Ditch That Textbook Matt Miller,2015-04-13 Textbooks are symbols of centuries-old education. They're often outdated as soon as they hit students' desks. Acting by the textbook implies compliance and a lack of creativity. It's time to ditch those textbooks--and those textbook assumptions about learning In Ditch That Textbook, teacher and blogger Matt Miller encourages educators to throw out meaningless, pedestrian teaching and learning practices. He empowers them to evolve and improve on old, standard, teaching methods. Ditch That Textbook is a support system, toolbox, and manifesto to help educators free their teaching and revolutionize their classrooms.

Ask a Manager Alison Green,2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Revival Season Monica West,2022-05-03 The daughter of one of the South's most famous Baptist preachers discovers a shocking secret about her father that puts her at odds with both her faith and her family in this debut novel. “Spellbinding...Revival Season should be read alongside Alice Walker's The Color Purple and Chimamanda Ngozi Adichie's Purple Hibiscus.” —The Washington Post A New York Times Book Review Editors' Choice Every summer, fifteen-year-old Miriam Horton and her family pack themselves tight in their old minivan and travel through small southern towns for revival season: the time when Miriam's father—one of the South's most famous preachers—holds massive healing services for people desperate to be cured of ailments and disease. But, this summer, the revival season doesn't go as planned, and after one service in which Reverend Horton's healing powers are tested like never before, Miriam witnesses a shocking act of violence that shakes her belief in her father—and her faith. When the Hortons return home, Miriam's confusion only grows as she discovers she might have the power to heal—even though her father and the church have always made it clear that such power is denied to women. Over the course of the following year, Miriam must decide between her faith, her family, and her newfound power that might be able to save others, but if discovered by her father, could destroy Miriam. Celebrating both feminism and faith, Revival Season is a “tender and wise” (Ann Patchett) story of spiritual awakening and disillusionment in a Southern, Black, Evangelical community.

Nightmare Born Jenny Trout,2020-10-25 Conceived in dream. Born a nightmare. There are a lot of things I know: story structure, Hollywood trivia, what makes a director great... It's the stuff I didn't know—who my real father was, that my uncle is a demon, the fact that I'm not human—that's gotten me into so much trouble. After ripping my crush's heart out—literally—I discover that I'm not just a normal autistic seventeen-year-old. I'm the daughter of the King of Nightmares, the cruel and excessively goth ruler of the Nether. Now, I'm stuck at Miss Perkins's School for Girls, learning how to exist in a world where things really do go bump in the night. Dangerous magic, treacherous enemies, unfairly hot vampires, and magic schools are all tropes I love in movies. But throw them into my real life? Hard pass. And I still have to deal with queen bees and bullies while unraveling a conspiracy that could crumble the very foundations of

reality as we know it? That's bullsh-

The Takeover T. L. Swan,2020-08-27 In bestselling author T L Swan's second hot installment to the Miles High Club series, he's sexy, rich, and her mortal enemy. Hate never felt so good. I first met Tristan Miles at a meeting where he was trying to take over my late husband's company. He was powerful, arrogant, and infuriatingly gorgeous, and I hated him with every cell in my body. In the shock of the century, he called me three days later and asked me on a date. I would rather die than date a man like him--though I do have to admit it was good for the ego. Turning him down was the highlight of my year. Six months later, he was the guest speaker at a conference I attended in France. Still arrogant and infuriating--but this time, surprisingly charming and witty. When he looked at me, I got butterflies. But I can't go there. He's just a player in a hot suit, and I'm just a widow with three unruly sons. I just need this conference to be over. Because everybody knows that Tristan Miles always gets what he wants...and what he wants is me.

Seduction and Snacks Tara Sivec,2012 Warning #1: This book is not to be taken seriously. Do not read this if you don't have the sense of humor of a 15 year old boy. Do not read this if you ARE a fifteen year old boy. This book is totally crude and inappropriate and uses the word vagina a lot. No, I mean A LOT. If you don't think people who are drunk are hilarious, you shouldn't read this book. You probably shouldn't read this book if you aren't drunk yourself. You should probably just put this book down and get drunk. You may think that no one in the world talks like the people in this book, but they do. They are called people who are funny and inappropriate. This book is completely unrealistic; the author is aware of that fact and did it on purpose. 2012 Goodreads Choice Award Nominee - Best Romance Claire is a twenty-something, single mom that grudgingly helps her best friend sell sex toys while she attempts to make enough money to start her own business to give her foul-mouthed, but extremely loveable (when he's asleep) toddler a better life. When Carter, the one-night-stand from her past that changed her life forever, shows up in her hometown bar without any recollection of her besides her unique chocolate scent, Claire will make it a point that he remembers her this time. With Carter's undisguised shock at suddenly finding out he has a four-year-old son and Claire's panic that her stretch marks and slim to none bedroom experience will send the man of her dreams heading for the hills, the pair will do whatever they can to get their happily ever after. Warning #2: contains explicit sex, profanity and enough sarcasm to choke a horse.
