Jokes 102 Alex Gall,2016-12-22 During your lifetime you will be meeting a lot of people in your extended journey and travels. The quickest and easiest way to make a favorable impression is to possess a quick, tactful and ready wit or possess a good sense of clean humor. A few examples may help. When discussing children, you can say, I gave my son a Spiderman costume as a gift and he said that he was Spiderman. I told him that he wasn't Spiderman, but I did not know how to get him off of the wall. Or, state trooper recruit to personnel manager: What kind of pay can I expect? Reply, I don't like to brag, but on this job you can write your own ticket. Or, a young lady dating a mortician said, Sometimes I don't think he knows that I'm alive. Or, Doctor, when will I know something after my operation? Doctor Smoothy, That depends on what you knew before your operation. Or, two bees drank too much dandelion wine; they were not drunk but both of them had a buzz. Or, a different chicken joke based on that age old question, why did the chicken cross the road? Answer: She wanted to beat up a chicken who called her a dumb cluck. For now, enough is enough. If you want more humor of a similar questionable nature buy Jokes 102.

Graded Reviews; Or, Helps to Teachers and Pupils in Arithmetic, Geography and Language ... William Milford Giffin,1885

Official Gazette of the United States Patent and Trademark Office ,2001

Stock Market Wizards Jack D. Schwager,2001 This decade has witnessed the most dynamic bull market in US stock history, a collapse in commodity prices, and dramatic failures in some of the world's leading hedge funds. How have some traders managed to significantly outperform a stock market that,until recently, moved virtually straight up? This book will feature interviews with those traders who achieved phenomenal success, from an Ohio farmer who has constantly made triple-digit returns, to a Turkish ~~emigr~~ who transformed a \$16000 account into \$6 million, to spectacularly successful professional hedge-fund managers such as Michael Lancer of the Lancer Group and Michael Masters of Capital Management. Today, the action is on the stock market. This book will be a must-have for that sector, as well as for the legions of individuals who eagerly bought Market Wizards.

From that Exceptional Balcony Alfred S. Iskander, 2022-02-03 Plain and simple, here is the thing: Hillary did not win because Hillary was not going to win Russia, the Russians, and Vladimir Putin. Enough is enough with that. Throw that cheap talk out the window. Hillary went too far. She is nothing more than a former first lady. But she wants to make believe that she is larger than life. She is not, and nobody is. Yes, a lot of people voted for her. Translation: You were a good president, Mr. Clinton, we do appreciate you! See, when it comes to what takes place on the political stage, there is always room for translation. Look at what happened with Jeb Bush. He was thrown out of the race at a very early moment. Poor Jeb did not have a chance. Translation: We don't want another George W. Bush! The rejection here was not meant for Jeb Bush as much as it was meant for George W. Bush's brother. Now then, going back to Hillary with the same measuring scale, the appreciation there was not meant for Hillary as much as it was meant for president Clinton's wife. Hillary is inadequate, she never was meant for the presidency of mighty United States of America. More to the point, even the position of Secretary of State was not really meant for her. President Obama gave her the position mainly to heal the wounds of the party and move on! He definitely was fully aware that others among the individuals that surrounded him were far more qualified than her. Ask him. Let us hear his answer. He just wanted to show the whole world that he forgave her for what she said to him and about him, Shame on you, Mr. Obama! Remember that language? Well, the truth is, Hillary does not have the capacity to understand complex issues at depth, just to give you an example here: when the Muslim Brotherhood became in charge of Egypt, she stood out there and announced, Hey, that is democracy, smiling approvingly and nodding wholeheartedly in all directions. Oh yeah? Democracy, eh? Was it democracy when Hitler became in charge of Germany? That was brainwashing, utter deception, and intimidation all the way. Mr. Trump, I urge you to declare the Muslim Brotherhood the most violent terrorist organization on earth. For that is precisely who they are, a bunch of street thugs, hard-core criminals from anywhere you look at them. Then you look at the other side, and there you see the North Korean and the Chinese leaders: one of them was born in Extortionsville and the other was born in Deceptionsville. We don't know what will happen, however, whether the North Korean is driving toward war or toward peace, China loves it anyway. On the one hand, the lengthy issue of North Korea is the best distraction to the whole world while China is colonizing and militarizing the South China Sea. China has never ending territorial ambitions claiming and disputing here and there all the time. And having swallowed one region after another in the space of time, I can sure tell you, if you live on the moon, China will have territorial disputes with you. Now then, on the other hand, China is using the North Korean issue to blind the issue of those massive trade imbalances: Five hundred and fifty billion? Dollars? a year? What are we buying from China that we cannot make for ourselves at an unsurpassable degree of excellence? What the hell is going on here? That is not trade. That is throat cutting and blood sucking. That can't be. Five hundred and fifty billion? Get

out of my face. That is the biggest robbery in the history of mankindaEURsomeone is smoking something out thereaEURin the meantime, someone is getting paid handsomely by the Chinese government to keep our relations with Russia at their lowest point. It is in the Chinese book of secrets: to make sure that the Americans wouldn't have friends in the Kremlin, and the Russians wouldn't have friends in the White HouseaEURand by the way, how could we end up paying China interest on borrowed money that had been stolen from us in the form of intellectual property and industrial secrets. A serious confrontation with China is what is neededaEURNot negotiations: you do not negotiate with a thiefaEURread...
