Stories to Share With My Partner - Book 4 , An anthology of stories can be a fun thing or a scary one. Deciding what goes into anthology can be daunting. Too much romance and some folks may decide it is 'too mushy'. Put too much humour in, and others will say, 'there is no substance'. Go with more science fiction, or fantasy, or horror, and you will have some folks just not pick up the book. Finding the perfect 'mix' is a challenge for sure. 'Stories to Share with My Partner – Book 4' presents what I hope is a good mix of stories and poetry to make everyone happy. You have some love stories, 'An Office Romance' and the 'Gerry's New Girlfriend', for example, while science fiction is covered in 'The Dark Side of the Moon' and 'Invasion'. Funny stories are what I enjoy writing about, and there are few in this book. 'Pickles' is one such story while in 'Enthralled' I bring a different approach to erotica. I hope you enjoy reading these as much as I did when I wrote them. As always, any comments are welcome, so shoot me a quick email to info@jfnodar.com.au

Faraway from My Roots Ivania Inyange,2022-08-05 In pursuing what would be next after graduating from the National University of Rwanda (Clementine). Now Ivania got a Visa, which allowed her to immigrate to the US. This was a dream come true! When she set her feet in the US, she realized every step was a challenge to achieving the American Dream. Despite her naivety and

vulnerability due to the sheltered culture she grew up in, she learned to remain true to herself in a new world. In this witty yet honest, Ivania shares stories on undertaking Aspirations, Friendship, Sex, and dating. In her everyday life, she shows us what means Love, Loneliness, and Racism while being far from her roots. From learning to navigate L.A. traffic to enjoying showing someone a middle finger, she is stepping forward to embrace this new culture but wonders what may become of her. This book promises to excite a desire in every reader to travel the world to have a first-hand taste of the advantages of multicultural life. If diversity in nationality, civilization, sexuality, and quality of life is a pool we need to dive in to refresh our humanity, then let Ivania Inyange's story be your diving board. Her adventure in her new home country will make just you, and I appreciate the concept of cultural sensitivity.

Just Keep Truckin', America And Don't Think! Frank Belcher,2015-06-11 This is the story of a sixty-plus-year-old individual who

became bored with retirement and took up a new career as an owner-operator of an interstate heavy truck, running it from coast to coast and from the Canadian border to the Mexican border for over a half-million miles. The author was the sole driver and tells of his experiences over the road. Go on these trips with him as you traverse each chapter, and learn a little about the lives of those who transport freight at highway speeds across the United States, sometimes carrying cargo up to twenty-five tons in those fifty-three-foot boxes, thirteen and a half feet high, called trailers, pulled by ten-wheel "tractors," and similar combinations of double trailers, flatbeds carrying openly visible cargo.

Melissa Explains It All Melissa Joan Hart, 2013-10-29 Melissa Joan Hart explained it all-from dating to bullies-in her groundbreaking role as Clarissa Darling on Clarissa Explains It All. She cast a spell on millions more viewers as Sabrina, the Teenage Witch. Now, in Melissa Explains It All, Melissa tells the frank and funny behind-the-scenes stories from her extraordinary past and her refreshingly normal present. Melissa has been entertaining audiences most of her life; when there were no girls named Melissa on her favorite show, the forceful four year old decided she'd get on television her way. From that moment on, Melissa has shown a singular determination and focus-whether it's for booking three national commercials so her dad would build her a tree house or for nailing the audition for

Clarissa. From her first commercial to her current starring role in ABC Family's hit *Melissa and Joey*, Hart never let fame go to her head. She always had one foot in Hollywood and one foot in reality-and still does. Melissa makes us laugh along with her as she talks about: --guest appearances in shows like *Saturday Night Live* and *The Equalizer* --auditioning for Punky Brewster and Clarissa --her early Broadway days --wacky parties she's thrown and attended -- the actors who influenced her and whom she befriended, worked with and competed against --her experiences both on and off-set-with Sabrina's Salem the Cat and Elvis the Alligator on Clarissa --how she met the love of her life at the Kentucky Derby Melissa Joan Hart explains all that she's learned along the way-what's kept her grounded, normal and working when others have not been so fortunate-and that she's the approachable, hilarious girl-next-door her fans have always thought she'd be.

Lies and Broken Promises - A Tale of Alcoholism Alan B. Bradley, 2012-06-18
Alan's true story picks up after his parole from Trenton State Prison where he served 27 months of a 3 to 5 year sentence for possession and sale of drugs. He thought he had his drug addiction problems beaten. He felt that alcohol without drugs would provide him the relief that he needed from his anxiety and depression. He started becoming more and more reliant on alcohol as the days passed. His social anxiety was so great that he could not

participate in conversations in a group context. His alcoholic life was a whirlwind of brief sexual encounters and drinking at bars in Greenwich Village. His sexual identity was non-existent. He had no sexual preference of a female over a male or vice-versa. Alan was just getting started on his academic career as a free man. He had taken his first 4 college courses in prison and was determined to earn at least a bachelor's degree. In no time at all he was consuming alcohol before every social gathering whether it was at home, at work or on the university campus. Alan appeared aloof to many acquaintances, but his quiet nature was due to his intense anxiety levels and sporadic depression. The years advance and Alan chronicles the huge impact alcoholism has on his life and his urgent attempts to work towards solutions to his inner turmoil. As his alcoholism progresses, he gets closer and closer to losing everything he's worked and strived for. His personal relationships are falling apart. His work on the job is suffering and his relationships with co-workers are becoming stressed. He needs a solution and he needs it now.

Moving Beyond the Comfort Zone in Psychotherapy Nancy A. Bridges, 2005 This text aims to help therapists to engage more deeply with their patients while maintaining appropriate boundaries. Using clinical examples from her own practice, Bridges (psychiatry, Harvard Medical School) addresses issues such as sexual attraction, exceptional patient requests, and the risks and rewards of self-revelation. The volume concludes with a description of a model for

individual supervision and consultation for therapists and trainees.
