Smart Work Dermot Crowley, 2023-07-03 Organise your way to renewed focus and calm *Smart Work: How to Increase Productivity, Achieve Balance and Reduce Stress* is the busy professional's guide to getting organised in the digital workplace. Are you drowning in constant emails, phone calls, paperwork, interruptions and meeting actions? This book throws you a lifeline. Whether your workforce is in person, hybrid, or remote, *Smart Work* shows you how to take advantage of your digital tools to reprioritise, refocus and get back to doing what's important. You may already have the latest technology, but if you're still swamped, you're not using it to your advantage. This useful guide shows you how to centralise and organise your workflow for better outcomes. With *Smart Work*, you'll develop a simple and sustainable productivity system to manage your inputs and realise your goals. Like most professionals, you want to do great work and achieve great things. But when half your day is spent on emails, phone calls and 'extra' duties, you rarely get a chance to shine. This book changes that. Get back in control so you can start performing like a star. Get organised, focused and proactive Conquer the daily incoming deluge Spend more time on the important work Leverage your desktop and mobile technology Optimise your tools for remote and hybrid work When work is coming at you from every direction, it's difficult to focus and prioritise. Things get lost in the shuffle. But when you channel everything into a single stream, you settle into a flow and get more done in less time. *Smart Work* is your guide to finding your flow—and the bottom of your inbox. This book is part of the Smart Productivity series, helping readers find practical solutions for better managing their time, energy and attention.

The Together Leader Maia Heyck-Merlin, 2016-03-29 Streamline your workflow and bring your vision to life *The Together Leader* is a practical handbook for the busy mission-driven leader. With an emphasis on time management, the book provides all of the tools, templates, and checklists necessary for leaders to stay organized and keep on top their responsibilities. Maia Heyck-Merlin describes step-by-step a set of habits and systems that help leaders to keep everything running smoothly and, most importantly, achieve their mission-driven goals. By learning how to plan for the predictable, leaders can face the unexpected head-on, going off-plan while keeping their eye on the objective. Education leaders will learn how to prioritize quickly and efficiently, and gain access to hands-on tools that take the turbulence out of their days, allowing them to truly become a Together Leader. Mission-driven leaders are often required to multi-task; it's part of the job. This book gives leaders the tools and information they need to streamline their workflow, to take the day one task at a time without sacrificing productivity. The book includes lessons on how to: Prioritize effectively and work efficiently Get organized and stay prepared no matter what Manage time, staff, and resources Develop the habits of an effective leader A leader's time is valuable, as is that of their staff. There's no room for waste. The

Together Leader prepares leaders to truly lead their teams, with the tools and strategies that make real, effective mission-driven leadership possible.

Being Christian in Your Medical Practice Dr. Jim Halla,2002-06-01 Being a doctor and going to the doctor are theological issues. A major thesis of the book is that a de-medicalization of physicians is necessary and should be replaced by a Scripto-centric approach to life in the practice of medicine. This call is radical, humanly speaking, but we have a God Who has given much to us as Christian physicians and expects much of us. There is a biblical view of the practice of medicine, and it is the major avenue that patients have for reaching true comfort and help. Each physician must be able to articulate it and the book is written for that purpose. A rightly understood biblical view of medicine is the only way that doctors have for giving genuine hope to hurting people and for the advancement of God s kingdom.

Mama's Voice Esther Bganya,2015-03-31 Mamas Voice is the product of a middle-aged Christian psychiatrist and mother who journals her life observations and experiences, hoping to pass on some life lessons to her children. What started off as random journaling of thoughts ended up being a published book released as a birthday present for her children. The book is written in a random manner with life lessons ranging from self-esteem, bad habits, addictions, snobbery, conflict, money, selfishness, greed, and codependent relationships through to family dramas. The author attempts to capture some important life lessons with a touch of humor and rawness that depicts the real-life dramas. Both pleasurable and painful life observations and experiences are unapologetically expressed with a rawness that does not coat it with sweet candy. Its about real life seen through the eyes of a mother going through a midlife crisis and questioning most things she had taken for granted. The messages are given as direct instructions to her children in second or third person voices and riddles. The messages are just as random as they entered the authors thoughts. This is a light read for both the middle aged and young, who are questioning a few things in their worldview. Like the philosopher in the book of Ecclesiastes, the author grapples with certain life issues until she finally realizes that she cannot fix the world and she gives up control. The forty-five-year-old author starts off by writing a letter to her thirteen-year-old self and ends the book with her modified version of the Ten Commandments and a futuristic letter to her eighty-five-year-old self.

Astoundingly Joyful, Amazingly Simple Timothy D. White,2012-08-30 The meta church is a group of culturally varied congregations combined together as one

family with one dream that can only be fulfilled by our differences combined together as a fulfillment of the priestly prayer of Jesus Christ. If you're looking for the hard science of what it takes to build a thriving church, look no further than Dr. Whites Astoundingly Joyful, Amazingly Simple. Biblically sound and culturally relevant, Dr. Whites strategy reveals the secrets every church leader longs for. More importantly, he has put them into practice at his amazing church, Washington Cathedral. If you're in church leadership, you don't want to miss out on this transforming message. Dr. Les Parrott, Author of Love Talk Like the TV commercial where they're building an airplane while flying it, Dr. Tim White reworks today's institutional church while reading the Book of Acts. Readers feel both his passion and his struggle, but we also see the joy and simplicity of the model represented by Washington Cathedral. Their meta approach involves Tiny Little Churches that undergird everything they do, nonprofit foundations that minister to the community, and diverse cultural congregations that share the singular dream of building the greatest care network the world has ever seen. If you want practical ways for your church to move closer to the ideals found in the Book of Acts, this book is for you. Dr. Warren Bird, Research Director for Leadership Network, and co-author of Better Together: Making Healthy Church Mergers Work Whites book is born out of a 25-year education in the school of hard knocks in founding and leading Washington Cathedral into one of the most profoundly incarnational churches in North America. Jim Palmer, author of Divine Nobodies, Wide Open Spaces, & Being Jesus in Nashville

The Great American Scaffold Frank Austerlühl, 2014-02-15 Based on extensive quantitative and qualitative analyses of a corpus of American presidential speeches that includes all inaugural addresses and State of the Union messages from 1789 to 2008, as well as major foreign and security policy speeches after 1945, this research monograph analyzes the various forms and functions of intertextual references found in the discourse of American presidents. Working within an original, interdisciplinary theoretical framework established by theories of intertextuality, discourse analysis, and presidential studies, the book discusses five different types of presidential intertextuality, all of which contribute jointly to creating a set of carefully manipulated and politically powerful images of both the American nation and the American presidency. The book is intended for scholars and students in political and presidential studies, communications, American cultural studies, and linguistics, as well as anyone interested in the American presidency in general.

Make the Most of Your Workday Mary Camuto,2018 Even if you don't have your dream job, every day is precious and filled with opportunities. Make the Most of Your Workday challenges you to actively manage and make the most of workday possibilities and problems. With drive, determination, and optimism, it offers solutions to workday predicaments. You can take control; you don't have to wait for leaders, people, or circumstances to change. No matter your level, situation, or dilemma, Mary shows you how to regroup, reframe, and bounce back. Make the Most of Your Workday begins with six common scenarios. Can you relate to any of the following challenges? Getting caught up in office dramas. Watching workloads increase while resources decrease. Feeling your interest, enthusiasm, and focus fade. Yearning for effective leadership. Wanting to avoid working with certain people. Feeling at the mercy of technology. Make the Most of Your Workday contains powerful strategies and tools from several key areas and combines them into a concise practical guide, from strengthening your mindset and self-awareness to identifying needs and goals, from prioritizing your time and energy to communicating effectively and managing the unexpected.

What s The Sunshine Of Your Life Rakesh Deshpande,2019-02-28 Do you ever feel that you were born for a reason? A reason to fulfill a goal or a reason to complete the pending tasks or a reason to fight evil, raise the good and uphold the right? Well, if you don't believe that you are born for a reason and it's just an accident, then I suggest you rethink on it. You are the reason behind your parents' happiness. I strongly believe that a life is created to fulfill the needs of the truly needy. A need can be anything. Now, your life is a sunshine for someone else. Someone else will be your sunshine later and this cycle will always continue forever. I am referring to sunshine as a reason to live for someone or a goal, a reason to smile every day, a reason to hope to start another day and a reason to stay fit and healthy. I will continue expressing my views throughout the 25 chapters of this book. You may or may not agree with me, but I am sure this book will help you rethink about your relationships, positivity in life and provide you the motivation during the worst days of your life.
