**How to Paint Like Turner** Nicola Moorby, Mike Chaplin, Ian Warrell, Tony Smibert, 2015-05-01 JMW Turner is one of the greatest artists Britain has ever produced. His watercolours, with their extraordinary effects of shifting light and dramatic skies, are especially highly regarded. For the first time, the secrets of Turner's technique are revealed, allowing present-day watercolourists to learn from his achievements. This book combines unrivalled knowledge of Turner's working methods from Tate curators and conservators with practical advice from some of the world's most respected watercolour experts. Twenty-two thematic exercises are illustrated with Turner's works. Expert contemporary watercolourists explain, step-by-step, how to paint a similar composition, learning from Turner's techniques. Packed with invaluable information, from the materials Turner used to achieve the masterpieces we know and love today, to the modern materials the twenty-first-century watercolour artist will need. Backed by the authority of Tate, the world centre for Turner scholarship, with a glossary of technical terms, this is an invaluable resource both for lovers of Turner's art and of watercolour painting.

**The Soul-Sourced Entrepreneur** Christine Kane,2020-11-17 Can you succeed in business when your strength is more about sensitivity than swagger? If you're moved by meaning, more than manipulation? In other words: Can you succeed while still being you? Christine Kane is living proof that the answer is yes. Far too many of us have swallowed the notion that business owners have to be a certain way to be successful—strategy-obsessed, data-driven, and relentlessly aggressive. Bookstore shelves are lined with guides for entrepreneurs that urge them to Crush it! 10X It! or Unf\*\*k it! Those who aren't crushers or unf\*\*kers of anything are left wondering if something's wrong with them. Like, maybe they're just not cut out for business. A former songwriter and performer, and then founder of Uplevel YOU—a multi-million-dollar business coaching company—Christine Kane shows a new class of entrepreneurs another way. It's time to connect, not crush. In *The Soul-Sourced Entrepreneur*, Kane shares the insights that have helped thousands find success without losing themselves. In these pages, readers will find a practical plan to:

- Toss out ineffective, old-school goal-setting models.
- Reframe your intuition and sensitivity as valuable assets, not as flaws to hide.
- Examine old patterns for clues as to what's been holding you back.
- Clean up the spaces and distractions draining your energy and power.
- Learn to confidently trust in your own wisdom.
- Break free from fear-based decision-making that plagues most businesses.

Throughout the book, you'll hear stories from other soul-sourced entrepreneurs, who employ their own reliable, unique set of best practices based as much in intuition and self-awareness as on specific skills and strategies. Forget business as usual. Your business is personal, and in this new era, authenticity, creativity, and sensitivity are what set businesses apart. *The Soul-Sourced Entrepreneur* is your unconventional plan to build the business of your dreams, and being wildly successful by being you.
