the risks involved to help the feds

make their case, often selling guns to these thugs from his home in the dead of night. Originally informed that the investigation would last just weeks, Detty's undercover involvement in Operation Wide Receiver—the precursor to Operation Fast & Furious, by far the largest “gun walking” probe—stretched on for an astonishing and dangerous three years. Though the case took several twists and turns, perhaps the cruelest turn was his betrayal by the very agency he risked everything to help. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history—books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

*Against the Grain* Isaac Samuel Miller, 2023-08-07 After experiencing an unlikely run-in with death during the winter of 2003, in Louisiana, Travis and his uncle Alvin unknowingly pull very dangerous people into their lives. This experience follows them many years later into their futures, culminating in a meeting with an uncanny news pundit, (Sandy Comeaux). Travis informs Sandy of a chilling mystery involving Springfield Avenue's unsolved murders that he witnessed more than a decade ago. Alvin is a gifted genius struggling to be a good role model for Travis, (Travis is a talented writer). There are some things that an author should never publish, especially if it puts his life in danger. The Capers are not to be toyed with, something Travis regrettably begins to appreciate—but maybe it's a little too late?

**My (Money) System: Checkbook Budgeting** Andrea L. Alfred, 2010-06-25 This is not a financial advice book; its far from it. Instead it is a simple guide for a system that can help working people that are struggling to make ends meet or in other words living from one paycheck to the next. Its for young adults who did not have someone to teach them about how to handle their money and obligations, and it can help people who want to pull their credit ratings up. The bottom line is that it is for everyone!

**Ain't No Love in the Bean** Jaron O'Bannon; Shongi Fernandes, 2014-12-17 Trapped in a life of crime in the streets of Boston, on Christmas Eve 1992, Troy Jenkins, an upcoming drug lord with a notorious reputation, and his wife, Karen Jenkins, are murdered by Troy's main comrade, Crook, over greed and jealousy, leaving his son, Jerome Jenkins, shell-shocked. News spread quickly about the murders, causing turmoil in the streets, and a lot of people sought revenge. Having close relations to Troy's father, Roy Barros, a rising detective in the Boston police force, is determined to find the perpetrator, only to find himself caught in the cross fire. Angel, Troy's protégé, slowly starts to put the pieces together about his mentor's death but decides to take revenge into his own hands before revealing to Jerome who took his parents off the face of the earth. He soon finds out Crook is a different force of nature. Jerome grows into a man only to follow into his father's footsteps with one goal in life: to kill the people responsible for the loss of his parents. Along his way, he finds love with a beautiful young lady named Mercedes, and he decides to introduce her to his guardians only to later find out Mercedes is the daughter of Crook! This complicates the hell out of the situation because he is still unaware that Crook took his parents away from him. Trapped in a triangle, Jerome is forced to choose between hurting the only person he loves and avenging the deaths of the only bloodline he once had. Running out of time, Angel is forced to act sooner than he thought, but his plans backfire on him only to cost him his own life. An all-out war breaks out in this city, causing the truth and blood to spill on the streets of Boston.

**The Coin Counting Book** Rozanne Lanczak Williams, 2010-07-23 Twenty-five pennies, four dimes, two nickels, and one quarter... hmm... A pocketful of coins! Who can make heads or tails of it? YOU can with THE COIN COUNTING BOOK. Change just adds up with this bankable book illustrated with real money. Counting, adding, and identifying American currency from one penny to one dollar is exciting and easy. When you have counted all your money, you can decide to save it or spend it.

**Push Off from Here** Laura McKowen,2024-03-05 From the bestselling author of *We Are the Luckiest* and founder of the international recovery community The Luckiest Club comes a modern exploration of addiction that offers nine foundational building blocks that anyone at any stage of sobriety can use. “I wish I had it when I first got sober, but I’m glad I have it now.”—Anne Lamott No matter how far astray you’ve gone or how many times you’ve tried and failed before, as long as you’re still sitting here, breathing, and reading these words, freedom and joy are still possible. When Laura McKowen was two years sober, she received an email from a woman whose sister was struggling with alcohol addiction. McKowen had barely climbed out from the dark place the woman’s sister was in, but she made a list of the things she most needed to hear when she was deep in her own battle. 1. It is not your fault. 2. It is your responsibility. 3. It is unfair that this is your thing. 4. This is your thing. 5. This will never stop being your thing until you face it. 6. You cannot do it alone. 7. Only you can do it. 8. You are loved. 9. We will never stop reminding you of these things. In *Push Off from Here*, McKowen delves deeply into each of her nine points: what they mean, how they work, and how every person can live them. She addresses topics such as the correlation between trauma and addiction, the importance of radical honesty, letting go of the illusion of control, the value of community, a reminder that healing is a continual process, and that the process is a gift. Whether you’re just starting out or have been sober for decades, McKowen instructs us to be kind to ourselves: Change is messy and progress is rarely linear, but we can always push off from here. The stories and advice McKowen shares are specific to alcohol addiction, but the tenets are universal in their application and useful no matter what challenge you face. With profound honesty and boundless compassion, *Push Off from Here* provides an actionable framework for healing what pains us and proves that a life of sobriety can be synonymous with a life of magic, peace, and freedom.

*Humbled* D.J. Glover,2023-11-21 Ever had the disturbing feeling of greedily wanting more? What about being unappreciative of what you already have? We've all experienced this uneasy state of mind, especially Judge Kyle Smith. After sentencing the city's most notorious kingpin to prison, Smith's world slowly begins to shatter. If he doesn't stop overthinking and start understanding, his entire family will be at risk. Enjoy the page-flipping roller coaster of a plot spin in this bilateral suspense. This frolicsome read will have your head spinning to the very last chapter.

*Violent Men* Eric Flore,2021-02-14 War has broken loose over Tony Vero. The golden boy of a secret crime syndicate protected by hell itself, the Family burns him on a job gone sour. Tony finds an out: The Family’s drug dealer goes missing. Tony places himself at odds with the syndicate by leveraging finding their missing man for his freedom. As Tony flirts with forbidden love with the fiery Kay Falco, he doesn’t realize his investigation sets him at odds with three dangerous factions, each more sinister than the last. All three want his life, and a government investigation puts a bullseye on him. Nor could he foresee God sending a devoted detective and an inner-city prayer warrior to battle for his soul. Violent men, God’s praying people and hell’s brute criminals, wage war for Tony Vero. Who will win?

**I Am A Card Counter** Frank Scoblete,2014-05-01 With the help of the easy-to-master steps in this book, even a novice gambler can go from being a traditional blackjack player to a card counter--an advantage player with a true edge over the house. For a dozen years, Frank Scoblete was a devastating card-counter, consistently beating casinos in Las Vegas, Atlantic City, and Tunica, Mississippi and angering the casino bosses by knowing more about how to win money than almost anyone who ever challenged a casino. He employed sophisticated methods, including card-counting and little-known advantage-play techniques to turn the tables on the house. Now Frank, known as an icon of the gambling industry, shares with readers everything he knows about beating casinos at blackjack, including techniques for one, two, four, six, and eight deck games such as end play, the fat finger method, card groupings, and several card counting systems that are easy to learn, but powerful and effective to play. *I Am a Card Counter* is an essential resource for any gambler looking to succeed at the blackjack table.

*My Money Got Gobbled* Robert I. Maltby,2010-09 *My Money Got Gobbled* is a story about real children who have trouble with math and counting

money. With the help of his teacher, Diquan overcomes his fear, conquers the Money Gobblers, and learns to count money, add and subtract.

In My Piggy Bank! - Counting Money Books Professor Gusto,2016-03-03 Learn to count money and save it, too. More than the math skills, this book advocates the valuation of money. It tells children how money is used, which pretty much dictates how your child will interact with currencies in real life. So if you want some valuable lessons out of a math workbook, then this is the book that your child needs to have. Buy a copy today!

## **My Money Counter! Introduction**

In today's digital age, the availability of My Money Counter! books and

manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of My Money Counter! books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of My Money Counter! books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing My Money Counter! versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, My Money Counter! books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing My Money Counter! books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for My Money Counter! books and manuals is Open Library. Open

Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, My Money Counter! books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of My Money Counter! books and manuals for download and embark on your journey of knowledge?
