

My Personal Diary

Dadamilla Design

My Diary Gilles Tibo,2011 This is the diary of a young girl who writes about who she likes, what makes her sad, what gives her joy, and what gives her courage.

The Last Ticket Christopher Sharp,2017-09-13 Steve and his family move more than two thousand miles across the country to find a new beginning and remake their life together. Unfortunately, things didn't turn out exactly as they planned. After the money ran short and he still couldn't find work he went to a day labor office as a last resort. On his first day there, he meets an unusual man that takes a special interest in him. As the man tries to dissuade him from working for the company, Steve tries to figure out why, that's when things get weird.

My Private Diary Rudolph Valentino,2016-10-21 Originally published in 1929, this book details the famous silent actor and sex symbol Rudolph Valentino and his lover Natacha Rambova's travels back to Europe in 1923. Valentino kept a diary at this time, into which he faithfully recorded his thoughts whilst living the American dream, proving his naysayers back home in Italy wrong: "My Dream is coming true! From day to day, night to night, here and there, I am going to write down my impressions. I am going to put down on paper the things I think, the things I do, the people I meet, all of the sensations, pleasurable and profitable that are mine. I shall never go home, I said to myself, until I can go home somebody..."

A Book of Your Own Carla Stevens,1996 Have you ever wished you had a place where you could express your most private thoughts? Or maybe you've wondered about the person you used to be, and wished you could remember how it felt to be that person. Writing in a diary or journal can make possible these things and more.

The Private Life of the Diary Sally Bayley,2016-04-21 Diaries keep secrets, harbouring our

fantasies and fictional histories. They are substitute boyfriends, girlfriends, spouses and friends. But in this age of social media, the role of the diary as a private confidante has been replaced by a culture of public self-disclosure. *The Private Life of the Diary: from Pepys to Tweets* is an elegantly-told story of the evolution – and perhaps death – of the diary. It traces its origins to seventeenth-century naval administrator, Samuel Pepys, and continues to twentieth-century diarist Virginia Woolf, who recorded everything from her personal confessions about her irritation with her servants to her memories of Armistice Day and the solar eclipse of 1927. Sally Bayley explores how diaries can sometimes record our lives as we live them, but that we often indulge our fondness for self-dramatization, like the teenaged Sylvia Plath who proclaimed herself 'The Girl Who Would be God'. This book is an examination of the importance of writing and self-reflection as a means of forging identity. It mourns the loss of the diary as an acutely private form of writing. And it champions it as a conduit to self-discovery, allowing us to ask ourselves the question: Who or What am I in relation to the world?

A World of My Own Graham Greene, 2018-08-07 The British author shares the “strange . . . inner layers of his playful, guilty imagination” in this glimpse into a brilliant novelist’s subconscious (The New York Times). Culled from nearly eight hundred pages of the author’s “dream diaries” kept between 1965 and 1989, this singular journal reveals “the feverish inner life of an intensely private man, providing an uncanny mirror-image of [his] novelistic obsessions, insecurities, and moral preoccupations” (Publishers Weekly). In what Greene calls *My Own World*—as opposed to the *Common World* of shared reality—he accompanies Henry James on a disagreeable riverboat trip to Bogota, is caught in a guerilla crossfire with Evelyn Waugh and W. H. Auden, strolls in the Vatican garden with Pope John Paul II who’s doling out Perugina chocolates like hosts, offers refuge to a

suicidal Charlie Chaplin, and stages a disastrous play in blank verse for Elizabeth Taylor and Richard Burton. He also shares his headspace with Goebbels, Castro, Cocteau, Queen Elizabeth, D. H. Lawrence, and talking kittens. And the landscape is just as wide: from Nazi Germany to Haiti to West Africa to Bethlehem 1 AD and to Sweden where he seeks treatment for leprosy. Greene is a criminal, spy, lover, assassin, witness, and writer. Encompassing life, death, war, feuds, and career, and alternately absurdist, frightening, funny, and revealing, these fertile imaginings—many of which found their way into Greene’s fiction—comprise nothing less than “an alternate autobiography . . . a uniquely candid self-portrait” of one of the giants of English literature (Kirkus Reviews).

White House Diary Jimmy Carter, 2010-09-20 The edited, annotated diary of President Jimmy Carter--filled with insights into his presidency, his relationships with friends and foes, and his lasting impact on issues that still preoccupy America and the world Each day during his presidency, Jimmy Carter made several entries in a private diary, recording his thoughts, impressions, delights, and frustrations. He offered unvarnished assessments of cabinet members, congressmen, and foreign leaders; he narrated the progress of secret negotiations such as those that led to the Camp David Accords. When his four-year term came to an end in early 1981, the diary amounted to more than five thousand pages. But this extraordinary document has never been made public--until now. By carefully selecting the most illuminating and relevant entries, Carter has provided us with an astonishingly intimate view of his presidency. Day by day, we see his forceful advocacy for nuclear containment, sustainable energy, human rights, and peace in the Middle East. We witness his interactions with such complex personalities as Ted Kennedy, Henry Kissinger, Joe Biden, Anwar Sadat, and Menachem Begin. We get the inside story of his so-called malaise speech, his bruising battle for the 1980 Democratic nomination, and the Iranian hostage crisis. Remarkably, we also get

Carter's retrospective comments on these topics and more: thirty years after the fact, he has annotated the diary with his candid reflections on the people and events that shaped his presidency, and on the many lessons learned. Carter is now widely seen as one of the truly wise men of our time. Offering an unprecedented look at both the man and his tenure, *White House Diary* is a fascinating book that stands as a unique contribution to the history of the American presidency.

Silver Lining Journal Shreya Badonia, 2017-12-02 *Silver Lining Journal* is a self-explanatory journal which is designed to help you find yourself through a series of prompts to bring a positive change in your life. How well do you know yourself? What do you want from your life? This journal will help you answer the arduous questions about life. Every chapter in the journal contains a principle which can leverage readers to attain a prosperous and mindful life. It includes a planner and chart where you can write about your goals and plan your future because people don't plan to fail but fail to plan.

Personal Diary of Admiral the Lord Louis Mountbatten, Supreme Allied Commander, South-East Asia, 1943-1946 Earl Louis Mountbatten Mountbatten of Burma, 1988

The Munchkin Diary Betty Ann Bruno, 2020-12-15 As one of the last remaining Munchkins, Betty Ann Bruno has had an inside look at the legendary land of Oz, and has traveled her own Yellow Brick Road well beyond that rainbow. At 5, she was directed in a film by John Ford. At 12, she was the fulltime organist in a Catholic church, where she was mentored by a ex-seminarian who tried repeatedly to molest her. As an adult she worked for the CIA. She then became Oakland's first female, Asian-American TV reporter, where she talked a notorious drug dealer into doing an on-camera profile before he later threatened to kill her. She survived the 1991 Oakland Hills Firestorm that burned 3,000 homes (including hers), and described the scene live on national TV after barely

escaping with her life. There's a lot more, including her exploration of the spiritual mysteries she calls life after life. Through it all is her struggle with her ethnicity and her ultimate acceptance of herself by founding Hula Mai, a Hawaiian dance company. It's a wise and honest account of a very eventful journey and a riveting read.

How My Private Personal Journal Became a Bestseller Julia DeVillers, 2005 A young woman accidentally turns in a private story from her journal instead of an English assignment and becomes a best-selling author almost overnight.

The Point Is Lee Eisenberg, 2016-02-02 In this engaging and provocative new book, Lee Eisenberg, bestselling author of *The Number*, dares to tackle nothing less than what it takes to find enduring meaning and purpose in life. He explains how from a young age, each of us is compelled to take memories of events and relationships and shape them into a one-of-a-kind personal narrative. In addition to sharing his own pivotal memories (some of them moving, some just a shade embarrassing), Eisenberg presents striking research culled from psychology and neuroscience, and draws on insights from a pantheon of thinkers and great writers-Tolstoy, Freud, Joseph Campbell, Virginia Woolf, among others. We also hear from men and women of all ages who are wrestling with the demands of work and family, ever in search of fulfillment and satisfaction. It all adds up to a fascinating story, delightfully told, one that goes straight to the heart of how we explain ourselves to ourselves-in other words, who we are and why.

My Journey One Line a Day Dadamilla Design, 2019-02-06 With 366 pages (one for each day including leap year) this Five Year Memory Book allows you to write down all the happy, precious and funny memories about your life journey As the years pass by, you will have an incredible view of your thoughts, memories and behaviors giving you a new perspective and insight. Dork Diaries 9 Rachel Renée Russell,2015-06-02 Springtime brings crazy adventures to Nikki and her friends Chloe, Zoey, and Brandon.

Working Days John Steinbeck,1990-12-01 John Steinbeck wrote The Grapes of Wrath during an astonishing burst of activity between June and October of 1938. Throughout the time he was creating his greatest work, Steinbeck faithfully kept a journal revealing his arduous journey toward its completion. The journal, like the novel it chronicles, tells a tale of dramatic proportions—of dogged determination and inspiration, yet also of paranoia, self-doubt, and obstacles. It records in intimate detail the conception and genesis of The Grapes of Wrath and its huge though controversial success. It is a unique and penetrating portrait of an emblematic American writer creating an essential American masterpiece.

The Encyclopedia of My Immaturity Klutz,2011-02-15 Announcing the last thing kids would expect from the The Encyclopedia of Immaturity people: a diary. This journal comes with a handy pen mounted right on the front cover and contains fake fill-in-the-blank, parent-praising journal entries (for the benefit of unauthorized snoops). Consumable.
