Hacking Leadership Mike Myatt, 2013-11-26 Hacking Leadership is Mike Myatt's latest leadership book written for leaders at every level. Leadership isn't broken, but how it's currently being practiced certainly is. Everyone has blind spots. The purpose of Hacking Leadership is to equip leaders at every level with an actionable framework to identify blind spots and close leadership gaps. The bulk of the book is based on actionable, topical leadership and management hacks to bridge eleven gaps every business needs to cross in order to create a culture of leadership: leadership, purpose, future, mediocrity, culture, talent, knowledge, innovation, expectation, complexity, and failure. Each chapter: Gives readers specific techniques to identify, understand, and most importantly, implement individual, team and organizational leadership hacks. Addresses blind spots and leverage points most leaders and managers haven't thought about, which left unaddressed, will adversely impact growth, development, and performance. All leaders have blind-spots (gaps), which often go undetected for years or decades, and sadly, even when identified the methods for dealing with them are outdated and ineffective – they need to be hacked. Showcases case studies from the author's consulting practice, serving as a confidant with more than 150 public company CEOs. Some of those corporate clients include: AT&T, Bank of America, Deloitte, EMC, Humana, IBM, JP Morgan Chase, Merrill Lynch, PepsiCo, and other leading global brands. Hacking Leadership offers a fresh perspective that makes it easy for leaders to create a roadmap to identify, refine, develop, and achieve their leadership potential--and to create a more effective business that is financially solvent and professionally desirable.

Oppositions to a Promise Devay Myatt,2009-12 In this timely book, *Opposition To A Promise*, Overseer Myatt strategically instructs the reader how to identify and successfully conquer dream blocking and destroying giants. Dr. Myatt boldly speaks to the spirits of fear, lack and other hindrances that the believer might face in their quest for what God has spoken and promised over their life. *Opposition to a Promise* breaks down the fundamentals of our faith that arms us against predators of the mind, body and soul that seek daily to destroy what has been spoken and declared by God. Dr. Myatt identifies key biblical principles and precise strategies, which encourage, compel and then propel the reader to advantageously engage against the enemy in order to obtain victory-THE PROMISE. I recommend this book to those who are in their meantime season-right between promise and fulfillment, as well as for those who earnestly desire to become independent of the world's system-living in God's provisions and guarantees for their life. This body of knowledge is sure to be an effective tool in the arsenal of any believer in pursuit of destiny. Bishop Gregory M. Davis, Greg Davis Ministries International Dr. Myatt conveys clearly the process whereby; the Saints of God can overcome any obstacle through a profound simplistic process of biblical principles. His writings are revelatory for those faced with any type of opposition in their pursuit of the promises of God. His interacting through written dialogue puts one in the story line and causes you to take on the characteristics of the biographical characters within the book, which makes his reading exciting and anticipative as one waits for the next principle to be utilized in our quest to possess our promise land. Shadow Bayou Suzanna Myatt Harvill, 2019-09-16 Laurette St. Cyr is the new heiress to Shadow Cove Plantation, inherited from the father she thought dead for twenty years. She arrives in a place called Shadow Bayou outside New Orleans to claim her new home but is beset by a vipers' nest of relatives determined to keep her from staying. They will stop at nothing, murder included, to drive Laurette from Louisiana. Before each planned attack, ghostly visitations from a long-dead ancestor warn Laurette of impending danger, which she initially discounts. Only the family lawyer and Laurette's former nanny seem trustworthy, but she learns even those people harbor secrets from the past—her past. Laurette is courted by the handsome sheriff, Cheyne Delacroix, and his wealthy cousin, Courtland, but soon learns Cheyne was involved in a mysterious death. Now, she has no one to trust. Laurette's life swirls in a gumbo of lies, Voodoo, and deceit, but she is determined to lay claim to the property that is rightfully hers ... or is it?

Such Respectful Wordful Offerings David Myatt, 2017-10-16 A compilation of essays and letters by David Myatt, edited by Rachael Stirling, which chart Myatt's struggle, from 2006 to 2012, to reform himself from a violent extremist to a modern mystic and which essays and letters also

Bayou Heat Suzanna Myatt Harvill, 2022-09-07 As Hurricane Gladys bears down on Shadow Bayou, Fontaine Varney's ex-husband, lusty porn star Travis Coltrane, is shot to death in a fishing boat near Maison Fontaine, the luxury hotel Fontaine owns. Coltrane's reputation for chasing anything that catches his eye, male or female, makes him ripe for killing. The list of people with motives for murdering the bayou stud is as long as a gator's tail. Among the list of suspects is Travis's widow, Fontaine's mother, who spitefully married Travis before the ink dried on the papers nullifying his marriage to her daughter. Football-hero-turned-private-eye, Ace Chapelle, is hired by Fontaine's wealthy father to protect her. Ace is just too handsome, too cocky, and too blatantly sexy for Fontaine's taste. Fontaine cannot ignore her attraction to the roguish jock, but instinct warns he is a dangerous man. Meanwhile, she is equally drawn to the bayou's handsome and charming new doctor, Dan Birdsong, a far more fitting mate for a Creole princess; however, the young physician clearly has a past he wants left undisturbed. Sheriff Cheyne Delacroix's investigation leads him from the bayou into the fleshpots of New Orleans, where, he finds a spicy gumbo of suspects, most of whom voice the opinion that Coltrane wasn't worth killing...yet somebody violently murdered him. Suspicions of blackmail, rumors of illicit affairs, and stories of past killings simmer in the sultry heat of Shadow Bayou's dark, murky waters, when, without warning, an attempt is made on Fontaine's life. Tension and tempers rise, heightening the fears of the stranded inhabitants of Maison Fontaine, as the storm approaches and the identity of the killer remains unknown. At the peak of the storm's

fury, yet another murder is committed. A terrified Fontaine realizes most of the people surrounding her harbor secrets, secret lives, and hidden agendas.

A Fool's Guide to Wisdom Richard G. Myatt, 2011-02 Paradox is present when the opposite of what one expects to be true, is true. The capacity to see paradox is the prerequisite to becoming wise. It is expressed when the weak become strong, those who lose their life find it, and the disheartened find the Lord who uses those things that are not to nullify the things that are (1 Corinthians 1:28 NIV). This work demonstrates paradox in health, medicine, business, organizational leadership, cultural myths related to the family, the symptomatic solutions common in political and

social structures, and in the spirituality expressed by people of faith. As the former director of an adolescent rehabilitation facility, the author has a keen awareness of the devastation caused by the failures of this generation. Clear and concise recommendations demonstrate the small changes that create enormous differences. We will discover that wisdom begins when we 'fear the Lord' and have 'knowledge of the Holy One.' The wise see paradox, but not because they look for it. Their openness of thought leads to a perception that life is an interaction of complex systems and ideas that truly transcend us all. Those with the God-given capacity to integrate knowledge, emotion, and faith will, in the end, find wisdom. Rick Myatt is a licensed psychotherapist with an extensive history. From building an orphanage in a war-torn country to becoming the director of an adolescent psychiatric rehabilitation facility, his experience includes crisis intervention, treating sexual addictions, and caring for children victimized by the murder of parents and child prostitution. With Masters Degrees in Marriage and Family Therapy and in Theology, he has also completed all Ph. D. coursework in Family Sociology. He currently specializes in organizing his community to detect and prevent workplace violence.
