10 Wonders of the Rosary Donald H. Calloway, 2022-09

The Admirable Secret of the Rosary Louis-Marie Grignion de Montfort, 2013-05 The Admirable Secret of the Rosary is a book about the Holy Rosary written by Saint Louis de Montfort a French priest and Catholic saint who died in 1716. The English translation of the book bears the Imprimatur of Archbishop Thomas E. Molloy of the Roman Catholic Diocese of Brooklyn. The book revolves around the views of the rosary and the power of the rosary and consists of a number of short sections called Roses each being about one or two pages long. Each Rose discusses a separate viewpoint about the Rosary and may be addressed to a different cross section of the audience, e.g. priests versus lay people.

The Rosary Immaculee Ilibagiza, 2014-08-15 Immaculée Ilibagiza believes that praying the rosary spared her from being slaughtered during the horrific 1994 Rwanda genocide, in which her family and more than a million other innocent men, women, and children were brutally murdered. Nearly two decades later, Immaculée continues to pray the rosary every day and marvels at how she is constantly renewed and richly rewarded by rejoicing in this glorious prayer. It has helped her in every aspect of her life, from literally saving her life to strengthening her faith, easing sorrows, changing heartache into happiness, healing illnesses in herself and others, solving family problems, landing a dream job, finding long-lost friends, and even locating lost keys! She received so many blessings from the rosary, in fact, that she decided to study its history and origins. She soon discovered that it was not just meant for Catholics, but that the Virgin Mary promised a life filled with blessings to everyone from any religion who faithfully recited the rosary daily . . . and this was such wonderful news that she vowed to share it with as many people as she could. In *The Rosary: The Prayer That Saved My Life*, Immaculée reveals how the rosary's many blessings can be reaped by each and every one of us. In this moving and uplifting book, the New York Times bestselling author recounts her personal experience of discovering the power and the beauty of the ancient beads—and shows all of us how to enrich our own lives by exploring and embracing the mysteries, secrets, and promises of the prayer

that became her lifeline to heaven.

Get Us Out of Here!! Nicky Eltz, 2002-12-01 Dear Reader, What you are now holding is a most interesting book. The world beyond is speaking. It is offering advice, asking for help and giving answers. It exists and speaks about life -- our life here on earth and of possible consequences of our behaviour. It tells us that it is not the same to be humble, loving, good, merciful, loyal and honest as it is to be proud, loveless, bad, merciless, betraying and dishonest. At death this is not forgotten but rather remembered in total clarity. Not only is the punishment, or better yet the cleansing, spoken about; but also the length of this cleansing is so very much more. Then you ask yourself, is it possible? In the Catholic church one speaks about a transitory state which for a very long time has been referred to as Purgatory. Despite there being different theories, this state is always taken seriously. One needs it because one can only come before God cleansed and pure.
