Nothing Feels Good Andy Greenwald,2003-11-15 Nothing Feels Good: Punk Rock, Teenagers, and Emo tells the story of a cultural moment that's happening right now-the nexus point where teen culture, music, and the web converge to create something new. While shallow celebrities dominate the headlines, pundits bemoan the death of the music industry, and the government decries teenagers for their morals (or lack thereof) earnest, heartfelt bands like Dashboard Confessional, Jimmy Eat World, and Thursday are quietly selling hundreds of thousands of albums through dedication, relentless touring and respect for their fans. This relationship - between young people and the empathetic music that sets them off down a road of self-discovery and self-definition - is emo, a much-maligned, mocked, and misunderstood term that has existed for nearly two decades, but has flourished only recently. In Nothing Feels Good, Andy Greenwald makes the case for emo as more than a genre - it's an essential rite of teenagehood. From the '80s to the '00s, from the basement to the stadium, from tour buses to chat rooms, and from the diary to the computer screen, Nothing Feels Good narrates the story of emo from the inside out and explores the way this movement is taking shape in real time and with real hearts on the line. Nothing Feels Good is the first book to explore this exciting moment in music history and Greenwald has been given unprecedented access to the bands and to their fans. He captures a place in time and a moment on the stage in a way only a true music fan can.

Somewhere Down a Crazy River Robyn Catchlove,2010-06-01 Robyn Catchlove wasn't destined for married life and two and half kids in the suburbs of Adelaide. So, in her early twenties, she walks away from a passionless marriage to seek out adventure and lead the life she always dreamed of. As a spunky 25-year-old, she meets her match, Les Coles, in balmy Cairns, and together they set about building the boat of their dreams. By the time the Jean King launches, Robyn and Les are fiercely in love and ready to take on the challenges of the professional fishing game. This is the start of a gripping eight-year sea journey set in the hallucinogenic tropics of Far North Queensland. It also takes Robyn deep into the heart of the exclusively male world of professional fishing. It is physical, tough, and often perilous, but Robyn won't give up until she has not just silenced, but completely won over, even her toughest critics. Along the way, Robyn develops a remarkable bond with the environment, experiences a deep relationship with indigenous Australians, and collects a swag of colourful and gutsy fishing mates. But when her one true ally unexpectedly turns on her, Robyn is going to need more resilience and courage than she ever needed - even in the toughest storm at sea. Robyn's is a quintessentially Australian story about passions: where they can take you, how to walk away from them if they threaten to destroy you, and what is left if you have the courage to do so. Somewhere Down a Crazy River is also the only factual book ever written about the wild rivers area of Far North Queensland - hers is a wonderfully vivid and exciting adventure, recounting a true story of the land, as well as the amazing people who inhabit it.

Woman Walk the Line Holly Gleason,2021-10-05 Full-tilt, hardcore, down-home, and groundbreaking, the women of country music speak volumes with every song. From Maybelle Carter to Dolly Parton, k.d. lang to Taylor Swift—these artists provided pivot points, truths, and doses of courage for women writers at every stage of their lives. Whether it's Rosanne Cash eulogizing June Carter Cash or a seventeen-year-old Taylor Swift considering the golden glimmer of another precocious superstar, Brenda Lee, it's the humanity beneath the music that resonates. Here are deeply personal essays from award-winning writers on femme fatales, feminists, groundbreakers, and truth tellers. Acclaimed historian Holly George Warren captures the spark of the rockabilly sensation Wanda Jackson; Entertainment Weekly's Madison Vain considers Loretta Lynn's girl-power anthem "The Pill"; and rocker Grace Potter embraces Linda Ronstadt's

unabashed visual and musical influence. Patty Griffin acts like a balm on a post-9/11 survivor on the run; Emmylou Harris offers a gateway through paralyzing grief; and Lucinda Williams proves that greatness is where you find it. Part history, part confessional, and part celebration of country, Americana, and bluegrass and the women who make them, *Woman Walk the Line* is a very personal collection of essays from some of America's most intriguing women writers. It speaks to the ways in which artists mark our lives at different ages and in various states of grace and imperfection—and ultimately how music transforms not just the person making it, but also the listener.

Saved by a Song Mary Gauthier, 2021-07-06 A handbook for compassion... a Must-Read Music Book." —Rolling Stone Country Generous and big-hearted, Gauthier has stories to tell and worthwhile advice to share. —Wally Lamb, author of *I Know This Much Is True* Gauthier has an uncanny ability to combine songwriting craft with a seeker's vulnerability and a sage's wisdom." —Amy Ray, Indigo Girls From the Grammy nominated folk singer and songwriter, an inspiring exploration of creativity and the redemptive power of song Mary Gauthier was twelve years old when she was given her Aunt Jenny's old guitar and taught herself to play with a Mel Bay basic guitar workbook. Music offered her a window to a world where others felt the way she did. Songs became lifelines to her, and she longed to write her own, one day. Then, for a decade, while struggling with addiction, Gauthier put her dream away and her call to songwriting faded. It wasn't until she got sober and went to an open mic with a friend did she realize that she not only still wanted to write songs, she needed to. Today, Gauthier is a decorated musical artist, with numerous awards and recognition for her songwriting, including a Grammy nomination. In *Saved by a Song*, Mary Gauthier pulls the curtain back on the artistry of songwriting. Part memoir, part philosophy of art, part nuts and bolts of songwriting, her book celebrates the redemptive power of song to inspire and bring seemingly different kinds of people together.
