

My Personal Diary

Jimmy Carter

My Diary Gilles Tibo, 2011 This is the diary of a young girl who writes about who she likes, what makes her sad, what gives her joy, and what gives her courage.

My Personal Diary Young Editions, 2019-12-14 - 366 lined pages notebook for each day of the year- Date- Glossy soft cover- Format 5,5x 8,5- Trendy and Original- Convenient Feel free to flip through the book. A very useful book to write your days.

The Last Ticket Christopher Sharp, 2017-09-13 Steve and his family move more than two thousand miles across the country to find a new beginning and remake their life together. Unfortunately, things didn't turn out exactly as they planned. After the money ran short and he still couldn't find work he went to a day labor office as a last resort. On his first day there, he meets an unusual man that takes a special interest in him. As the man tries to dissuade him from working for the company, Steve tries to figure out why, that's when things get weird.

How My Private Personal Journal Became a Bestseller Julia DeVillers, 2005 A young woman accidentally turns in a private story from her journal instead of an English assignment and becomes a best-selling author almost overnight.

A Book of Your Own Carla Stevens, 1996 Have you ever wished you had a place where you could express your most private thoughts? Or maybe you've wondered about the person you used to be, and wished you could remember how it felt to be that person. Writing in a diary or journal can make possible these things and more.

The Point Is Lee Eisenberg, 2016-02-02 In this engaging and provocative new book, Lee Eisenberg, bestselling author of *The Number*, dares to tackle nothing less than what it takes to find enduring meaning and purpose in life. He explains how from a young age, each of us is compelled to take memories of events and relationships and shape them into a one-of-a-kind personal narrative. In addition to sharing his own pivotal memories (some of them moving, some just a shade embarrassing), Eisenberg presents striking research culled from psychology and neuroscience, and draws on insights from a pantheon of thinkers and great writers-Tolstoy, Freud, Joseph Campbell, Virginia Woolf, among others. We also hear from men and women of all ages who are wrestling with the demands of work and family, ever in search of fulfillment and satisfaction. It all adds up to a fascinating story, delightfully told, one that goes straight to the heart of how we explain ourselves to ourselves-in other words, who we are and why.

Crafting The Personal Essay Dinty W. Moore, 2010-08-11 Award winning essayist Scott Russell Sanders once compared the art of essay writing to the pursuit of mental rabbits—a rambling through thickets of thought in search of some brief glimmer of fuzzy truth. While some people persist in the belief that essays are stuffy and antiquated, the truth is that the personal essay is an ever-changing creative medium that provides an ideal vehicle for satisfying the human urge to document truths as we experience them and share them with others—to capture a bit of life on paper. *Crafting the Personal Essay* is designed to help you explore the flexibility and power of the personal essay in your own writing. This hands-on, creativity-expanding guide will help you infuse your nonfiction with honesty, personality, and energy. You'll discover:

- An exploration of the basics of essay writing
- Ways to step back and scrutinize your experiences in order to separate out what may be fresh, powerful, surprising or fascinating to a reader
- How to move past private journaling and write for an audience
- How to write eight different types of essays including memoir, travel, humor, and nature essays among others
- Instruction for revision and strategies for getting published

Brimming with helpful examples, exercises, and sample essays, this indispensable guide will help your personal essays transcend the merely private to become powerfully universal.

Time to Be in Earnest P. D. James, 2007-12-18 In 1997, P. D. James, the much loved and internationally acclaimed author of mysteries, turned seventy-seven. Taking to heart Dr. Johnson's advice that at seventy-seven it is time to be in earnest, she decided to undertake a book unlike any she had written before: a personal memoir in the form of a diary. This enchanting and highly original volume is the result. Structured as the diary of a single year, it roams back and forth through time, illuminating James's extraordinary, sometimes painful and sometimes joyful life. Here, interwoven with reflections on her writing career and the craft of crime novels, are vivid accounts of episodes in her own past – of school days in 1920s and 1930s Cambridge . . . of the war and the tragedy of her husband's madness . . . of her determined struggle to support a family alone. She tells about the birth of her second daughter in the midst of a German buzz-bomb attack; about becoming a civil servant (and laying the groundwork for her writing career by working in the criminal justice system); about her years of public service on such bodies as the Arts Council and the BBC's Board of Governors, culminating in entry to the House of Lords. Along the way, with warmth and authority, she offers views on everything from author tours to the problems of television adaptations, from book reviewing to her obsession with Jane Austen. Written with exceptional grace, this fragment of autobiography has already been received with enthusiasm by British reviewers and readers. The thousands of Americans who have enjoyed P. D. James's novels will be equally charmed. Diary or memoir or both, *Time to Be in Earnest* is a delight.

A World of My Own Graham Greene, 2018-08-07 The British author shares the “strange . . . inner layers of his playful, guilty imagination” in this glimpse into a brilliant novelist’s subconscious (The New York Times). Culled from nearly eight hundred pages of the author’s “dream diaries” kept between 1965 and 1989, this singular journal reveals “the feverish inner life of an intensely private man, providing an uncanny mirror-image of [his] novelistic obsessions, insecurities, and moral preoccupations” (Publishers Weekly). In what Greene calls *My Own World*—as opposed to the *Common World* of shared reality—he accompanies Henry James on a disagreeable riverboat trip to Bogota, is caught in a guerilla crossfire with Evelyn Waugh and W. H. Auden, strolls in the Vatican garden with Pope John Paul II who’s doling out Perugia chocolates like hosts, offers refuge to a suicidal Charlie Chaplin, and stages a disastrous play in blank verse for Elizabeth Taylor and Richard Burton. He also shares his headspace with Goebbels, Castro, Cocteau, Queen Elizabeth, D. H. Lawrence, and talking kittens. And the landscape is just as wide: from Nazi Germany to Haiti to West Africa to Bethlehem 1 AD and to Sweden where he seeks treatment for leprosy. Greene is a criminal, spy, lover, assassin, witness, and writer. Encompassing life, death, war, feuds, and career, and alternately absurdist, frightening, funny, and revealing, these fertile imaginings—many of which found their way into Greene’s fiction—comprise nothing less than “an alternate autobiography . . . a uniquely candid self-portrait” of one of the giants of English literature (Kirkus Reviews).

Oh Boy, You're Having a Girl Brian A Klems, 2013-03-18 Rules for Raising Little Girls As the father of a daughter, I wish I'd read this very funny book sooner, if only to know that it's OK for a grown man to wear a tutu. – Dave Barry Required reading for any parent who doesn't know pants from leggings. – Dan Zevin, author of *Dan Gets a Minivan: Life at the Intersection of Dude and Dad* It's easy to imagine how you'd raise a boy—all the golf outings, lawnmower lessons, and Little League championships you'd attend—but playing dad to a little princess may take some education. In *Oh Boy, You're Having a Girl*, Brian, a father of three girls, shares his tactics for surviving this new and glittery world. From baby dolls and bedtime rituals to potty training and dance recitals, he leads you through all the trials and tribulations you'll face as you're raising your daughter. He'll also show you how to navigate your way through tough situations, like making sure that she doesn't start dating until she's fifty. Complete with commandments for restroom trips and properly participating in a tea party, *Oh Boy, You're Having a Girl* will brace you for all those hours playing house—and psych you up for the awesomeness of raising a daughter who has you lovingly wrapped around her little finger. Somehow, Brian Klems has taken one of the most traumatic situations known to a father—having a daughter—and made it into something so completely hilarious you'll laugh until you've got oxygen deprivation! – W. Bruce Cameron, author of *8 Simple Rules for Dating My Teenage Daughter*

Chimes of a Lost Cathedral Janet Fitch, 2019-07-02 A young Russian woman comes into her own in the midst of

revolution and civil war in this brilliant novel set in a world of furious beauty (Los Angeles Review of Books). After the loves and betrayals of The Revolution of Marina M., young poet Marina Makarova finds herself alone amid the devastation of the Russian Civil War -- pregnant and adrift, forced to rely on her own resourcefulness to find a place to wait out the birth of her child and eventually make her way back to her native city, Petrograd. After two years of revolution, the city that was once St. Petersburg is almost unrecognizable, the haunted, half-emptied, starving Capital of Once Had Been, its streets teeming with homeless children. Moved by their plight, though hardly better off herself, she takes on the challenge of caring for these orphans, until they become the tool of tragedy from an unexpected direction. Shaped by her country's ordeals and her own trials -- betrayal and privation and inconceivable loss -- Marina evolves as a poet and a woman of sensibility and substance hardly imaginable at the beginning of her transformative odyssey. Chimes of a Lost Cathedral is the culmination of one woman's journey through some of the most dramatic events of the last century -- the epic story of an artist who discovers her full power, passion, and creativity just as her revolution reveals its true direction for the future.

The Private Life of the Diary Sally Bayley, 2016-04-21 Diaries keep secrets, harbouring our fantasies and fictional histories. They are substitute boyfriends, girlfriends, spouses and friends. But in this age of social media, the role of the diary as a private confidante has been replaced by a culture of public self-disclosure. The Private Life of the Diary: from Pepys to Tweets is an elegantly-told story of the evolution - and perhaps death - of the diary. It traces its origins to seventeenth-century naval administrator, Samuel Pepys, and continues to twentieth-century diarist Virginia Woolf, who recorded everything from her personal confessions about her irritation with her servants to her memories of Armistice Day and the solar eclipse of 1927. Sally Bayley explores how diaries can sometimes record our lives as we live them, but that we often indulge our fondness for self-dramatization, like the teenaged Sylvia Plath who proclaimed herself 'The Girl Who Would be God'. This book is an examination of the importance of writing and self-reflection as a means of forging identity. It mourns the loss of the diary as an acutely private form of writing. And it champions it as a conduit to self-discovery, allowing us to ask ourselves the question: Who or What am I in relation to the world?

White House Diary Jimmy Carter, 2010-09-20 The edited, annotated diary of President Jimmy Carter--filled with insights into his presidency, his relationships with friends and foes, and his lasting impact on issues that still preoccupy America and the world Each day during his presidency, Jimmy Carter made several entries in a private diary, recording his thoughts, impressions, delights, and frustrations. He offered unvarnished assessments of cabinet members, congressmen, and foreign leaders; he narrated the progress of secret negotiations such as those that led to the Camp David Accords. When his four-year term came to an end in early 1981, the diary amounted to more than five thousand pages. But this extraordinary document has never been made public--until now. By carefully selecting the most illuminating and relevant entries, Carter has provided us with an astonishingly intimate view of his presidency. Day by day, we see his forceful advocacy for nuclear containment, sustainable energy, human rights, and peace in the Middle East. We witness his interactions with such complex personalities as Ted Kennedy, Henry Kissinger, Joe Biden, Anwar Sadat, and Menachem Begin. We get the inside story of his so-called malaise speech, his bruising battle for the 1980 Democratic nomination, and the Iranian hostage crisis. Remarkably, we also get Carter's retrospective comments on these topics and more: thirty years after the fact, he has annotated the diary with his candid reflections on the people and events that shaped his presidency, and on the many lessons learned. Carter is now widely seen as one of the truly wise men of our time. Offering an unprecedented look at both the man and his tenure, White House Diary is a fascinating book that stands as a unique contribution to the history of the American presidency.

Personal Diary of Admiral the Lord Louis Mountbatten, Supreme Allied Commander, South-East Asia, 1943-1946 Earl Louis Mountbatten Mountbatten of Burma, 1988

The Munchkin Diary Betty Ann Bruno, 2020-12-15 As one of the last remaining Munchkins, Betty Ann Bruno has had an inside look at the legendary land of Oz, and has traveled her own Yellow Brick Road well beyond that rainbow. At 5, she was directed in a film by John Ford. At 12, she was the fulltime organist in a Catholic church, where she was mentored by a ex-seminarian who tried repeatedly to molest her. As an adult she worked for the CIA. She then became Oakland's first female, Asian-American TV reporter, where she talked a notorious drug dealer into doing an on-camera profile before he later threatened to kill her. She survived the 1991 Oakland Hills Firestorm that burned 3,000 homes (including hers), and described the scene live on national TV after barely escaping with her life. There's a lot more, including her exploration of the spiritual mysteries she calls life after life. Through it all is her struggle with her ethnicity and her ultimate acceptance of herself by founding Hula Mai, a Hawaiian dance company. It's a wise and honest account of a very eventful journey and a riveting read.

My Personal Diary Journal Notebook, Diary Book, 2018-01-04 LIMITED TIME DISCOUNT! Every chapter in the journal contains a principle which can leverage readers to attain a prosperous and mindful life. It includes a planner and chart where you can write about your goals and plan your future because people don't plan to fail but fail to plan.

My Private Diary Rudolph Valentino, 2016-10-21 Originally published in 1929, this book details the famous silent actor and sex symbol Rudolph Valentino and his lover Natacha Rambova's travels back to Europe in 1923. Valentino kept a diary at this time, into which he faithfully recorded his thoughts whilst living the American dream, proving his naysayers back home in Italy wrong: "My Dream is coming true! From day to day, night to night, here and there, I am going to write down my impressions. I am going to put down on paper the things I think, the things I do, the people I meet, all of the sensations, pleasurable and profitable that are mine. I shall never go home, I said to myself, until I can go home somebody..."

Random Leaves from my Diary Bernard Nsokika Fonlon, 2021-08-04 Bernard Nsokika Fonlon - Random Leaves from my Diary gives you a deeper knowledge of Bernard Nsokika Fonlon true integrity. It is my opinion, feeling and desire, to best understand a person integrity is to understand his personal diary as it talks more about the person himself. My Personal Diary Introduction

In todays digital age, the availability of My Personal Diary books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of My Personal Diary books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of My Personal Diary books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing My Personal Diary versions, you eliminate the need to spend money on physical copies. This not only

saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, My Personal Diary books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing My Personal Diary books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for My Personal Diary books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, My Personal Diary books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of My Personal Diary books and manuals for download and embark on your journey of knowledge?

FAQs About My Personal Diary Books

What is a My Personal Diary PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a My Personal Diary PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools

that can convert different file types to PDF. **How do I edit a My Personal Diary PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a My Personal Diary PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a My Personal Diary PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
