Drawing and Painting on the iPad Diana Seidl,2015-09-30 The iPad is an incredible tool, but how can an artist unlock its exciting and creative potential? This book explains, in simple terms, all the processes and techniques it offers. For the novice, it gives a step-by-step guide to the tools and screen, and introduces concepts progressively as you expand your skills. For those with more experience, it suggests advanced ideas, and provides inspiration to try new techniques and develop your artistic journey. This new book also acts as a guide to the artistic toolbox - using effects such as drawing with pencil, painting in oils, working with watercolour, using felt tip pens and wax crayons - all on your lap without fuss and mess. Clearly graded exercises explain how to make pictures using the ArtRage app and it also covers taking and editing photographs, printing your images on a domestic printer, framing and selling your prints. A practical guide to everything you need to know, in simple terms, to get drawing and painting on the iPad, superbly illustrated with 254 colour images.

Life Drawing on the iPad Julian Vilarrubi,2018-05-21 Artists have always looked for new ways of making images and today's technology offers a whole range of exciting possibilities. This practical book shows you how an Apple iPad and stylus can transform the way you paint and draw the human figure. As an accessible and convenient device, the iPad can simulate the practical materials you know whilst discovering and exploring further possibilities to bring your subject and ideas to life. Combining the skills of rendering the human figure with the potential of the iPad, this book is a must-have for all artists new to this medium and all iPad owners keen to start painting the body. The book introduces the basic approaches of observational drawing and painting from the figure whilst guiding you through some of the many available apps, in particular Procreate, and explains how to start making images quickly and easily. It stresses the significance and use of layers, as well as selecting and adapting brushes, working with the palette, storing colour, styluses, saving, sending and sharing. It then suggests how to see and record the figure, focusing on measuring and proportion, tone, line drawing and colour. Illustrated examples explain what to look for in the figure and how to render it, offering practical advice in order to encourage dynamic individual development. Superbly illustrated with 169 illustrations.

The Photoshop and Painter Artist Tablet Book Cher Threinen-Pendarvis,2013-08-27 Artists today use digital tools that allow them to work as naturally and spontaneously as if they were using traditional artist tools such as pastels, watercolors, oil media, and gouache. With the recent growth of the tablet market, there are more tools and more sophisticated features available now than ever before and an increased desire by artists to learn

how to use them. As much art book as guide, The Photoshop and Painter Artist Tablet Book uses traditional drawing and painting theory exercises, coupled with real-life projects, to show readers how they can use Painter and Photoshop with pressure-sensitive tablets for beautiful results. Award-winning artist and author Cher Threinen-Pendarvis takes readers through a variety of projects designed to improve their drawing, composition, and conceptual thought processes while exploring different uses of the many brushes available in Painter and Photoshop. Among many valuable concepts and techniques you'll learn to: Create tonal, gestural, and contour drawings with a pressure-sensitive tablet and stylus Use the iPad for sketching out ideas and use related software including Brushes, ArtStudio, Sketchbook Pro, Procreate, Adobe Ideas, and Adobe PS Touch Translate traditional color theory to digital color tools Incorporate scanned artwork into digital paintings and use photos as a reference for illustrations

Expressive Digital Painting in Procreate Shirish Deshpande, 2021-12-01 If you are a traditional media artist looking to try out the exciting digital medium, this is the definitive guide for you. As an artist primarily working in many traditional mediums, I faced a unique challenge. I always painted highly expressive paintings, and I wanted to bring the same expressiveness and spontaneity in my digital paintings. I did not want the typical 'plasticky' look for my digital paintings. In this book, you will not only learn the immense possibilities offered to us by digital painting software in general and Procreate in particular, but also to paint in a loose and expressive manner. The goal is to paint intriguing, catchy artworks that the viewers will love to watch again and again. Some of the tools and techniques you will learn in this book are as follows: -Methods I employ to paint expressively. -Why digital painting? What are the considerations while beginning with the digital painting process. -Color theory. -The concept of layers, using layers effectively in a digital painting. -How layers interact with each other, using masks and layer blending modes. -Procreate interface, menus, and the most used gestures. -Perspective concepts. Six step-by-step exercises: - Drawing a Simple 'Pencil Sketch' of a Tree - Using Layers for Painting Reflections in the Water - Painting an Old House with Trees with Realistic Textures - A Charming Village - Adding Depth to a Painting - Fun with Letters - Using Values and Curves to Paint a Charming Italian Town Start your journey towards the exciting digital art possibilities today!

Light and Shade Anson K. Cross, 2012-08 Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.
