My Flight to America: The Incredible Journey of a Vietnamese Refugee Con Nguyen,2019-09-27 The author and his family got out of the refugee camp and rebuilt their new lives with bare hands in the far north, state of Alaska. His wife and he did everything to support three small children from food, housing, to daily expenses. They eagerly learned the American culture and custom to merge into the new society. They found opportunities anywhere they went. They took what they could reach... from labor job, professional engineering job, business owner, real states investor, builder, land developer, retail shopping centers managing and leasing. --Amazon.

My Flight Lt. Col. Jesse C Wilkins,2010-12-15 With the dying rate of World War II veterans, now at 30,000 per month, I thought it would be fitting and appropriate to set forth my experiences during those years of America's greatness and the nobility of its people and its warriors. Dedicated to my wife, Jimmie, who endured much, and to my children, who desired to know. These are my recollections of events, and I will not attempt to justify to anyone or any cause my views concerning events and perceived faults of people or for lapses of my memories.

My Flight Affiar Don Abbott,2019-08-30 This book may look like a diary of flying experiences but in truth it is a love story about a man and his lifelong affair with an angel called Flight. Don Abbott's childhood and early teen years were spent on his family's farm in Southeastern Ohio. His life choices were made early. At nine, when he first sat in a Piper Cub, he knew he wanted to be a pilot. At 14, while working part time at a local radio station, he chose broadcasting as a career. Don has always been an innovator and entrepreneur, which resulted in his founding of nine businesses and the creation of several concepts and inventions along the way. Aviation has played an important part of his personal and business life. November of 2011, in recognition of 50 years of accident-free flying and his contributions to aviation safety, Don received the highest honor bestowed by the Federal Aviation Administration, The Wright Brothers Master Pilot Award.

My Flight Logbook J Dane Hunter,2018-11-08 My Flight Logbook is a perfect travel companion. It includes a register for recording detailed flight information as well as current maps so that you can color in the states and countries as you visit. There is also a section for recording notes about your destination. Share your memories with friends and family. Each log entry has a column to write your memories or to let crew members write you a message. The pages contain totals at the bottom, just like a pilots logbook, to keep track of the distance and time you've been in the air. Included is a separate log to record airports and cities that you have flown to. This makes a handy reference of airport codes and locations for future reference. Maps are included for each part of the world: The United States of America, Canada, Mexico, Central America and the Caribbean, South America, Europe, Asia, Australia and the South Pacific, and Africa.

Clear My Flight Through Life Robert C Wood,2022-07-12 I was only eight, and was bitten by the aviation bug. When I was old enough, I learned how to fly, but was still going nowhere fast, so I decided to join the Air Force. This was where I found my purpose in technical training and discipline that no money could buy. This training, along with my knowledge of carpentry gained from my father, allowed me to fix almost any problem my friends and relatives could throw at me. My injuries in the service caused me to leave because they would not let me do my job, but I could still swing a mean hammer! My story revolves around general aviation, but in the Air Force, as in life, obstacles made me choose paths I might not have done so on my own volition. As someone once said, Life is what happens to you when you're making other plans. That sure applied to me as one tragedy or obstacle after another altered my course. In the following pages the reader will discover how I navigated through my life.
