Quran journaling is a great way to cultivate that relationship - it gives you flexibility to connect with the Quran on your terms and the ability to see how verses apply specifically to you and your individual circumstances. This journal will be your guide on that journey to connect with the Quran in a meaningful way. With relevant monthly themes and selected verses for each day, this journal will help you to get started creating that relationship, without the overwhelm of not knowing where or how to start. Make the intention that the 365 daily verses in this book will be your starting point on your lifelong journey to connect with Allah's words in ever deeper and more meaningful ways. That they will be your reminders when you feel like you have wandered off the path. That they will be your foundation and your grounding in a world that seems ever more hectic. Bismillah. - Theme and Verse Number: At the top of each page, you will find the theme for the month and the number of the verse in the Quran which you can use to look up the verse. - Arabic: Regardless of the level you are, practice Arabic writing by copying down the verse. - Translation: Write down the translation you best understand and connect with. - Tafsir: Read through and write the background, context, and explanation of each verse. The most well known authentic resource for tafsir is Tafsir Ibn Kathir. This can be purchased online or in many Islamic bookstores. Tafsir Ibn Kathir can also be found for free online in various places. - Application: Reflect on and apply the verse of the day to your life. How does this verse connect to you and your experiences? How does it relate to the overall theme? Are there any other verses, hadith, or quotes that this brings to mind? How does it make you feel? How can you act on it? These are some questions to get you started, but of course you can write whatever feels right. - Dua: Write a short dua to help you put your learnings about the verse into action. Ameen. May Allah accept all your efforts in better connecting with the Quran.

Now I Can Understand the Quran (Basic) Hana Abazid,2024-01-17 Step into learning Quran with Now I Can Understand the Quran (Basic). Intended for kindergartners, beginners, and/or as a Quran curriculum for schools, this book equips you with the resources to better understand the meanings of the Quran. Verse by verse, this book begins at Surah Al-Fatiha, then skips to surah An-Nas and goes through to Surah Al-Feel, containing some of the most commonly recited Surahs. It will take you through simple chapters and their meanings step by step in easily digestible and engaging bits, so you can better understand our Creator and His Word in salah, daily life, and worship. Now I Can Understand the Quran (Basic) contains Surahs with their original Arabic text, accompanied by their English translation, transliteration, fun images, and engaging activities to assist in learning about them! Starting to read and understand the Quran doesn't have to be hard and simplifying and encouraging the process in various ways to accommodate the different ways people learn is one of the biggest goals in creating this book! Overview from the author: When I hit 40, I realized I needed to do something more for my hereafter. The Quran is easy to forget if you don't keep practicing it. But the meaning of it and the message that Allah (SWT) sent can be remembered and embodied in our lives. During prayer, after reciting surah Al-Fatiha, most people read one of the short surahs. That's why I decided to write this book-to focus on the meaning of these surahs that we read constantly while we are praying. I believe that you will reap what you sow in kids. From my experience, I know that we should never underestimate little kids-they are bright and absorb whatever information you give them. The Quran is the most important resource for all Muslims, young and old. It is our guidance until the Day of Judgment. We can not truly benefit from it until we understand it. Instead of reading it like any other book, we should read it in order to understand it and apply it to our lives. I tried to make this book as kid-friendly as possible by adding pictures to help the kids understand and enjoy it. In sha Allah, you can benefit from this book in some way and pass on what you have learned to others.

Our stories, our lives Shaffi, Wahida,2009-07-08 In the early years of the 21st century, a number of Muslim women have achieved positions of influence. Women who care about the society in which they live and bring up their children are increasingly finding a voice and working together to make things happen. There's some way to go in harnessing the potential that lies at the heart of this change, but there is plenty of evidence that Muslim women are paving the way forward in new dynamic, challenging and creative ways. This book is all about women who have shown courage, dignity and strength; pioneers who have recognized their potential in the public and private realms of society, who have struggled, made sacrifices, taken pride in their multiple identities and who are committed to positive and peaceful change in the UK. This book presents the stories of 20 women from Bradford between the ages of 14 and 80, from their own perspectives. Based on a broader project called OurLives, which was designed to explore the insights and experiences of over a hundred women in Bradford, it belongs to a long tradition of oral history, where practical knowledge is passed from generation to generation. The book offers an intricate mosaic of the experiences, views and hopes of these women and in so doing emphasises the power of people's lives to aid deeper debate and understanding and gives voice to an important and often marginalised group. It will be fascinating to a range of people with an interest in Muslim women's lives and views and of wider interest to students, academics, policy-makers and professionals .
