The Nature of My Signature Jackson Tendai Matimba,2016-05-11 THE NATURE OF MY SIGNATURE MEANING OF THE BOOK TITLE 'THE NATURE OF MY SIGNATURE', this title simply means, ' the way I do things I do'. Every person has got his own character and in whatever that person does, he does it with his own 'signature'; this being a particular quality that makes one's work different from other similar works. So in life every person has got THE NATURE OF HIS OWN SIGNATURE. Then it goes like this: THE NATURE OF MY SIGNATURE AS A POET or THE NATURE OF MY SIGNATURE AS A PROPHET or AS A LAWYER, or whatever the occupation of a person is about.

Your Signature Work Dianna Booher,2004 Expanding on the concept of doing one's personal best at work so that it reflects one's goals, values, beliefs, and faith, Booher advises readers that even if they feel trapped in a dissatisfying job or a seemingly insignificant career, their work matters to God, and their attitude will make all the difference in how they view their job.

Your Signature Path Geoffrey Bellman,1996-09 This provocative book invites us to look at our lives as individual and unique paths we make in the world and leave behind after we are gone. It is written for people who want to live their lives thoughtfully, who want to be proud of how they live their lives, and who want to grow in the process.

Your Signature Life Dianna Daniels Booher,2003 What if we all lived our daily lives so that we could be proud to add our signature to it at the end of the day-just as an artist or novelist signs a finished piece of work? When a craftsman signs his work, he's making a statement: "I'm taking ownership. This is my personal best at this moment." Your Signature Life encourages us to give God the very best of ourselves at work, at home, and in relationships, through the choices we make every day.

Creating Signature Stories David Aaker,2018-01-02 "All marketers should heed [the] advice" of this brand marketing guru in his latest book on digital storytelling." –Joseph V. Tripodi, former Chief Marketing Officer, Subway and Coca-Cola Stories are orders of magnitude which are more effective than facts at achieving attention, persuading, being remembered, and inspiring involvement. Signature stories?intriguing, authentic, and involving narratives?apply the power of stories to communicate a strategic message. Creating Signature Stories shows organizations how to introduce storytelling into their strategic messaging, and guides organizations to find, or even create, signature stories and leverage them over time. With case studies built into every chapter, organizations will realize the power of storytelling to energize readers, gain visibility, persuade audiences, and inspire action.

My Signature Story Eric Schaeffer,Sarah Valente,2011-03-25 Building a Tony It started as a what if and blossomed into a major Regional Theatre in America. MY SIGNATURE STORY traces the journey of the Tony-Award winning Signature Theatre in Shirlington, Virginia through the eyes of its Co-founder and Artistic Director, Eric Schaeffer. Schaeffer discusses the trials and tribulations of starting a theatre company from nothing and turning it into one of America's most beloved and artistically-renowned arts organizations. From staging musicals in a school library, to renovating an auto-bumper plating plant, raising money and forming a governing board, forging a working relationship with Stephen Sondheim, John Kander, and Fred Ebb, developing a robust and loyal audience, attracting billboard-worthy talent, building a new state-of-the-art, two-stage complex, to the culminating accepting the Tony on the stage of Radio City Music Hall, Schaeffer shares his success and horror -- stories. Personal tales and insights from Signature's 20-year history and its influence on American musical theatre make Eric Schaeffer's MY SIGNATURE STORY fascinating reading for theatre fans, and those ambitious souls who share the dream of building a theatre from scratch.

Discovering Your Soul Signature Panache Desai,2014-04-29 An invitation to change the energy that surrounds you, find the harmony that comes with self-acceptance, and, in the process, discover your life's purpose and the boundless possibilities that await you. Your soul signature is your spiritual DNA—it is who you are at your core, the most authentic part of you, your singular contribution to this world. And yet we reject our authentic selves. We allow our soul signature to become blocked by any number of emotional obstacles that life throws in our path: anger, fear, guilt, shame, sadness, despair. Any or all of these feelings overtake us and create a density, a heaviness that doesn't permit us to embrace who we truly are, deep inside. We are energetic beings, Panache Desai reminds us, and emotions are energy in

motion. When we are blocked we feel unworthy, less than, unloved, incomplete. In *Discovering Your Soul Signature*, Panache invites us on a 33-day path of meditations—short passages to be read at morning, noon, and night that are designed to dismantle the emotional burden that holds us back and open us up to changing our lives. Through this distilled, poetic, practical, and inspiring course, he invites us to live a life of authenticity, to rediscover purpose and passion, and to believe from our soul in the possibility of all things.
