

My Values Discover Your Values

Christopher D. Connors

Discovering Your Authentic Core Values Marc Alan Schelske, 2012-11-30 Do you need core values? More than you know. If you want to make a change in your life, moving into a more life-giving future, having clear core values is an essential tool. Discovering Your Authentic Core Values walks you step-by-step through the process of identifying your authentic core values. These are not your aspirational values, the ones you wish were true of you. These are your authentic inside-out core values that already have played an enormous role in shaping your life. You live in a world where other people's agendas are competing for your time and resources. In the same way, you often live in reaction to other people's values. You've learned to use a schedule and a budget so that your time and money are used intentionally. Why wouldn't you put the same care into thinking through your own core values? This little book is guide that will walk you through a journaling process where you can discover these important motivations. Depending on your speed, it's an approximately 10 hour process. By discovering and naming these essential motivations, you can begin to align your life with who God made you to be. Once you've done the work of articulating your core values, you have an invaluable aid for an intentional life. In this concise step-by-step guide, you will learn: Why core values matter. What the two different kinds of core values are. How to discover your authentic core values in your own story. What to do with negative core values. How to actively use your core values. If you are a follower of Jesus, how your core values connect with your spiritual journey. Table of Contents Why Core Values? Two Kinds of Core Values Gather Your Tools Find the Clues in Your Story Consider the Why Get the Outside Unvarnished View Gather and Refine Yourself Look Past the Shadow to the Light Shape the Words that Shape You Letting Your Core Values Work A Final Word

Dare to Lead Brené Brown, 2018-10-09 #1 NEW YORK TIMES BESTSELLER • Brené Brown has taught us what it means to dare greatly, rise strong, and brave the wilderness. Now, based on new research conducted with leaders, change makers, and culture shifters, she's showing us how to put those ideas into practice so we can step up and lead. Don't miss the five-part HBO Max docuseries Brené Brown: Atlas of the Heart! NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BLOOMBERG Leadership is not about titles, status, and wielding power. A leader is anyone who takes responsibility for recognizing the potential in people and ideas, and has the courage to develop that potential. When we dare to lead, we don't pretend to have the right answers; we stay curious and ask the right questions. We don't see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don't avoid difficult conversations and situations; we lean into vulnerability when it's necessary to do good work. But daring leadership in a culture defined by scarcity, fear, and uncertainty requires skill-building around traits that are deeply and uniquely human. The irony is that we're choosing not to invest in developing the hearts and minds of leaders at the exact same time as we're scrambling to figure out what we have to offer that machines and AI can't do better and faster. What can we do better? Empathy, connection, and courage, to start. Four-time #1 New York Times bestselling author Brené Brown has spent the past two decades studying the emotions and experiences that give meaning to our lives, and the past seven years working with transformative leaders and teams spanning the globe. She found that leaders in organizations ranging from small entrepreneurial startups and family-owned businesses to nonprofits, civic organizations, and Fortune 50 companies all ask the same question: How do you cultivate braver, more daring leaders, and how do you embed the value of courage in your culture? In this new book, Brown uses research, stories, and examples to answer these questions in the no-BS style that millions of readers have come to expect and love. Brown writes, "One of the most important findings of my career is that daring leadership is a collection of four skill sets that are 100 percent teachable, observable, and

measurable. It's learning and unlearning that requires brave work, tough conversations, and showing up with your whole heart. Easy? No. Because choosing courage over comfort is not always our default. Worth it? Always. We want to be brave with our lives and our work. It's why we're here." Whether you've read *Daring Greatly* and *Rising Strong* or you're new to Brené Brown's work, this book is for anyone who wants to step up and into brave leadership.

Changepower! Meg Selig, 2010-03-17 In *Changepower! 37 Secrets to Habit Change Success*, author Meg Selig guides readers through a step-by-step process that will help them achieve any habit change goal. Whether the reader wants to break a hurtful habit like smoking or overeating, or build a healthy habit like exercising or speaking up, *Changepower!* provides a springboard for change. Selig helps habit-changers move beyond willpower and succeed with changepower - the synergy that comes from combining willpower with other resources, useful outside supports, and wise strategies. In *Changepower!*, she shows habit-changers how to beef up both their willpower and their changepower to achieve habit change success. The key is revving up motivation. Selig reveals the most powerful motivators for change - pain motivators, the Eight Great Motivators, and even not-so-noble motivators. Research has shown that most changes take place in stages rather than overnight. Selig provides a step-by-step plan for each stage, leaving plenty of room for flexibility depending on each person's needs. First-person stories, pithy quotes, and how-to exercises provide inspiration, humor, and encouragement as readers embark on their habit change journeys.

Your Values, My Values Lilah Morton Pengra, 2000 Lilah Pengra shares her experiences in designing services that reflect the values of the people receiving them. In a series of case studies the author shows how to develop culturally-sensitive support systems.'

Being Boss Emily Thompson, Kathleen Shannon, 2018-04-10 From the creators of the hit podcast comes an interactive self-help guide for creative entrepreneurs, where they share their best tools and tactics on being boss in both business and life. Kathleen Shannon and Emily Thompson are self-proclaimed business besties and hosts of the top-ranked podcast *Being Boss*, where they talk shop and share their combined expertise with other creative entrepreneurs. Now they take the best of their from-the-trenches advice, giving you targeted guidance on: **The Boss Mindset**: how to weed out distractions, cultivate confidence, and tackle fraidy feelings **Boss Habits**: including a tested method for visually mapping out goals with magical results **Boss Money**: how to stop freaking out about finances and sell yourself (without shame) With worksheets, checklists, and other real tools for achieving success, here's a guide that will truly help you be boss not only at growing your business, but creating a life you love.

The Live Your Values Deck Andreea Niculescu, 2021-11-09 Vibrantly illustrated by artist and author Lisa Congdon—and co-written by Congdon and her friend, brand strategist Andreea Niculescu—this deck will help you live in accordance to what matters most to you. Living your values increases your compassion, reduces your stress, enhances your confidence, and allows you to experience more intimacy in your relationships. These 78 cards offer you a practical set of tools for determining your core values and practicing them in your daily life. Start off with a simple sorting exercise, then dive deeper into your highest values with the prompts and activities listed on each card. The accompanying booklet helps you use the deck to enrich your life and improve your well-being. **HANDS-ON EXERCISE**: More engaging than a self-help book and less daunting than trying to list your values on a blank page, this deck offers a fun, hands-on way to identify your core principles and integrate them into your life. **GREAT GUIDANCE**: Along with helping you identify your values, these cards offer advice, suggestions for short-term and long-term goals, and prompts that will help you reflect and take action in meaningful ways. **LONG-TERM USE**: As life inevitably changes and new milestones are reached, it's good to re-center and reconnect with your

values. This deck can be used to see how your values have changed and what new ones have emerged over time. Perfect for: • Anyone contemplating a big life change (moving, switching jobs, etc.) • People looking for personal growth or self-reflection tools • Individuals who want to make meaningful New Year's resolutions • Fans of Lisa Congdon's previous publishing, especially *You Will Leave A Trail Of Stars*

The Confidence Gap Russ Harris, 2011-09-13 Drawing on Acceptance and Commitment Therapy and mindfulness practices, this guide offers breakthrough insights and simple techniques for developing deep-seated, long-lasting confidence. Too many of us miss out on opportunities in life because we lack self-confidence. Whether it's public speaking, taking on a leadership role, or asking someone for a date, there are situations in which we just don't feel equipped to handle the challenges we face. Russ Harris offers a surprising solution to low self-confidence, shyness, and insecurity: Rather than trying to "get over" our fears, he says, the secret is to form a new and wiser relationship with them. Paradoxically, it's only when we stop struggling against our fearfulness that we begin to find lasting freedom from it. Drawing on the techniques of Acceptance and Commitment Therapy (ACT), a cutting-edge form of cognitive-behavioral therapy, *The Confidence Gap* explains how to: • Free yourself from common misconceptions about what confidence is and how to build it • Transform your relationship with fear and anxiety • Clarify your core values and use them as your inspiration and motivation • Use mindfulness to effectively handle negative thoughts and feelings. "This book could save you years of psychological struggle, yank you out of negative emotional patterns, and help propel you to a much happier, more productive life." —Martha Beck, author and Oprah Winfrey's life coach

Personal Values Assessment Discover Your Values LLC, 2019-12 An overview of the Theory of Basic Human Values by Shalom Schwartz with a redemption code to take the personal values assessment.

The Value of You Christopher D. Connors, 2017-11-03 Where are you going? Where have you been? What are you doing about it NOW? As you think through these questions, I encourage you to make your move and reclaim the life you've always dreamed about. It's yours if you really want it. But you'll need more than just a burning desire. You'll need a game plan that is built on a rock-solid foundation of core values. Values lead us toward the journey of our destiny. Our generation has lost its way. In the fast-paced, instant-gratification world we live in, we've lost our direction. Values provide us direction, leading us to bold new opportunities and life-changing relationships. Values like confidence, faith, courage and hard work are key to living life on your terms. Know this my friend—it's not only about the end goal. It's the journey you take to get there. Because it is the journey that defines us in the end. *The Value of You* is a journey into the core values that give light to our human experience. Values lead us to interior freedom, peace of mind, happiness and success. Every chapter contains a value that is filled with creative stories of famous people like J.K. Rowling, Simone Biles, Captain Charles Sully Sullenberger and Amy Schumer, as well as lesser known, yet remarkable heroes such as Dr. Liviu Librescu, Chris Singleton and Welles Crowther. Each value has a description of its core features, as well as obstacles to living the value, results of living the value and a personal game plan with practical guidance to help you make the value your own. We live in an ever-changing world with adversity and challenges. Values are the constant that position us for happiness and success. Values are a way of life. Start your journey today!

The Core Values Handbook Lynn Ellsworth Taylor, 2010 The Core Values Index (CVI) characterizes and measures each person's Real Core Values Nature. This is the essential self that Abraham Maslow asserted is the innate unchanging nature in each of us that causes us to want to make our unique contribution. It is that part of us that determines where we fit, where we can each make our highest and best contribution. Fully automated Employment Pre-Selection,

team building, conflict resolution, leadership training, management, restructuring departments, and businesses--all business and personal decisions are improved for those who have the advantage of the Core Values Index and the powerful Taylor Protocols that effectively put this revolutionary technology to work.--Page 2 of cover.

A Study of Our Decline Philip Atkinson,2007-11

Understanding and Clarifying Your Values (Assessment Included) William O. Blackwood Ph. D.,William O. Blackwood, Ph.d.,L. Ray Mauser,2012-07-01 Bill Blackwood and Ray Mauser use their years of experience as executive coaches and consultants to help you define and clarify your personal values in this book. The authors present a discussion and definition of values as well as a tested, proven values clarification exercise. Values are those things that really matter to each of us--the ideas and beliefs we hold as special and will defend. Ray and Bill maintain a set of values are personal to you; no two people will necessarily have identical values. Thus, it is important that you clarify your personal set of values because your values define who you are, what you stand for, and influence your individual behavior. They provide a list of 70 values to start working with. Moreover, values drive how you gather and interpret information, frame decisions, and make choices, say the authors. Gaining an understanding of your value orientation is this book's intention. The assessment instrument included in this book is designed to help identify those values that are most important and meaningful to you. This book goes beyond clarifying your personal values. It provides the reader with exercises and techniques for validating and testing your values. You will recognize the various ways in which you engage your values in your daily life and work processes. Also, you will learn to see how you engage in value-driven actions, which may appear neutral or simply logical but nonetheless carry out your values in the way you make judgments, choices, and decisions. The authors separate and define many terms often defined as values. They provide examples of behaviors, attitudes, attributes, traits, and related terms often viewed or misconstrued as values. They also present a discussion of other classifications of values such as core values, social, political, professional, and so forth to help you distinguish these terms from your personal values. This book is a relatively short, quick read; yet hard-hitting with a practical style. While it is designed for understanding and clarifying your personal values, it is also suitable as a handbook for clarifying values in group settings, such as seminars, workshops, classrooms, and professional development venues.

What Matters Most Hyrum W. Smith,2001-10-09 In an age of unprecedented prosperity and opportunity, there are many who feel that something is missing in their lives. Bestselling author Smith outlines reasons for this dissatisfaction and outlines a powerful formula to help readers identify their deeply held values and live them to the fullest. Illustrations.

The Manager's Handbook Alex Maccaw,2021-08-16 This handbook is the practical guide to becoming a great manager. It covers all the major topics including hiring, coaching, feedback, one-on-ones, and decision making. It also covers some of softer, but equally important, topics like conflict resolution and mental health. Great management changes lives. In fact, it's one of the most single overlooked pieces of leverage in the world. Great managers are remembered like great teachers, inspirations who help others soar. That's why it's such a shame management training is so often overlooked. Successful individual-contributors are rewarded with a 'promotion' into management and then, more often than not, left to sink or swim. If you're a new manager, this book will shine a friendly light on the road ahead. And if you're an old dog, perhaps it'll teach you a trick or two. This handbook was written by Alex MacCaw and stress-tested at a company called Clearbit.

ACT Daily Journal Diana Hill,Debbie Sorensen,2021-05-01 Dramatically change your life in just minutes a day with this powerful guided journal. When you

are faced with life's challenges, it's easy to lose track of what's important, get stuck in your thoughts and emotions, and become bogged down by day-to-day problems. Even if you've made a commitment to live according to your core values, the 'real-world' has a way of driving a wedge between you and a deeper, more meaningful life. Now there's a flexible program for learning how to practice a popular, proven-effective therapy protocol on your schedule! With The ACT Daily Journal, you'll learn all about the six core processes of acceptance and commitment therapy (ACT)—including mindfulness, acceptance, and values-based living—and even learn about a seventh: self-compassion. If there was ever a time to adopt the ACT approach to living, it's now. By applying ACT to your life, you'll learn how to roll with life's punches, and stay in contact with the present moment, even when you have unpleasant thoughts, feelings, and bodily sensations. The gift of being present is becoming increasingly valuable in these uncertain times of conflict and chaos; it's never been so important to live flexibly, with more meaning, and with a deeper understanding of shared struggles and our inherent humanity. ACT is more than just a therapy—it's a framework for living well. It helps us accept. It teaches us to make a commitment to what we deeply care about. And it works best when practiced daily. Let this journal guide you toward what really matters to you.

Finding Your True North Bill George, Andrew McLean, Nick Craig, 2011-01-07 Based on Bill George's bestselling book True North, this personal guide offers leaders a comprehensive method for identifying their unique "True North." The book offers methods for personal reflection and includes targeted exercises that help leaders hone in on the purpose of their leadership and developing their authentic leadership skills.

Find Your Values, Find Yourself Hana Wurzelova, 2020-04-15 Do you know what your values are or even where to look for them? Are you ready to try a simple formula to uncover them? This simple guide will show you how! We all have a set of values, things that we have at the very core of our beings and which we live our lives by. These values help to shape us and allow us to make better decisions, but many of us aren't always completely aware of what our values are and tend to act on them instinctively. Just imagine how much more you could achieve if you could work out what they are. What focus and success could you find? Inside the pages of this short book, Find Your Values, Find Yourself: The Simple 3-Step Method to Discover Your Values and Bring Clarity to Your Decision-Making, you will find a comprehensive way to determine what your values are, with chapters that cover: How to find your values in half an hour What personal values are Why they are important Examples of personal values How to find your top 3 Craft a definition of your personal core values Reviewing your values regularly And more... At the conclusion of this short read, you will have uncovered your core values and improved your life, bringing you the ability to make better informed decisions. Scroll up and click Buy now, for your copy!

Personal Values Assessment Jacob Morris, 2018-10-02 What are your personal values? How well do you live by them? This Personal Values Assessment will help you explore your core values using a series of activities and the Schwartz Values Survey, pioneered by social psychologist Dr. Shalom H. Schwartz. You make a lot of decisions every single day about things like your career, health, finances, relationships, and more. And, sometimes you struggle with those decisions, stumbling your way through life, feeling directionless. This can leave you feeling like you're living someone else's life or become overwhelmed and paralyzed by important decisions. Roy E. Disney once said, It's not hard to make decisions when you know what your values are. When you connect with your personal values you can chart a course that's right for you. You achieve clarity, make better decisions, and discover more fulfillment and meaning in your life. Dr. Schwartz theorized that 57 core values are fundamental to human motivation. Leverage the best science on values to unlock your future. This comprehensive guide and

assessment will help you explore your values and design a plan to transform your life. Chapter 1 - Introduction: Explore how values show up in your life today, along with the latest insights on the science and research behind personal values. Chapter 2 - What Are Your Values: Identify your personal values from the 57 personal values that drive human motivation, using the Schwartz Value Survey. Chapter 3 - How You Live Your Values: Prioritize how well you live by your personal values today by looking at how satisfied you are in these areas of your life. Chapter 4 - Unlock Your Values. Specific values often mean different things to different people. Find out what your personal values mean to you. Chapter 5 - Your Values In Action Design a plan to help you live your best life with the values that truly motivate you. Chapter 6 - Courage & Accountability: Explore any fears that may be preventing you developing the courage to honor your values.

Personal Development for Smart People Steve Pavlina, 2010-07 Despite promises of "'fast and easy'" results from slick marketers, real personal growth is neither fast nor easy. The truth is that hard work, courage, and self-discipline are required to achieve meaningful results - results that are not attained by those who cling to the fantasy of achievement without effort. *Personal Development for Smart People* reveals the unvarnished truth about what it takes to consciously grow as a human being. As you read, you'll learn the seven universal principles behind all successful growth efforts (truth, love, power, oneness, authority, courage, and intelligence); as well as practical, insightful methods for improving your health, relationships, career, finances, and more. You'll see how to become the conscious creator of your life instead of feeling hopelessly adrift, enjoy a fulfilling career that honors your unique self-expression, attract empowering relationships with loving, compatible partners, wake up early feeling motivated, energized, and enthusiastic, achieve inspiring goals with disciplined daily habits and much more! With its refreshingly honest yet highly motivating style, this fascinating book will help you courageously explore, creatively express, and consciously embrace your extraordinary human journey.

Management 3.0 Jurgen Appelo, 2011 In many organizations, management is the biggest obstacle to successful Agile development. Unfortunately, reliable guidance on Agile management has been scarce indeed. Now, leading Agile manager Jurgen Appelo fills that gap, introducing a realistic approach to leading, managing, and growing your Agile team or organization. Writing for current managers and developers moving into management, Appelo shares insights that are grounded in modern complex systems theory, reflecting the intense complexity of modern software development. Appelo's Management 3.0 model recognizes that today's organizations are living, networked systems; and that management is primarily about people and relationships. Management 3.0 doesn't offer mere checklists or prescriptions to follow slavishly; rather, it deepens your understanding of how organizations and Agile teams work and gives you tools to solve your own problems. Drawing on his extensive experience as an Agile manager, the author identifies the most important practices of Agile management and helps you improve each of them. Coverage includes • Getting beyond "Management 1.0" control and "Management 2.0" fads • Understanding how complexity affects your organization • Keeping your people active, creative, innovative, and motivated • Giving teams the care and authority they need to grow on their own • Defining boundaries so teams can succeed in alignment with business goals • Sowing the seeds for a culture of software craftsmanship • Crafting an organizational network that promotes success • Implementing continuous improvement that actually works Thoroughly pragmatic-and never trendy-Jurgen Appelo's Management 3.0 helps you bring greater agility to any software organization, team, or project.
