My Private Diary Rudolph Valentino,2016-10-21 Originally published in 1929, this book details the famous silent actor and sex symbol Rudolph Valentino

and his lover Natacha Rambova's travels back to Europe in 1923. Valentino kept a diary at this time, into which he faithfully recorded his thoughts whilst living the American dream, proving his naysayers back home in Italy wrong: "My Dream is coming true! From day to day, night to night, here and there, I am going to write down my impressions. I am going to put down on paper the things I think, the things I do, the people I meet, all of the sensations, pleasurable and profitable that are mine. I shall never go home, I said to myself, until I can go home somebody..."

Cancer Wasn'T on My Bucket List! a Personal Journal Bree Kayson, 2016-09-20 Have you ever had a defining moment that changed the course of your life? Within these pages, Bree Kayson recounts the tragedy of losing her mother at a young age. She talks about the challenge to find her way and discover self-worth. Bree shares what it was like to work on cruise ships, and divulges reckless adventures. This revealing, moving memoir is a voyeuristic glimpse into a breast cancer diagnosis. The raw excerpts of Brees personal journal will take you there. Although sprinkled with tear-jerking moments, her story is ultimately one of hope and inspiration. Its about stepping into your own power and overcoming unexpected obstacles. The message speaks not only to someone facing cancer; it resonates with anyone going through a difficult experience.

The New Diary Tristine Rainer, 1979-07-01 The New Diary is about a completely modern concept of journal writing. It has little to do with the rigid daily calendar diary you may have kept as a child or the factual travelogue you wrote to recall the Grand Canyon. Instead, it is a tool for tapping the full power of your inner resources. The New Diary is as much for those who already keep a journal as it is for those who have never kept one. It does not tell you the right way to keep a diary; rather, it offers numerous possibilities for using the diary to achieve your own purposes. It is a place for you to clarify goals, visualize the future, and focus your

energies; a means of freeing your intuition and imagination; a workbook for exploring your dreams, your past, and your present life. It is for everyone seeking concrete methods for dealing with personal problems. It is for women and men interested in achieving self-reliance and inner liberation, for artists and writers seeking new techniques for overcoming blocks to creativity.

Grover Cleveland's Rubber Jaw and Other Unusual, Unexpected, Unbelievable but All-True Facts About America's Presidents Stephen Spignesi, 2012-05-01  
From George Washington to Barack Obama, this collection of weird and wild—but true!—facts will show you a whole other side of our nation's leaders: • Andrew Jackson was married to a bigamist. • Martin Van Buren wore pistols in the Senate chamber in case things got too rowdy. • Franklin Pierce ran over a woman with his horse while in office and was arrested, but was released when the police realized he was the president. • James Garfield could simultaneously write Greek with one hand and Latin with the other. • Dwight D. Eisenhower's nickname for his staff driver was "Private Parts." • Barack Obama can bench press 200 pounds.

My Life with Bob Pamela Paul, 2017-05-02 For twenty-eight years, Pamela Paul has been keeping a diary that records the books she reads, rather than the life she leads. Or does it? Over time, it's become clear that this Book of Books, or Bob, as she calls him, tells a much bigger story. For Paul, as for many readers, books reflect her inner life--her fantasies and hopes, her dreams and ideas. And her life, in turn, influences which books she chooses,

whether for solace or escape, diversion or self-reflection, information or entertainment. My Life with Bob isn't about what's in those books; it's about the relationship between books and readers--
