My Time Abigail Trafford, 2004-12-29 Kids grown? Mortgage paid? Career topping out? What now? In *My Time*, best-selling author Abigail Trafford answers the questions more and more 50-somethings are asking themselves. Thanks to the longevity revolution of recent decades, today's 55- to 75-year-olds are living and working longer and healthier than ever before. This generation is the first to experience the period of personal renaissance in between middle and old age—what Trafford calls *My Time*. Defining this period as a whole new developmental stage in the life cycle, Trafford skillfully guides readers through the obstacles of *My Time* and offers them the opportunity to take full advantage of the bonus decades. With the same wit, compassion, and vivid storytelling that made *Crazy Time* one of the best-loved books ever written on the subject of divorce, Trafford blends personal stories with expert opinions and the latest research on adult development. From the psychoanalyst who gave up his practice to write self-help books, to the widowed mother of three who reinvented herself as a successful photographer, true tales of crisis and triumph sparkle on every page of this inspiring and insightful book. Like Gail Sheehy's *Passages*, *My Time* profoundly impacts the journey through our adult years.

My Time Will Come Ian Manuel, 2022-04-19 The inspiring story of activist and poet Ian Manuel, who at the age of fourteen was sentenced to life in prison. He survived eighteen years in solitary confinement—through his own determination and dedication to art—until he was freed as part of an incredible crusade by the Equal Justice Initiative. “Ian is magic. His story is difficult and heartbreaking, but he takes us places we need to go to understand why we must do better. He survives by relying on a poetic spirit, an

unrelenting desire to succeed, to recover, and to love. Ian's story says something hopeful about our future." —Bryan Stevenson, author of *Just Mercy* The United States is the only country in the world that sentences thirteen- and fourteen-year-old offenders, mostly youth of color, to life in prison without parole. In 1991, Ian Manuel, then fourteen, was sentenced to life without parole for a non-homicide crime. In a botched mugging attempt with some older boys, he shot a young white mother of two in the face. But as Bryan Stevenson, attorney and executive director of the Equal Justice Initiative, has insisted, none of us should be judged by only the worst thing we have ever done. Capturing the fullness of his humanity, here is Manuel's powerful testimony of growing up homeless in a neighborhood riddled with poverty, gang violence, and drug abuse—and of his efforts to rise above his circumstances, only to find himself, partly through his own actions, imprisoned for two-thirds of his life, eighteen years of which were spent in solitary confinement. Here is the story of how he endured the savagery of the United States prison system, and how his victim, an extraordinary woman, forgave him and bravely advocated for his freedom, which was achieved by an Equal Justice Initiative push to address the barbarism of our judicial system and bring about "just mercy." Full of unexpected twists and turns as it describes a struggle for redemption, *My Time Will Come* is a paean to the capacity of the human will to transcend adversity through determination and art—in Ian Manuel's case, through his dedication to writing poetry.

My Time in Heaven Richard Sigmund, 2009-12-14 Is there life after death? After a tragic accident, doctors pronounced Richard Sigmund legally dead. Eight hours later, God miraculously brought him back to life on the way to the morgue. During those hours, God allowed him to experience the glorious beauty, heavenly sounds, sweet aromas, and boundless joys of heaven that await every believer. God then returned him back to earth with a mission to tell the world what he saw. You will thrill to Sigmund's eyewitness accounts of strolling down heaven's streets of gold, seeing angels playing with children, talking with Jesus, meeting with people from the Bible, as well as departed family and friends, seeing the mansions, and much more! Through Sigmund's testimony, God restored sight to the blind, hearing to the deaf, and even raised several people from the dead. Also, glimpse into the horrifying reality of "the other place"—a place where no one wants to go.

In My Time Dick Cheney, 2011-08-30 In this eagerly anticipated memoir, former Vice President Dick Cheney delivers an unyielding portrait of American politics over nearly forty years and shares personal reflections on his role as one of the most steadfast and influential statesmen in the history of our country. The public perception of Dick Cheney has long been something of a contradiction. He has been viewed as one of the most powerful vice presidents—secretive, even mysterious, and at the same time opinionated and unflinchingly outspoken. He has been both praised and attacked by his peers, the press, and the public. Through it all, courting only the ideals that define him, he has remained true to himself, his principles, his family, and his country. Now in an enlightening and provocative memoir, a stately page-turner with flashes of surprising humor and remarkable candor, Dick Cheney

takes readers through his experiences as family man, policymaker, businessman, and politician during years that shaped our collective history. Born into a family of New Deal Democrats in Lincoln, Nebraska, Cheney was the son of a father at war and a high-spirited and resilient mother. He came of age in Casper, Wyoming, playing baseball and football and, as senior class president, courting homecoming queen Lynne Vincent, whom he later married. This all-American story took an abrupt turn when he flunked out of Yale University, signed on to build power line in the West, and started living as hard as he worked. Cheney tells the story of how he got himself back on track and began an extraordinary ascent to the heights of American public life, where he would remain for nearly four decades: * He was the youngest White House Chief of Staff, working for President Gerald Ford—the first of four chief executives he would come to know well. * He became Congressman from Wyoming and was soon a member of the congressional leadership working closely with President Ronald Reagan. * He became secretary of defense in the George H. W. Bush administration, overseeing America's military during Operation Desert Storm and in the historic transition at the end of the Cold War. * He was CEO of Halliburton, a Fortune 500 company with projects and personnel around the globe. * He became the first vice president of the United States to serve out his term of office in the twenty-first century. Working with George W. Bush from the beginning of the global war on terror, he was—and remains—an outspoken defender of taking every step necessary to defend the nation. Eyewitness to history at the highest levels, Cheney brings to life scenes from past and present. He describes driving through the White House gates on August 9, 1974, just hours after Richard Nixon resigned, to begin work on the

Ford transition; and he portrays a time of national crisis a quarter century later when, on September 11, 2001, he was in the White House bunker and conveyed orders to shoot down a hijacked airliner if it would not divert. With its unique perspective on a remarkable span of American history, *In My Time* will enlighten. As an intimate and personal chronicle, it will surprise, move, and inspire. Dick Cheney's is an enduring political vision to be reckoned with and admired for its honesty, its wisdom, and its resonance. *In My Time* is truly the last word about an incredible political era, by a man who lived it and helped define it—with courage and without compromise.

When My Time Comes Diane Rehm, 2020-02-04 The renowned radio host and one of the most trusted voices in the nation candidly and compassionately addresses the hotly contested right-to-die movement, of which she is one of our most inspiring champions. The basis for the acclaimed PBS series. Through interviews with terminally ill patients and their relatives, as well as physicians, ethicists, religious leaders, and representatives of both those who support and vigorously oppose this urgent movement, Rehm gives voice to a broad range of people personally linked to the realities of medical aid in dying. With characteristic evenhandedness, she provides the full context for this highly divisive issue and presents the fervent arguments—both for and against—that are propelling the current debate: Should we adopt laws allowing those who are dying to put an end to their suffering? Featuring a deeply personal foreword by John Grisham, *When My Time Comes* is a response to many misconceptions and misrepresentations of end-of-life care. It is a call to action—and to conscience—and it is an attempt to heal and soothe, reminding us that death, too, is an integral part of life.

Man of My Time Dalia Sofer, 2020-04-14 One of The New York Times's 100 Notable Books of 2020. A New York Times Book Review Editors' Choice. Finely wrought, a master class in the layering of time and contradiction that gives us a deeply imagined, and deeply human, soul. -- Rebecca Makkai, The New York Times Book Review From the bestselling author of *The Septembers of Shiraz*, the story of an Iranian man reckoning with his capacity for love and evil Set in Iran and New York City, *Man of My Time* tells the story of Hamid Mozaffarian, who is as alienated from himself as he is from the world around him. After decades of ambivalent work as an interrogator with the Iranian regime, Hamid travels on a diplomatic mission to New York, where he encounters his estranged family and retrieves the ashes of his father, whose dying wish was to be buried in Iran. Tucked in his pocket throughout the trip, the ashes propel him into a first-person excavation—full of mordant wit and bitter memory—of a lifetime of betrayal, and prompt him to trace his own evolution from a perceptive boy in love with marbles to a man who, on seeing his own reflection, is startled to encounter someone he no longer recognizes. As he reconnects with his brother and others living in exile, Hamid is forced to reckon with his past, with the insidious nature of violence, and with his entrenchment in a system that for decades ensnared him. Politically complex and emotionally compelling, *Man of My Time* explores variations of loss—of people, places, ideals, time, and self. This is a novel not only about family and memory but about the interdependence of captor and captive, of citizen and country, of an individual and his or her heritage. With sensitivity and strength, Dalia Sofer conjures the interior lives of the “generation that had borne and inflicted what could not be undone.”

My Time to Speak Ilia Calderón, 2020-08-04 An

inspiring, timely, and conversation-starting memoir from the barrier-breaking and Emmy Award-winning journalist Ilia Calderón—the first Afro-Latina to anchor a high-profile newscast for a major Hispanic broadcast network in the United States—about following your dreams, overcoming prejudice, and embracing your identity. As a child, Ilia Calderón felt like a typical girl from Colombia. In Chocó, the Afro-Latino province where she grew up, your skin could be any shade and you'd still be considered blood. Race was a non-issue, and Ilia didn't think much about it—until she left her community to attend high school and college in Medellín. For the first time, she became familiar with horrifying racial slurs thrown at her both inside and outside of the classroom. From that point on, she resolved to become “deaf” to racism, determined to overcome it in every way she could, even when she was told time and time again that prominent castings weren't “for people like you.” When a twist of fate presented her the opportunity of a lifetime at Telemundo in Miami, she was excited to start a new life, and identity, in the United States, where racial boundaries, she believed, had long since dissolved and equality was the rule. Instead, in her new life as an American, she faced a new type of racial discrimination, as an immigrant women of color speaking to the increasingly marginalized Latinx community in Spanish. Now, Ilia draws back the curtain on the ups and downs of her remarkable life and career. From personal inner struggles to professional issues—such as being directly threatened by a Ku Klux Klan member after an interview—she discusses how she built a new identity in the United States in the midst of racially charged violence and political polarization. Along the way, she'll show how she's overcome fear and confronted hate head on, and the inspirational philosophy that has always propelled her

forward.

My Time Among the Whites Jennine Capó Crucet, 2019-09-03 From the author of *Make Your Home Among Strangers*, essays on being an “accidental” American—an incisive look at the edges of identity for a woman of color in a society centered on whiteness In this sharp and candid collection of essays, critically acclaimed writer and first-generation American Jennine Capó Crucet explores the condition of finding herself a stranger in the country where she was born. Raised in Miami and the daughter of Cuban refugees, Crucet examines the political and personal contours of American identity and the physical places where those contours find themselves smashed: be it a rodeo town in Nebraska, a university campus in upstate New York, or Disney World in Florida. Crucet illuminates how she came to see her exclusion from aspects of the theoretical American Dream, despite her family’s attempts to fit in with white American culture—beginning with their ill-fated plan to name her after the winner of the Miss America pageant. In prose that is both fearless and slyly humorous, *My Time Among the Whites* examines the sometimes hopeful, sometimes deeply flawed ways in which many Americans have learned to adapt, exist, and—in the face of all signals saying otherwise—perhaps even thrive in a country that never imagined them here.

My Time C. Robert Wolfe, 2008-08 *My Time* Most people live their lives on a day to day basis. Our planning calendar is booked for three to seven days in the future. We seldom take a step back and look at recent events in perspective. This book is intended to provide that perspective look at events that shaped the course of our lives. Only in retrospect do we realize the changes that have occurred and influenced events of our lives. This

process might be compared to watching an Old time silent movie. How strangely people dressed and acted in those days. We get a sense of values and attitudes of that time. Then we see movies made during the 1930's. There is a difference in dress, in automobiles, in the telephones seen in those movies. Customs have changed and attitudes have changed since those early silent movie days. This book links day to day living with the evolving events that impact our lives, shape attitudes and philosophies, as individuals, as states and nations. It has been said, The only thing certain is change.

It's My Time Josh Phillips, 2023-10-10 It's My Time is a story of God using life's circumstances and events to shape his people. Josh Phillips grew up in a Christian home as the youngest of seven, with dreams of following in his dad's footsteps, playing professional football. His competitive drive and work ethic paved the way for some championship moments; however, each step toward his goal of professional football brought additional obstacles. Josh wrestled with God's plans for his life and questioned his purpose amidst each trial. But through it all, God was faithful—and continues to be in every moment. It's My Time is designed for readers to journey into spiritual transformation. Josh Phillips encourages believers to delve into applicable scripture and ponder how God's hand is at work in their own lives. A unique feature at the end of each chapter, the Red Zone Check, encourages personal reflection on God's role as author of each person's story.

During My Time Margaret B. Blackman, 2017-08-24 This book is the first life history of a Northwest Coast Indian woman. Florence Davidson, daughter of noted Haida carver and chief Charles Edenshaw, was born in 1896. As one of the few living Haida elders knowledgeable about the culture of a bygone era, she was a fragile link with

the past. Living in Masset on the Queen Charlotte Islands, some fifty miles off the northwest coast of British Columbia, Florence Davidson grew up in an era of dramatic change for her people. On of the last Haida women to undergo the traditional puberty seclusion and an arranged marriage, she followed patterns in her life typical of women of her generation. Florence's narrative -- edited by Professor Blackman from more than fifty hours of tape recordings -- speaks of girlhood, of learning female roles, of the power and authority available to Haida women, of the experiences of menopause and widowhood. Blackman juxtaposes comments made by early observers of the Haida, government agents, and missionaries, with appropriate portions of the life history narrative, to portray a culture neither traditionally Haida nor fully Canadian, a culture adapting to Christianity and the imposition of Canadian laws. Margaret Blackman not only preserves Florence Davidson's memories of Haida ways, but with her own analysis of Davidson's life, adds significantly to the literature on the role of women in cross-cultural perspective. The book makes an important contribution to Northwest Coast history and culture, to the study of culture change, to fieldwork methodology, and to women's studies.

In My Time Robert Strausz-Hupe, 2018-01-16 In My Time is a vivid account of the fascinating life of Robert Strausz-Hupe, who served American presidents for twenty years in a variety of diplomatic posts. It is a life filled with both excitement and tragedy. In this autobiography, Strausz-Hupe covers a wide range of topics, including his youth in Vienna, his familial background, and his schooling. The author also discusses his emigration to the United States, describing his initial impressions of the country as well as how he viewed the changes that were occurring in

American society and culture. Strausz-Hupe has written a poignant introduction for the republication of this volume. He explains how he reaches out to history for an explanation of who he is as an individual. Just as entire nations should learn from history, so should individuals, as Strausz-Hupe has attempted to do in his autobiography. Robert Strausz-Hupe is one of those increasingly rare, universally educated men whose minds conform only to their own beliefs and findings. His views of events such as the rise of German Nazism, or Chinese Communism, or the world of the theater in Europe between the two world wars are always fresh, exciting, and informed. In *My Time* will be enjoyed by all who read it, especially historians, political theorists, and policymakers.
