Expert in a Year Sam Priestley,Ben Larcombe,2015-08-18 Sam Priestley was never Mr Sporty. After failed attempts at rowing and running he had all but given up on the possibility of becoming a sportsman. That was until childhood friend, and table tennis coach, Ben Larcombe convinced him to act as the guinea pig in an experiment he had concocted - The Expert in a Year Challenge. Starting 1st January 2014 novice Sam was immersed in the world of competitive table tennis. He began training every day and over the course of the year notched up hundreds of hours of practice in an attempt to reach a

seemingly impossible goal. There was blood, sweat, tears, injuries, frustrations and moments of elation as the pair travelled up and down the UK, and beyond, in their quest for training, mentors and competition. Sam found potential he never thought he had, got better at table tennis than most people thought possible, and discovered what it feels like when 1.5 million people watch you fail. Here is their story, including all the ridiculous training methods and unreachable goals, and the surprising lessons they learnt from playing table tennis every day for a year.

Creating the Ultimate Table Tennis Player Joseph Correa (Professional Athlete and Coach), 2015-08-05 Creating the Ultimate Table Tennis Player. In order to reach your true potential you need to be at your optimal physical and mental condition and in order to do this you need to start an organized plan that will help you develop your strength, mobility, nutrition, and mental toughness. This book will do that. Eating right and training hard are two of the pieces of the puzzle but you need the third piece to make it all happen. The third piece is mental toughness and that can be obtained through meditation and visualization techniques taught in this book. This book will provide you with the following: -Normal and advanced training calendars -Dynamic warm-up exercises -High performance training exercises -Active recovery exercises -Nutrition calendar to increase muscle - Nutrition calendar to burn fat -Muscle building recipes -Fat burning recipes -Advanced breathing techniques to enhance performance -Meditation techniques -Visualization techniques -Visualization sessions to improve performance Physical conditioning and strength training, smart nutrition, and advanced meditation/visualization techniques are the three keys to achieve optimal performance. Most athletes are missing one or two of these fundamental ingredients but by making the decision to change you will have the potential to achieve a new ULTIMATE you.

Table Tennis Tactics Klaus-M. Geske, Jens Mueller, 2017-08-01 The book contains an age-appropriate collection of all aspects of table tennis tactics for young players. It helps you to read your opponent's game better and to decide how to play against forehand- or backhand-dominant players. There are also valuable tips on how playing tempo can be used as a tactical element, how to produce and read ball spin and how to influence it with a suitable racket surface, and how the service game is used to take tactical control of the game. With numerous photos and illustrations, a self-test questionnaire, portraits of the best table tennis players, the official rules and tactical know-how, this book will soon become your table tennis bible.
